Athlete, activist, rebel, poet, legend—Muhammad Ali stood larger than life in the imagination of hundreds of millions of people around the world. A gold medalist at the 1960 Olympics, he won the heavyweight championship at age twenty-two by conquering Sonny Liston in dramatic fashion. In the weeks after the upset victory, he confirmed his membership in the Nation of Islam and told reporters he would no longer answer to his “slave name”: Cassius Clay. The political establishment stripped him of his heavyweight title when he refused induction into the United States Army during the height of the war in Vietnam. Ultimately, Ali returned to reclaim his crown, prevailing in epic fights against the likes of Joe Frazier and George Foreman. His talent and charisma—and above all, his adherence to principle—made him a cultural icon and one of the most beloved sporting figures of all time. But that is only half the tale. *Muhammad Ali: His Life and Times* is also the story of Ali, the man. Author Thomas Hauser got closer to Ali than any previous biographer. His work—told in Ali’s own words

and those of hundreds of family members, friends, rivals, and others who interacted with “The Greatest” over the decades—reveals a deeply spiritual, complex man, whose public and private battles, including his struggle against the devastating effects of Parkinson’s disease, gave new meaning to the word courage and changed forever our conception of what makes a champion. Heralded by the New York Times as “the first definitive biography of the boxer who transcended sports as no other athlete ever has,” Muhammad Ali: His Life and Times is a must-read for anyone seeking to understand the legacy of one of the twentieth century’s most charismatic and controversial superstars. rumble young man rumble: Bitchmaker G. F. Morris, 2012-11 Even in 1952 the hospital that I was born in was antiquated. My mother it seems was always just outside of my physical reach, on those rare occasions when she was not at work, at church or catering to my father. She poured motherly love on me. These one on one time were far and few in between and never enough. I tried to prolong the attention by crying which only resulted in me being spanked (no one likes a loud mouth crying brat). It soon became clear to me the less attention I brought to myself the better it was for me, all the way around. There was plenty of laughter in my house but not by me. I learned not to cry when I was hungry. I learned it was better to wait for someone to notice that I needed changing and maybe they would remember to feed me or maybe not. I learned to crawl off by myself and listen to the tone of voices around me thereby gauging when it was safe to show myself and how I would be treated, these signs and symbols I filed away. Since it was females who God put in dominion over me, it was my goal to one day reverse those roles, it was out of these resentments that I wasted a lifetime turning women into bitches by inflicting emotional and physical harm on them. These dysfunctional character defects were the result of being the only boy child in a houseful of hedonistic women. This book is about the baggage I brought into my relationships which caused a lot of women in self defense to become bitches which is the reason for my repenting of the sinful hurt I inflicted on others as well as upon myself and how I recovered.

rumble young man rumble: *Ali on Ali* Hana Ali, 2018-05-01 Muhammad Ali was a champion,

a poet, a prophet. Sports Illustrated called him “the greatest athlete of the twentieth century.” And yet he was even more than all of that, “a whole greater than the sum of its parts . . . bigger, brighter, more original and influential than just about anyone of his era” (Barack Obama). He got there with his fists, with his actions, and above all, with his words. Compiled and written by his daughter Hana Ali, with sportswriter Danny Peary, *Ali on Ali* brings together a remarkable mix of Ali’s 70 most humorous, poignant, inspirational, political, and philosophical quotes, all with their origins. The story behind one of the most memorably poetic lines of the century—“Float like a butterfly, sting like a bee.” The heard-round-the-world defiance of “I ain’t got no quarrel with them Viet Cong,” and its moving context. And the stories behind quotes ranging from outrage—“We been in jail for 400 years,” to inspiration—“I hated every minute of training, but I said ‘Don’t quit. rumble young man rumble: Heavyweight Jordana Moore Saggese, 2024-07-05 In *Heavyweight*, Jordana Moore Saggese examines images of Black heavyweight boxers to map the visual terrain of racist ideology in the United States, paying particular attention to the intersecting discourses of Blackness, masculinity, and sport. Looking closely at the “shadow archive” of portrayals across fine art, vernacular imagery, and public media at the turn of the twentieth century, she demonstrates how the images of boxers reveal the racist stereotypes implicit in them, many of which continue to structure ideas of Black men today. With a focus on both anonymous fighters and notorious champions, including Jack Johnson, Saggese contends that popular images of these men provided white spectators a way to render themselves experts on Blackness and Black masculinity. These images became the blueprint for white conceptions of the Black male body—existing between fear and fantasy, simultaneously an object of desire and an instrument of violence. Reframing boxing as yet another way whiteness establishes the violent mythology of its supremacy, Saggese highlights the role of imagery in normalizing a culture of anti-Blackness.
