room on the broom worksheets: Joe Rochefort's War Elliot W Carlson, 2013-09-15 Elliot Carlson's award-winning biography of Capt. Joe Rochefort is the first to be written about the officer who headed Station Hypo, the U.S. Navy's signals monitoring and cryptographic intelligence unit at Pearl Harbor, and who broke the Japanese Navy's code before the Battle of Midway. The book brings Rochefort to life as the irreverent, fiercely independent, and consequential officer that he was. Readers share his frustrations as he searches in vain for Yamamoto's fleet prior to the Japanese attack on Pearl Harbor, but share his joy when he succeeds in tracking the fleet in early 1942 and

breaks the code that leads Rochefort to believe Yamamoto's invasion target is Midway. His conclusions, bitterly opposed by some top Navy brass, are credited with making the U.S. victory possible and helping to change the course of the war. The author tells the story of how opponents in Washington forced Rochefort's removal from Station Hypo and denied him the Distinguished Service Medal recommended by Admiral Nimitz. In capturing the interplay of policy and personality and the role played by politics at the highest levels of the Navy, Carlson reveals a side of the intelligence community seldom seen by outsiders. For a full understanding of the man, Carlson examines Rochefort's love-hate relationship with cryptanalysis, his adventure-filled years in the 1930s as the right-hand man to the Commander in Chief of the U.S. Fleet, and his return to codebreaking in mid-1941 as the officer in charge of Station Hypo. He traces Rochefort's career from his enlistment in 1918 to his posting in Washington as head of the Navy's codebreaking desk at age twenty-five, and beyond. In many ways a reinterpretation of Rochefort, the book makes clear the key role his codebreaking played in the outcome of Midway and the legacy he left of reporting actionable intelligence directly to the fleet. An epilogue describes efforts waged by Rochefort's colleagues to obtain the medal denied him in 1942—a drive that finally paid off in 1986 when the medal was awarded posthumously.

Our hearts are grieved to agony with the Holy Spirit because not every Christian is equipped to disciple disciplers of disciplers. The testimony of God the Father (Who is Jesus Christ), and the testimony of God the Holy Spirit (Who testifies only of Jesus) are not faithfully reflected in the word of our testimony. So how do we inspire each and every Christian to learn/submit/commit to sharing their own testimony, at all times, in all places, to encourage other Christians, as well as to cause others to come to Christ? How can we inspire God's people to DO THE TRUTH (John 3:21)? When God does a work in us or through us, then we should give Him the glory, by sharing of our personal testimony. As spiritual beings commissioned to live out a physical existence in an adversity-centered world, God, expects much fruit, that is, for us to do just as Jesus did, go and make steadfast disciples capable of making disciples. This is the WHAT of our obedience. Our HOW is to depend on the Holy Spirit as we learn to live/love/serve like Christ (our biblical-stewardship living). WHY?
