

godhead and the nothing by altizer thomas j j 2003 paperback

****Exploring "Godhead and the Nothing" by Altizer Thomas J. J. 2003 Paperback****

godhead and the nothing by altizer thomas j j 2003 paperback stands as a profound work in contemporary theological philosophy, inviting readers to grapple with complex ideas about divinity, nihilism, and existential meaning. This book delves into the radical theology of Thomas J. J. Altizer, one of the most controversial and thought-provoking figures in 20th-century religious thought. For anyone interested in the intersections of theology, philosophy, and existentialism, this 2003 paperback edition offers an accessible yet deeply challenging exploration of the "death of God" theology and its implications for understanding the divine.

Understanding the Context of Altizer's Theology

Before diving into "Godhead and the Nothing," it's helpful to understand the intellectual and cultural backdrop that shaped Thomas J. J. Altizer's work. Altizer emerged as a leading voice in the "death of God" movement during the 1960s and beyond, a theological perspective that suggests the traditional, transcendent God has disappeared or become irrelevant in the modern world. His approach was not merely nihilistic; instead, it sought to reinterpret divinity in radically new ways.

Who Is Thomas J. J. Altizer?

Thomas J. J. Altizer was an American theologian known for his provocative ideas that challenged orthodox Christian beliefs. His philosophy revolves around the paradox of God's death — the notion that God's self-emptying or self-negation leads to a new form of divine presence in the world. Altizer's work is deeply influenced by Hegelian dialectics, existentialism, and Christian mysticism, making his writings intellectually rich and complex.

The Significance of the 2003 Paperback Edition

The 2003 paperback version of "Godhead and the Nothing" makes Altizer's dense philosophical arguments more accessible to a broad audience. It includes revisions and clarifications that enhance understanding, making this edition an excellent resource for students, scholars, and curious readers keen on exploring radical theology. The paperback format also allows for easier study and reference, encouraging engagement with Altizer's challenging ideas.

Key Themes in "Godhead and the Nothing"

Altizer's "Godhead and the Nothing" is layered with themes that intersect theology, philosophy, and

existential inquiry. Let's explore some of the core concepts that shape this work.

The Concept of the Godhead

In Altizer's framework, the "Godhead" refers to the ultimate divine reality, but it is not a static or traditionally omnipotent being. Instead, it embodies a dynamic process of self-negation and transformation. This divine essence moves beyond conventional theological categories, embracing paradox and negation as fundamental aspects of existence. Altizer's Godhead is both present and absent, alive in the void of nothingness.

The Role of Nothingness

"Nothingness" is not simply empty space or absence in Altizer's theology; it is a crucial ontological reality that enables the transformation of the Godhead. Nothingness represents the void or abyss into which God plunges to effect ultimate self-transcendence. This idea resonates with existentialist notions of the void but is reimagined here as a creative force rather than mere despair.

The Death of God and Its Implications

Altizer's concept of the "death of God" is central to the book's thesis. Unlike a literal death, this death signifies the collapse of traditional metaphysical ideas about God's transcendence and power. It challenges believers to rethink the divine's relationship with the world, embracing immanence and radical transformation. This death is paradoxically a gateway to new spiritual possibilities.

Why "Godhead and the Nothing" Matters Today

Despite being rooted in philosophical and theological discourse from decades ago, "Godhead and the Nothing" remains relevant in contemporary discussions about faith, meaning, and modernity.

Engaging with Modern Spirituality

In a world where institutional religion often feels disconnected from lived experience, Altizer's work offers a pathway to reimagine spirituality. His embrace of paradox and nothingness speaks to modern seekers who struggle with doubt, nihilism, and the search for meaning beyond traditional dogma.

Philosophical and Theological Influence

"Godhead and the Nothing" has influenced a range of thinkers in theology, philosophy, and cultural studies. Its integration of Hegelian dialectics with Christian mysticism challenges readers to think

beyond binary oppositions of belief and skepticism. This influence extends into discussions about postmodern theology and critical theory.

How to Approach Reading "Godhead and the Nothing"

Given the complexity of Altizer's ideas, approaching this book can feel daunting. Here are some tips to get the most out of the 2003 paperback edition:

- **Familiarize yourself with key philosophical terms:** Knowing basics about Hegelian dialectics, existentialism, and nihilism will provide a helpful foundation.
- **Read slowly and reflectively:** Altizer's sentences often carry layered meanings; taking time to ponder passages can uncover deeper insights.
- **Use secondary sources:** Supplement your reading with commentaries or lectures on Altizer's theology to enhance comprehension.
- **Engage in discussions:** Joining study groups or online forums can provide diverse perspectives and clarify challenging concepts.

Additional Resources for Deeper Understanding

For readers captivated by "Godhead and the Nothing," exploring Altizer's broader body of work and related theological texts is rewarding. Some recommended readings include:

1. "The Gospel of Christian Atheism" by Thomas J. J. Altizer
2. "The Radical Theology of the Death of God" by Peter Rollins
3. Hegel's "Phenomenology of Spirit" for philosophical context
4. Works on existentialist philosophy by Kierkegaard and Nietzsche

These resources help situate Altizer's ideas within larger intellectual traditions and contemporary debates about religion and meaning.

The Impact of the 2003 Paperback on Accessibility

One of the significant benefits of the 2003 paperback edition of "Godhead and the Nothing" is its

accessibility. It brings a once difficult-to-obtain and dense theological text into the hands of a wider audience. This edition's format encourages students, independent scholars, and spiritual explorers alike to engage with Altizer's challenging ideas without the barrier of hefty academic tomes.

Moreover, the paperback's affordability compared to hardcover or rare editions makes it a practical choice for libraries and personal collections. Its presence on digital and physical platforms has ensured that Altizer's provocative theology continues to influence new generations.

Why Collectors and Scholars Value This Edition

Collectors appreciate the 2003 paperback for its historical importance in the trajectory of Altizer's publishing history. Scholars often cite this edition due to its revisions and clearer presentation of concepts. It serves as a crucial reference point in academic works that analyze death-of-God theology and postmodern religious thought.

Final Reflections on "Godhead and the Nothing"

Engaging with "godhead and the nothing by altizer thomas j j 2003 paperback" is an intellectually and spiritually enriching experience. It challenges readers to reconsider everything they thought they knew about God, existence, and the void. Altizer's fusion of theology and philosophy invites a radical openness to the mystery of being and non-being, presence and absence.

For those willing to immerse themselves in its dense but rewarding prose, this book offers a transformative perspective on the nature of divinity in a world that often feels fragmented and uncertain. It's a testament to the enduring power of theological inquiry to provoke thought, inspire dialogue, and deepen our understanding of the sacred in the modern age.

Frequently Asked Questions

What is the main theme of Thomas J. J. Altizer's 'Godhead and the Nothing' (2003)?

The main theme of 'Godhead and the Nothing' is the exploration of the concept of Godhead in relation to nihilism and the philosophical implications of 'nothingness' within theology.

How does Altizer interpret the concept of 'Godhead' in this book?

Altizer interprets 'Godhead' as a dynamic and transformative divine presence that is intertwined with the concept of nothingness, challenging traditional theistic views and emphasizing the death and resurrection of God in a radical theological framework.

What philosophical influences are evident in 'Godhead and the Nothing'?

The book reflects influences from Hegelian dialectics, existentialism, and postmodern philosophy, particularly engaging with ideas about negation, absence, and the death of God.

Is 'Godhead and the Nothing' accessible to readers without a background in theology?

While the book is academically rigorous and dense, readers with a basic understanding of philosophy and theology can engage with its ideas, though some prior knowledge of Altizer's theology and related philosophical concepts is helpful.

What is the significance of the 'Nothing' in the title 'Godhead and the Nothing'?

The 'Nothing' refers to the concept of nihilism and the void that Altizer associates with the death of God, exploring how this nothingness is integral to understanding the divine and its transformation.

How does Altizer's 2003 paperback edition of 'Godhead and the Nothing' differ from earlier works?

The 2003 edition consolidates Altizer's mature theological reflections and offers revisions and clarifications that respond to critiques of his earlier publications, providing a more nuanced discussion of nihilism and the divine.

What role does the death of God play in Altizer's 'Godhead and the Nothing'?

The death of God is central to Altizer's theology, representing a radical break from traditional Christianity and an embrace of nihilism as a necessary phase in the divine self-transcendence and the emergence of a new theological understanding.

Can 'Godhead and the Nothing' be considered part of the Death of God theology movement?

Yes, Altizer is one of the leading figures in the Death of God theology movement, and this book is a significant contribution to that discourse, exploring the implications of God's death for modern theology.

What audience is 'Godhead and the Nothing' best suited for?

The book is best suited for theologians, philosophers, graduate students, and readers interested in radical theology, nihilism, and contemporary philosophical theology.

Additional Resources

****Exploring the Depths of Theology: A Review of *Godhead and the Nothing* by Altizer Thomas J J (2003 Paperback)****

godhead and the nothing by altizer thomas j j 2003 paperback presents a compelling and challenging exploration of radical theology, inviting readers into a profound dialogue about divinity, nihilism, and the nature of existence. This work, authored by the controversial and influential theologian Thomas J. J. Altizer, stands as a significant contribution to contemporary religious philosophy, particularly within the context of death-of-God theology. The 2003 paperback edition offers accessibility to scholars, students, and curious readers eager to engage with Altizer's provocative ideas on the intersection between Godhead and the concept of "nothing."

Altizer's **Godhead and the Nothing** is not simply a theological treatise but a complex philosophical investigation that questions traditional metaphysical assumptions about God and being. His work pushes boundaries by situating the divine within the paradox of absence and presence, existence and negation. The 2003 paperback edition continues to serve as a crucial resource for those interested in postmodern theology, existentialism, and the evolution of religious thought in the late 20th and early 21st centuries.

In-depth Analysis of **Godhead and the Nothing** by Altizer Thomas J J

Altizer's **Godhead and the Nothing** delves deeply into the dialectics of God and nothingness, articulating a theology that embraces the death of God not as an end but as a transformative moment. The 2003 paperback edition maintains the original's dense philosophical prose and intricate argumentation, demanding careful reading and reflection. Altizer challenges the reader to reconsider the divine not as a static, omnipotent entity but as a dynamic force emerging from and dissolving into "the nothing."

The book's core thesis revolves around the idea that the Godhead—the ultimate divine reality—is intimately connected with the concept of nothingness. This notion aligns with philosophical traditions that explore the void or emptiness as a foundational aspect of being, drawing from existentialist and nihilist thought. Altizer's approach is distinct in that he frames the death of God as a liberating process, one that allows for a new understanding of spirituality beyond conventional religious dogma.

The 2003 paperback edition is notable for its accessibility compared to earlier printings, providing a more economical option for academic settings and personal libraries. It also includes a refined introduction and updated bibliographical references, situating Altizer's ideas within ongoing theological debates.

Theological Context and Philosophical Underpinnings

Altizer's work is often associated with the death-of-God movement, which gained prominence in the 1960s and 1970s. However, **Godhead and the Nothing** transcends simplistic interpretations of this movement by engaging with profound questions about existence and transcendence. The text draws

heavily on Hegelian dialectics, Kierkegaardian existentialism, and Heideggerian ontology, weaving these philosophical threads into a unique theological tapestry.

The 2003 paperback edition emphasizes the importance of the paradox at the heart of Altizer's thought: God is both present and absent, existent and non-existent, embodying a tension that defies easy resolution. This paradox challenges readers to rethink traditional Christian notions of omnipotence and immutability, inviting a more fluid and dynamic conception of the divine.

Features of the 2003 Paperback Edition

- **Portability and Accessibility:** The paperback format makes this profound theological work more accessible to a broader audience, including students and general readers interested in modern theology.
- **Updated Preface:** The edition includes an updated preface that contextualizes Altizer's ideas within contemporary theological and philosophical dialogues.
- **Improved Bibliography:** Readers benefit from an expanded bibliography, which facilitates further research and exploration into related theological topics.
- **Durable Binding:** Despite its paperback status, the 2003 edition is noted for its durable binding, suitable for frequent use in academic settings.

Comparative Perspectives: Altizer's Work within Contemporary Theology

When compared to other theological works addressing nihilism and the death of God, **Godhead and the Nothing** stands out for its rigorous philosophical engagement and poetic intensity. Unlike more polemical texts, Altizer's book invites a contemplative and often mystical reflection on the nature of divinity.

In contrast to theologians who seek to reaffirm traditional beliefs, Altizer embraces the rupture and discontinuity brought about by the death of God, positioning this rupture as a necessary stage in the evolution of religious consciousness. This places him in dialogue—yet often in tension—with thinkers such as Karl Barth or Reinhold Niebuhr, who maintain a more classical theistic perspective.

Pros and Cons of **Godhead and the Nothing** by Altizer Thomas J J 2003 Paperback

- **Pros:**

- Offers a groundbreaking and intellectually stimulating approach to contemporary theology.
- Accessible paperback format suitable for students and scholars alike.
- Engages deeply with philosophical traditions, enriching theological discourse.
- Encourages readers to challenge and expand their understanding of divinity.

• **Cons:**

- The dense and abstract language may be challenging for readers without a background in philosophy or theology.
- Its radical ideas may be unsettling or controversial to traditional believers.
- Lacks extensive practical application or pastoral guidance, focusing mainly on theoretical discourse.

The Impact and Legacy of Altizer's *Godhead and the Nothing*

The influence of *Godhead and the Nothing* extends beyond academic theology into broader cultural and philosophical conversations about meaning, existence, and spirituality in the postmodern era. Altizer's daring exploration of nihilism and the death of God resonates with those grappling with the decline of traditional religious authority in the modern world.

The 2003 paperback edition solidifies the book's place as a vital text in theological libraries and academic courses dealing with radical theology, existential philosophy, and religious studies. Its continued relevance speaks to the enduring questions about God, nothingness, and the human condition that Altizer so boldly addresses.

For contemporary readers and scholars, *Godhead and the Nothing* by Altizer Thomas J J remains a challenging yet rewarding text, inviting ongoing reflection on the paradoxes at the heart of faith and existence. The 2003 paperback edition ensures that these provocative ideas remain within reach, fostering dialogue and inquiry in a rapidly changing theological landscape.

[Godhead And The Nothing By Altizer Thomas J J 2003](#)

Paperback

godhead and the nothing by altizer thomas j j 2003 paperback: *Godhead and the Nothing* Thomas J. J. Altizer, 2012-02-01 Eminent theologian Thomas J. J. Altizer breaks new ground by exploring the ultimate transfiguration of the Godhead as a question of the Nihil or nothingness and God. The Nihil is essential to the full actualization of the Godhead in that it fully occurs in both a primordial and an apocalyptic sacrifice of the Godhead. Virtually unexplored by philosophical and theological thinking, the Nihil is luminously enacted in the deepest expressions of the imagination, and most clearly and decisively so in the Christian epic tradition. Altizer looks at the works of philosophers and theologians such as Spinoza, Barth, Hegel, Nietzsche, and epic writers such as Dante, Milton, and Blake to ultimately posit a God that is necessarily a dichotomous God.

godhead and the nothing by altizer thomas j j 2003 paperback: *Neues von Gott?* Philipp David, Anne Käfer, Malte Dominik Krüger, André Munzinger, Christian Polke, 2021-07-30 Theologie ist der Wortbedeutung nach Rede von Gott. Doch spätestens seit der Aufklärung wird der Gegenstand dieser Wissenschaft umstrittener. Das stellt insbesondere die Systematische Theologie in ihrer gegenwartsrelevanten Ausrichtung vor neue Herausforderungen: Ist Gottes Tod das theologische Symbol, in dem diese Rede als mächtiges kulturhermeneutisches Deutungswerkzeug auch heute noch tragfähig ist? Und ist Gott nicht der, der in Wahrheit ein freies Leben ermöglicht? Bietet die anthropologisch basale Wahrnehmung von Gesichtern einen bildhermeneutischen Zugang zum trinitarischen Gottesbegriff? Oder ist dieser eine Chiffre für die Gesamtheit tragfähiger menschlicher Vertrauensbezüge angesichts der Erfahrung gebrochener Verlässlichkeit? Ist der Sinn der Rede von Gott nur unmittelbar aus der Praxis und Pragmatik menschlicher Glaubensäußerungen zu erschließen? All diese Impulse bringen die Beiträge ins Gespräch. Sie eint die Überzeugung: Es gibt von Gott noch viel Neues zu sagen.

godhead and the nothing by altizer thomas j j 2003 paperback: *Sacred Modes of Being in a Postsecular World* Andrew W. Hass, 2021-09-16 How do we talk meaningfully about the sacred in contexts where conventional religious expression has so often lost its power? Inspired by the influential work of David Jasper, this important volume builds on his thinking to identify sacrality in a world where the old religious and secular debates have exhausted themselves and theology struggles for a new language in their wake. Distinguished writers explore here the idea of the sacred as one that exists, paradoxically, in a space that is both possible and impossible: profoundly theological on the one hand, but also deeply this-worldly and irreligious on the other. This is a sacredness that is simultaneously 'present' and 'absent': one which encompasses – as Jasper himself characterises it – 'the impossible possibility of an absolute vision'. The book teaches us that the sacred assumes a renewed potency when fully engaged with the creativity that happens across religion, literature, philosophy and the arts.

godhead and the nothing by altizer thomas j j 2003 paperback: *Facing the Fiend* Eva Marta Baillie, 2014-02-04 Satan is not a theological concept, but a literary character. Systematic and pastoral theology struggles with the existence of Satan and at the same time, the devil inspires authors, poets, artists, and musicians--his true nature in art seems to be creative, even though he is usually associated with destruction. If we want to believe William Blake, the true poet is of the devil's party, without knowing it. The various accounts of the devil in literature and art would certainly promote the theory that Satan himself is working on the side of the artist. While the biblical canon leaves us with many open questions about Satan, the literary canon gives more than enough definitions and interpretations of the devil. Satan is a powerful literary figure, the eternal adversary, object and subject of the story. Without any real substance, he exists in the realm of the narrative, being at the same time destroyer and creator. Satan lends a face to what we experience as evil: the absence of relation, the exile of the soul, the loss of identity, the destruction of the other and the self.

godhead and the nothing by altizer thomas j j 2003 paperback: *Literature and Theology as*

a Grammar of Assent David Jasper, 2017-05-15 Examining the roots of the relationship between literature and theology, this book offers the first serious attempt to probe the deep theological purposes of the study of literature. Through an exploration of themes of evil, forgiveness, sacrament and what it means to be human, David Jasper draws from international research and discussions on literature and theology and employs an historical and profoundly personal journey through the later part of the last century up to the present time. Combining fields such as bible and literature, poetry and sacrament, this book sheds new light on how Christian theology seeks to remain articulate in our global, secular and multi-faith culture.

godhead and the nothing by altizer thomas j j 2003 paperback: Writing Faith Timothy Stanley, 2017-02-01 Current digital transformations of information technology have given rise to an explosion of scholarly interest in the history of the book. Although this research has focused predominantly on the rise of movable type after Gutenberg, the second-to-fifth-century-CE transition from scroll to codex warrants renewed attention. Here, a peculiar footnote comes to the fore: Christians were early adopters of the codex for their sacred scriptures. In *Writing Faith*, Timothy Stanley begins with a novel investigation into Jacques Derrida's unanswered question concerning the mediatic nature of Christianity. There, the relationship between writing and faith comes into sharper focus. It is in this light that the codex's cosmopolitan capacity for transmitting the written word can be re-evaluated in its scrolled Greco-Roman and Jewish bibliographic contexts. Christian faith is bound up in this technical development, and can inform how religious mediation is understood after Derrida. *Writing Faith* aims to recover vital questions for today's digital times.

godhead and the nothing by altizer thomas j j 2003 paperback: Dionysus and Apollo after Nihilism Carlos A. Segovia, Sofya Shaikut Segovia, 2023-02-17 This book recovers Dionysus and Apollo as the twin conceptual personae of life's dual rhythm in an attempt to redesign contemporary theory through the reciprocal affirmation of event and form, earth and world, dance and philosophy. It revisits Heidegger and Lévi-Strauss, and combines them with Roy Wagner, with the purpose of moving beyond Nietzsche's manifold legacy, including post-structuralism, new materialism, and speculative realism. It asks whether merging philosophy and anthropology around issues of comparative ontologies may give us a chance to re-become earthbound dwellers on a re-worlded earth.

godhead and the nothing by altizer thomas j j 2003 paperback: From the Golem to Freedom Gábor L. Ambrus, 2024-02-08 With a particular focus on social media, Gábor L. Ambrus explores how human beings relate to contemporary information technology. Ambrus argues that religious traditions – such as Judaism and Christianity, as well as secular philosophical thought inspired by religion – can be invoked to describe both the freedom and 'unfreedom' of the user of information technology. To illustrate how individuals relate to technology in a restricted and totalitarian online environment, Ambrus adopts the figure and legend of the golem from Jewish mysticism. At the same time, his argument features other religious concepts and themes to describe an alternative to our present predicament of 'unfreedom', while not seeking to portray any 'redemption' outside the technological environment. At the core of his argument, Ambrus presents the experience of nothingness as a source of freedom, opening up the possibility for a free relationship for us all with information technology.

godhead and the nothing by altizer thomas j j 2003 paperback: Resurrecting the Death of God Daniel J. Peterson, G. Michael Zbaraschuk, 2014-05-01 Considers the legacy and future of radical theology. In 1966, an infamous *Time* magazine cover asked "Is God Dead?" and brought the ideas of theologians William Hamilton and Thomas J. J. Altizer to the wider public. In the years that followed, both men suffered professionally and there was no notable increase to the small number of thinkers considered death of God theologians. Meanwhile, Christian fundamentalism staged a striking comeback in the United States. Yet, death of God, or radical, theology has had an ongoing influence on contemporary theology and philosophy. Contributors to this book explore the origins, influence, and legacy of radical theology and go on to take it in new directions. In a time when fundamentalism is the greatest religious temptation, this volume makes the case for the necessity of

resurrecting the death of God. □Resurrecting the Death of God shows why Altizer continues to ride the stream of contemporary conversations in academic theology and continental philosophy without ever losing his luster.□ □ Carl A. Raschke, author of Postmodernism and the Revolution in Religious Theory: Toward a Semiotics of the Event

godhead and the nothing by altizer thomas j j 2003 paperback: Auden's O Andrew W. Hass, 2013-11-01 Explores the rise of the idea of nothing in Western modernity and how its figuration is transforming and offering new possibilities. In this groundbreaking, interdisciplinary history of ideas, Andrew W. Hass explores the ascendancy of the concept of nothing into late modernity. He argues that the rise of the reality of nothing in religion, philosophy, and literature has taken place only against the decline of the concept of One: a shift from a sovereign understanding of the One (unity, universality) toward the □figure of the O□□a cipher figure that, as nonentity, is nevertheless determinant of other realities. The figuring of this O culminates in a proliferation of literary expressions of nothingness, void, and absence from 1940 to 1960, but by century's end, this movement has shifted from linear progression to mutation, whereby religion, theology, philosophy, literature, and other critical modes of thought, such as feminism, merge into a shared, circular activity. The writer W. H. Auden lends his name to this O, his long poetic work *The Sea and the Mirror* an exemplary manifestation of its implications. Hass examines this work, along with that of a host of writers, philosophers, and theologians, to trace the revolutionary hermeneutics and creative space of the O, and to provide the reasoning of why nothing is now such a powerful force in the imagination of the twenty-first century, and of how it might move us through and beyond our turbulent times.

godhead and the nothing by altizer thomas j j 2003 paperback: American Philosophical Quarterly Nicholas Rescher, 2004

godhead and the nothing by altizer thomas j j 2003 paperback: Living the Death of God Thomas J. J. Altizer, 2012-02-01 Theologian Thomas J. J. Altizer became both famous and infamous as the chief spokesman for death-of-God theology in the 1960s. In the years that followed, he has created a theological tradition that has influenced all succeeding generations of theologians. *Living the Death of God* is Altizer's theological memoir. Taking us from his transformation as a theological student to his present life of solitude, Altizer recapitulates the voyage to create a truly new theology. The memoir recounts each stage of this voyage, from being overwhelmed by Satan to a conversion to the death of God and an extensive and even ecstatic preaching of the death of God. However, this is the death of that God who is the wholly alienated God, a death realizing anew the crucified God or the apocalyptic Christ. Written with Altizer's characteristic elegance, this book is fascinating on its own account, but can also serve the reader as a companion or introduction to Altizer's body of work.

godhead and the nothing by altizer thomas j j 2003 paperback: The Autism of Gxd Ruth M. Dunster, 2022-12-02 *The Autism of Gxd: An Atheological Love Story* is truly a love story--the story of Ruth Dunster's autistic search for an authentic, personal, and theological Gxd. In this, it resembles Augustine's *Confessions*, as a theological autobiography. It becomes atheological, however, as Dunster reckons with what Denys Turner terms *The Darkness of God*. This awareness leads her through the poetry of Medieval mystics to the mythic death of God theology of Thomas J. J. Altizer. The search for faith is nonetheless very real in this strange territory. Dunster hears her autistic Gxd speaking in art, poetry, novels, and music; and this further leads her into the territory of Literature, Theology, and the Arts, where, in Blanchot's words, the answer is the poem's absence. Indeed, Dunster calls the book a strange poem, or even a hymn. Weaving an autistic mythology out of a rigorous survey of clinical autism, this book abounds in challenge and paradox. It offers a fascinating view into how an autistic poet becomes a theologian; and what more mainstream theologies might learn from this disabled Gxd.

godhead and the nothing by altizer thomas j j 2003 paperback: The Call to Radical Theology Thomas J. J. Altizer, 2013-01-02 The major death-of-God theologian explores the meaning and purpose of radical theology.

godhead and the nothing by altizer thomas j j 2003 paperback: *Melancholy and the*

Otherness of God Alina N. Feld, 2011-01-01 This probing study of melancholy invites readers to view depression genealogically through the history of its interpretation. It plumbs interior depths where psychology, theology, philosophy, and literary creation intersect. Therapies proposed for the dark mood have included work, prayer, care of the self, and deepening awareness of its indispensable role in the development of consciousness of oneself and God. Reflecting on these historical responses and cures can prompt a personal exploration, making this a practical manual for self-knowing and self-transcending, a philosophical guide for the depressed.

godhead and the nothing by altizer thomas j j 2003 paperback: Creation and Creativity Caroline Vander Stichele, Alastair G. Hunter, 2006 The idea of creation and creativity is among the most powerful and pervasive of metaphors bequeathed to the modern world by the scriptures of Judaism, Christianity and Islam. Twelve specialists here explore the original sources and contemporary manifestations of the theme in both high and low culture, from the Book of Genesis to James Joyce's *Ulysses*, Children of Gebelawi by the Egyptian novelist Naguib Mahfouz, and the Polish poetry of Wislawa Szymborska, and to popular films, such as *Bruce Almighty* and *Animatrix*, and animation films for children. Even current debates on genetics and ecology and the public exhibition of plastinated human bodies invoke these same themes, and make this volume a topical contribution to cultural studies today. Jonneke Bekkenkamp, Why on Earth? Creation and Creativity in the Vocabularies of Patricia de Martelaere, Wislawa Szymborska and Julia Cameron Athalya Brenner, Recreating the Biblical Creation for Western Children: Provisional Reflections on Some Case Studies Wim Drees, Vocabularies of Creation and Creativity in Debates on Genetics and Ecology Jan Willem van Henten, Playing God in the Movies: Bruce Almighty and the Preposterous History of Genesis 1:26-27 Alistair Hunter, Creation out of (almost) Nothing or Does God Wear Genes? Alison Jasper, Mysteries under Your Skin David Jasper, 'Down through all Christian minstrelsy': Genesis, James Joyce and Contemporary Vocabularies of Creation Louise Joy Lawrence, Tracing Tricksters: Creation and Creativity in John's Gospel Richard van Leeuwen, Creation and Revelation in Naguib Mahfouz's Novel Children of Gebelawi Lloyd Ridgeon, Is the God of Islam an Evil Creator?
