

business school by robert kiyosaki

Business School by Robert Kiyosaki: Unlocking Financial Education for Entrepreneurs

business school by robert kiyosaki isn't your typical academic institution. Instead, it's a revolutionary approach to financial education crafted by one of the most influential personal finance authors and entrepreneurs of our time. Robert Kiyosaki, best known for his bestselling book **Rich Dad Poor Dad**, created his own business school to teach individuals the real-world skills and mindset needed to succeed in today's economy. Unlike traditional business schools that often focus on theory and textbook knowledge, Kiyosaki's program emphasizes practical lessons in investing, money management, and entrepreneurial thinking.

If you've ever wondered why so many people struggle with money despite having a college degree, Kiyosaki's business school offers insightful answers and actionable solutions. This article dives deep into what the business school by Robert Kiyosaki entails, how it differs from conventional education, and why it's gaining traction among aspiring entrepreneurs and investors worldwide.

What Is the Business School by Robert Kiyosaki?

Robert Kiyosaki's business school is not a brick-and-mortar institution but a series of educational resources, workshops, and mentorship programs designed to teach financial literacy and entrepreneurial skills. It's built on the principles outlined in his books, especially **Rich Dad Poor Dad**, where he contrasts the financial mindset of his two "dads" – one who was financially educated and one who wasn't.

The core mission of Kiyosaki's business school is to equip everyday people with the tools to generate passive income, understand the power of assets versus liabilities, and build wealth through smart investing. The program covers topics such as real estate investing, stock market strategies, small business development, and financial independence.

Key Components of Kiyosaki's Business Education

Unlike standard curriculum focused on accounting or management theories, the business school by Robert Kiyosaki centers around:

- ****Financial Literacy:**** Understanding how money works, how to read financial statements, and recognizing the difference between assets and liabilities.

- **Entrepreneurship:** Encouraging students to think like business owners rather than employees.
- **Investing:** Teaching practical investment strategies, especially in real estate and the stock market.
- **Mindset Development:** Cultivating the right mental attitudes toward risk, failure, and opportunity.

This hands-on, mindset-focused education aims to prepare students for real financial challenges, rather than just preparing them for jobs.

How the Business School by Robert Kiyosaki Differs from Traditional Business Schools

One of the most striking aspects of Kiyosaki's business school is its departure from traditional academic models. Conventional business schools often emphasize theoretical knowledge, case studies, and corporate management, sometimes neglecting personal finance and entrepreneurship for the everyday person.

Practical Learning Over Theory

In Kiyosaki's approach, the emphasis is heavily on practical application. For instance, students might learn how to analyze a real estate deal or understand cash flow statements rather than memorizing business jargon or formulas. This practical orientation helps students immediately apply what they learn to their personal finances or business ventures.

Focus on Cash Flow and Asset Building

While many business programs focus on profits or revenue growth, Kiyosaki's curriculum centers on generating positive cash flow and building assets that produce income over time. This distinction is critical because it shifts the focus from short-term gains to long-term wealth creation.

Developing an Entrepreneurial Mindset

The business school by Robert Kiyosaki instills a mindset geared towards ownership, innovation, and calculated risk-taking. This contrasts with traditional education that often prepares students for employment rather than entrepreneurship. In fact, Kiyosaki encourages students to think beyond job security and explore opportunities to create multiple income streams.

Why Financial Education from Robert Kiyosaki Matters Today

In today's fast-changing economy, financial education is more important than ever. The traditional path of working a 9-to-5 job and saving money isn't sufficient for many people to achieve financial freedom. Robert Kiyosaki's business school addresses this gap by providing education that is relevant to current economic realities.

Bridging the Financial Literacy Gap

Studies show that a significant portion of the population lacks basic financial literacy, leading to poor money management, debt accumulation, and missed investment opportunities. Kiyosaki's business school fills this void by teaching clear, actionable concepts that anyone can understand and implement.

Preparing for Economic Uncertainty

The global economy is unpredictable, with recessions, inflation, and job disruptions happening more frequently. Kiyosaki's teachings prepare students to diversify their income, build resilient financial structures, and leverage investments that can withstand economic downturns.

Empowering Individual Wealth Creation

Rather than relying on employers or government programs, Kiyosaki's program empowers individuals to take control of their financial destinies. This empowerment encourages innovation, self-reliance, and confidence in managing money.

Inside the Curriculum: What You Learn in Robert Kiyosaki's Business School

The business school by Robert Kiyosaki offers various courses and resources, often through seminars, online platforms, and books. Here's a closer look at some of the core subjects covered:

Understanding Assets and Liabilities

A foundational lesson in Kiyosaki's teachings is the difference between assets and liabilities. Many people confuse the two, often acquiring liabilities thinking they are assets. Kiyosaki defines assets as things that put money in your pocket, such as rental properties or dividend-paying stocks. Liabilities, conversely, drain money, like car loans or credit card debt.

Mastering Cash Flow Management

Cash flow is the lifeblood of any business or personal finance strategy. The business school teaches how to track, analyze, and optimize cash flow to ensure steady income growth and financial stability.

Investing in Real Estate

Real estate investing is a cornerstone of Kiyosaki's wealth-building strategy. Students learn how to evaluate properties, negotiate deals, finance purchases, and manage rental income for long-term profitability.

Entrepreneurship and Business Ownership

The program encourages students to start their own businesses or develop side hustles. Lessons cover business planning, marketing, leadership, and leveraging technology to scale operations.

Financial Statement Literacy

Reading and interpreting financial statements is critical for making informed decisions. Kiyosaki's business school breaks down balance sheets, income statements, and cash flow statements into understandable parts.

Who Should Consider Joining Robert Kiyosaki's Business School?

The business school by Robert Kiyosaki appeals to a wide range of learners but is especially beneficial for:

- ****Aspiring Entrepreneurs:**** People wanting to launch or grow their own

businesses.

- **Investors:** Individuals interested in real estate, stocks, or other income-generating assets.
- **Employees Seeking Financial Freedom:** Those looking to supplement income and eventually transition from employment to entrepreneurship.
- **Students and Young Adults:** Young people who want to start their financial journey early with a strong foundation.

Because the program is designed to be accessible and practical, it suits both beginners and those with some business experience.

Tips for Getting the Most Out of the Business School Experience

If you decide to explore Robert Kiyosaki's business school, consider these tips to maximize learning:

1. **Engage Actively:** Participate in workshops, ask questions, and apply lessons to your personal situation.
2. **Take Notes and Review:** Financial concepts can be complex; reviewing material helps solidify understanding.
3. **Network with Peers:** Connect with other students to share ideas and opportunities.
4. **Commit to Action:** Knowledge alone isn't enough—take concrete steps toward investing or starting a business.
5. **Stay Open-Minded:** Challenge traditional beliefs about money and embrace the entrepreneurial mindset.

Resources and Tools Offered by Robert Kiyosaki's Business School

Beyond courses, the business school by Robert Kiyosaki provides a variety of tools designed to enhance financial education:

- **Books and Workbooks:** Including *Rich Dad Poor Dad*, *Cashflow Quadrant*, and other titles that lay the groundwork for financial intelligence.
- **Online Platforms:** Interactive learning portals with videos, quizzes, and community forums.
- **Board Games:** The famous *Cashflow* game simulates investing and money management in a fun, hands-on way.
- **Live Seminars and Webinars:** Opportunities to learn directly from Kiyosaki or certified instructors.
- **Coaching and Mentoring:** Personalized guidance for those serious about building wealth.

These resources create a comprehensive ecosystem for learning and growth.

Robert Kiyosaki's business school has transformed the way many people think about money and business. By focusing on financial literacy, practical skills, and mindset shifts, it offers a refreshing alternative to traditional education. Whether you're just beginning your financial journey or looking to expand your investment knowledge, exploring what Kiyosaki's business school has to offer might be the catalyst you need to take control of your financial future.

Frequently Asked Questions

What is 'Business School' by Robert Kiyosaki about?

'Business School' by Robert Kiyosaki is a book that teaches readers the fundamentals of entrepreneurship and financial education, emphasizing the importance of financial literacy over traditional education.

How does Robert Kiyosaki define 'Business School' in his book?

Robert Kiyosaki defines 'Business School' as the practical education one receives from starting and running a business, which he argues is more valuable than conventional academic business programs.

What are the key lessons from Robert Kiyosaki's 'Business School'?

Key lessons include understanding cash flow, the importance of assets over liabilities, financial independence, and the mindset needed to succeed as an entrepreneur.

Is 'Business School' by Robert Kiyosaki suitable for beginners?

Yes, 'Business School' is designed for beginners and aspiring entrepreneurs who want to learn the basics of business and financial education in an easy-to-understand manner.

How does 'Business School' by Robert Kiyosaki differ from traditional business school education?

Kiyosaki's 'Business School' focuses on real-world experience, financial literacy, and practical entrepreneurship instead of theory, case studies, and corporate employment preparation typical of traditional business schools.

Does Robert Kiyosaki recommend formal education in business?

Kiyosaki acknowledges the value of education but stresses that formal education alone is insufficient for financial success; practical business experience and financial education are crucial.

What role does financial literacy play in 'Business School' by Robert Kiyosaki?

Financial literacy is central to 'Business School,' as Kiyosaki argues that understanding money, investing, and managing finances is essential for building wealth and running a successful business.

Can 'Business School' by Robert Kiyosaki help improve entrepreneurial skills?

Yes, the book provides practical advice, mindset shifts, and financial strategies that can help readers develop and enhance their entrepreneurial skills.

Business School by Robert Kiyosaki: An In-Depth Review and Analysis

business school by robert kiyosaki represents a distinctive approach to financial education that has garnered significant attention in the realm of personal finance and entrepreneurial learning. Known primarily for his bestselling book "Rich Dad Poor Dad," Robert Kiyosaki has extended his philosophy through this business school program, aiming to equip individuals with practical financial intelligence and investment strategies. This article delves into the structure, content, and pedagogical approach of the business

school by Robert Kiyosaki, evaluating its strengths and areas where prospective students should exercise caution.

Understanding the Business School by Robert Kiyosaki

The business school by Robert Kiyosaki is not a traditional academic institution but rather an online platform designed to teach financial literacy, entrepreneurship, and investment skills. It aligns with Kiyosaki's core belief that conventional education systems often neglect teaching practical money management and wealth-building strategies. The program focuses on real-world application, targeting individuals interested in generating passive income, understanding asset management, and developing entrepreneurial mindsets.

At its core, the business school offers a variety of courses, seminars, and interactive tools that emphasize the importance of financial education. By adopting Kiyosaki's "Rich Dad" philosophy, the curriculum encourages learners to think beyond the typical employee mindset and explore avenues such as real estate investing, stock market participation, and business ownership.

Curriculum and Course Structure

The curriculum is designed to cater to different levels of financial knowledge, from beginners to more advanced investors. Key modules typically include:

- **Financial Education Fundamentals:** Covering cash flow management, understanding assets vs. liabilities, and budgeting techniques.
- **Real Estate Investing:** Emphasizing how to evaluate properties, leverage financing, and generate rental income.
- **Stock Market Basics:** Introducing stock market mechanisms, risk management, and investment strategies.
- **Entrepreneurship Essentials:** Guidance on starting and scaling businesses, along with mindset training.
- **Advanced Wealth Building:** Exploring tax strategies, asset protection, and creating diversified income streams.

These modules are often complemented by live webinars, group coaching sessions, and access to a community of like-minded learners, which enhances

the interactive and practical nature of the program.

Evaluating the Philosophy Behind Kiyosaki's Business School

Robert Kiyosaki's business school is heavily influenced by his personal financial journey and the lessons he distilled from his "Rich Dad" and "Poor Dad" narratives. The program challenges conventional wisdom by advocating for financial independence through investment and entrepreneurship rather than reliance on traditional employment or retirement plans.

One of the distinctive pedagogical features is the emphasis on financial education as a continuous process rather than a one-time achievement. Kiyosaki stresses the importance of developing financial IQ, which encompasses knowledge of accounting, investing, markets, and law. This comprehensive approach differentiates his business school from many online courses that focus narrowly on one aspect of wealth building.

Comparing Traditional Business Education and Kiyosaki's Model

Traditional business schools typically offer formal degrees with structured coursework in finance, marketing, management, and economics. In contrast, business school by Robert Kiyosaki prioritizes practical skills over academic theory. This can be advantageous for learners seeking actionable knowledge without the time and financial commitments of formal education.

However, the absence of accreditation and formal certification may be a downside for those looking for credentials that are recognized in corporate settings. Instead, the value proposition here lies in the ability to apply learned concepts directly to personal and entrepreneurial ventures.

Pros and Cons of Business School by Robert Kiyosaki

Advantages

- **Practical Focus:** The curriculum is designed to deliver actionable insights that can be implemented immediately.

- **Accessible Format:** Online delivery allows global access and flexible learning schedules.
- **Community Support:** Participants benefit from networking opportunities and peer support groups.
- **Holistic Financial Education:** Covers a broad spectrum of financial topics beyond traditional business education.

Potential Drawbacks

- **Lack of Formal Accreditation:** May limit professional recognition outside of entrepreneurial circles.
- **Marketing and Upselling:** Some users report aggressive marketing tactics for additional products and seminars.
- **Variable Depth:** While introductory content is strong, advanced topics may require supplementary resources.

Who Should Consider Enrolling?

The business school by Robert Kiyosaki is particularly suitable for aspiring entrepreneurs, real estate investors, and individuals dissatisfied with traditional financial advice. Those who seek to develop a mindset oriented toward wealth creation and financial independence may find the program's philosophy and tools valuable.

Conversely, individuals looking for formal business qualifications or those who prefer a more academic approach might find the program lacking in rigorous theoretical foundations. Given its entrepreneurial slant, the course content can be especially beneficial for self-starters willing to apply unconventional tactics.

Real-World Impact and Testimonials

Many students of the business school highlight its motivational impact and the paradigm shift it fosters regarding money and financial freedom. Success stories often revolve around improved financial decision-making, increased confidence in investments, and launching small businesses.

However, as with any educational program, outcomes vary widely depending on individual commitment and external factors. It is crucial for prospective learners to approach the business school with realistic expectations and a willingness to engage actively.

Integrating Business School by Robert Kiyosaki into Your Financial Journey

For those exploring alternative financial education platforms, the business school by Robert Kiyosaki offers a distinctive blend of mindset coaching and practical financial strategies. Its emphasis on financial literacy, investment savvy, and entrepreneurship can complement traditional education or serve as a standalone resource for personal wealth development.

When combined with other financial learning tools—such as investment courses, accounting tutorials, and market analysis—Kiyosaki's business school can form a foundational pillar for comprehensive financial growth. As financial landscapes evolve, the adaptability and real-world orientation of this program remain its strongest selling points.

In summary, the business school by Robert Kiyosaki embodies a unique educational model that challenges conventional financial learning paradigms. Its focus on practical application, community engagement, and continuous learning offers a valuable alternative for individuals determined to take control of their financial futures.

business school by robert kiyosaki: Einstein's Business Dawson Church, 2007-01-10 At this threshold of our species' evolution there is an increasing recognition that new approaches are needed to create the radical changes necessary for humanity to survive on this planet. Business is not exempt-it's at the center of this radical change. Business can even be the lynchpin around which the rest of social transformation takes place, and can lead the way as we relinquish our addiction to control and to the extreme competitiveness that has paralyzed us and prevented us from uniting to address the urgency of the crisis at hand. In this anthology, some of the best-selling business authors of today infuse their visions, experiences, and insights into the ongoing conversation about how to find solutions to seemingly impossible challenges. The guiding principles for the book are derived from the inspiring, timeless wisdom of Albert Einstein, a man who modeled the ability to be a channel for intuitive, imaginative, and collective intelligence. From that realm we can draw on collective intelligence to re-invent ourselves and transform business.

business school by robert kiyosaki: Vertriebspartner im Direktvertrieb Gudrun Anders, 2015-03-04 Direktvertrieb und Network-Marketing gehören zu den Vertriebsformen der Zukunft. Immer mehr Menschen wollen von Zuhause aus arbeiten, ihren Laptop und das Internet nutzen, um sich einen Nebenverdienst oder sogar Ihren Lebensunterhalt damit zu verdienen. Viele wollen einfach raus aus der täglichen Tretmühle, wollen nicht mehr zur (ungeliebten) Arbeit gehen. Sie wollen ihre Kreativität ausleben, kommunizieren, im angenehmen Kontakt mit ihren Mitmenschen sein - und tun was Spaß bringt. Für diese Menschen kann Network-Marketing der richtige Weg sein. Lesen Sie hier, warum.

business school by robert kiyosaki: *Fake Promises* Johannes Strauß, 2020-11-09 Dieses Buch ist kein gewöhnliches Buch einer Erfolgsstory, wie man sonst Bücher aus dieser Branche kennt. Es erzählt einerseits meine Geschichte mit meinem Tiefpunkt und es zeigt auf, warum ich mit Network Marketing (NM) begonnen habe. Ich bin ein ganz normaler Durchschnittsmensch, wie fast jeder andere auch. Jedoch habe ich große Ziele und ich bin sicher ich werde sie erreichen. Dies war nicht immer so. Durch meine Persönlichkeitsentwicklung, weiß ich nun genau auf was es ankommt, um Erfolg zu haben. In diesem Buch führe ich den Leser vor Augen, welche Chance NM für absolut jeden bietet und gebe auch meine guten, sowie schlechte Erfahrungen wieder. In dieser Branche gibt es so viele schwarze Schafe, Vorurteile und Missverständnisse, die ich aufdecke und ihnen entgegen wirke. Gerade durch meine ehrliche Art und das Aufzeigen, dass ich jemand bin, wie jeder andere auch, sollten sich viele Leser mit mir identifizieren können. Jedoch bietet das Buch noch viel mehr. Es zeigt Missstände in unserer Gesellschaft auf. Gefangen in unserem Hamsterrad, zeige ich auf, dass es weitere Möglichkeiten gibt, als immer nur in einem Angestelltenverhältnis zu leben. Wir können uns unsere Freiheit erarbeiten und wer das Buch liest, wird genau wissen, wie er das schaffen kann.

business school by robert kiyosaki: Mastership Master Lorne Davidson, 2018-02-26 In 1996 at the age of 48, Lorne Davidson declared bankruptcy and was forced to take a hard look at his life as a touring musician. With debts racking up and no answers in sight, he felt he had hit rock bottom. After a suggestion from his wife to try taekwondo to help him relax and release some stress, he agreed to a few lessons, and he was hooked. *Mastership: From Bankruptcy to a New Life* is an autobiography of a twenty-year journey to achieving the title of Master Instructor in Songahm Taekwondo, at the age of sixty-nine. After successfully testing for his sixth-degree black belt, achieving a goal he set for himself in 1997, Lorne Davidson reflects on the changes taekwondo has brought to his life. *From Bankruptcy to a New Life* is a story of dedication, hard work, and hope. It's

a reminder that there truly are second chances in life, no matter what our age or situation.

business school by robert kiyosaki: Learn and Grow Daily! Sanford Berenberg, 2009-03 Learn and Grow Daily! is about a journey toward self-improvement for everyday people like you and me. It is a journey which can start from wherever you are in life now, no matter who you are, or where you are in your life. Learn and Grow Daily! is about personal transformation from being a passenger in life, to becoming a life-long learner and taking control of life. It is a story of how anyone can take the same journey and learn and grow daily to become the person you were meant to be. Learn and Grow Daily! is a compilation of knowledge gained from some of the world's most gifted researchers, consultants and leadership experts. Learn and Grow Daily! opens your eyes to improvements you can make within your own life by reading, learning and applying to growing daily. Are you ready to learn and grow? Sanford Berenberg is an everyday person like you. In his travels through life, going to school, college and entering the workforce he found it was not enough to survive, much less thrive in today's complex society. Downsized and running out of options, Sanford made a decision to change the direction of his life. He became a life-long learner and turned his life around. He has now started reaching out to help others to do the same through his continued learning and his 'Messages of the Day' and this first book. Sanford is a 20 year veteran of the customer service industry having worked in the software development, bank card, health insurance, and professional services industries from entry level to middle management. He has a Bachelor's degree and an MBA from the University of Phoenix. Sanford lives in Louisville, Kentucky with his loving wife, Karen, and two wonderful step-daughters, Stephanie and Samantha.

business school by robert kiyosaki: Die Geschichte eines Schmetterlings Karin Schäfer, 2020-08-19 Durch Lebenskrisen und Verzweiflung hin zur Selbsterkenntnis und höchsten Glückseligkeit. Immer wieder aufstehen. Die Kraftquelle IN SICH SELBST erschließen und das Feuer der Liebe IN SICH brennend in anderen entzünden, vom Himmel geführt, von Mutter Erde

getragen, im Selbstvertrauen und unerschütterlichen Gottvertrauen authentisch seinen eigenen Weg gehen, voller Mut und Zuversicht glücklich SEIN; Erfüllung im Leben finden. Dem Sinn des Lebens auf der Spur... LIEBE und FREUDE pur... FRIEDEN auf Erden... beginnt... IN DIR... IN MIR... IM WIR. Auch Krankheit kann ein Freund sein, ein Akt der Liebe, unseres Lebens, um uns auf unseren eigenen ganz individuellen Weg zu bringen, der uns für diese kurze Zeit auf Erden angedacht ist und den wir in unserem Seelenplan mitgebracht haben. Es ist eine Herausforderung an unser menschliches Ego, weil wir dadurch aus unserer Komfortzone heraustreten müssen, unsere Entwicklung Wege-n! Unsere Seele hat die Möglichkeit, mit uns über unseren Körper, unsere Emotionen und Gefühle zu kommunizieren. Ziel ist es, im Bewusstsein als Mensch zu erwachen bis hin zur Vollendung. Mein Buch möge Ermutigung sein für alle, die sich in schwierigen Lebenssituationen befinden. Um darin nicht steckenzubleiben ist es Notwendig, sich als ganzheitliches, göttliches Wesen zu erkennen, dem dieselbe Schöpferkraft innewohnt, jener Kraft, die uns geschaffen hat. Wenn wir unterscheiden lernen zwischen Ego-Wille und Herzenswunsch, welcher sich durch unsere Anbindung an unsere göttliche Natur zum Ausdruck bringt, sind wir auch mehr und mehr in der Lage, unsere wahre Bestimmung zu leben. Meine Geschichte und dieses daraus entstandene Buch beinhaltet 10 Jahre Herzblut. Sowohl das, meines Seelengefährten als auch meines. Er hat seine Metamorphose vollzogen durch den physischen Tod. Der Läuterungsprozess für seine Seele war sein Krankheitsverlauf und schließlich der Sterbeprozess. Ich glaube daran, dass es für ihn die Vollendung seiner Seele war. Und deshalb kann ich nicht mehr darüber traurig sein, weil es ein Wiedersehen gibt für alle(s), was in Liebe ist! Für mich bedeutete es meine spirituelle Transformation, meine Bewusstseinsentwicklung, um auf diesem inneren Weg meine Seele nach Hause zu tragen. Es geht mehr denn je um die Gnade der Heilung in dieser und in den geistigen Welten. Bedingungslose, allumfassende Liebe ist der Schlüssel.

business school by robert kiyosaki: *21 Days of Unconditional Solitary* J. Tanisha, 2020-05-10 This publication characterises all 21 days of the primary lockdown in India. It depicts the activists involved, routine followed and certain life virtues from mine to yours. It also proclaims some facts and incidents which happened in the country during that period. Living life with more than needed free-time, locked in our homes with the hyping uncertainty around death, suffering and fear topped up with mental stress and a never encountered market crash.

business school by robert kiyosaki: *Fixed* John Y. Campbell, Tarun Ramadorai, 2025-10-21 Two leading economists reveal why today's personal finance markets are rigged against us and offer practical steps to fix them. We interact with the financial system every day, whether taking out or paying off loans, making insurance claims, or simply depositing money into our bank accounts. Fixed

exposes how this system has been corrupted to serve the interests of financial services providers and their cleverest customers—at the expense of ordinary people. John Campbell and Tarun Ramadorai diagnose the ills of today’s personal finance markets in the United States and across the globe, looking at everything from short-term saving and borrowing to loans for education and housing, financial products for retirement, and insurance. They show how the system is “fixed” to benefit those who are wealthy and more educated while encouraging financial mistakes by those who are aren’t, making it difficult for regular consumers to make sound financial decisions and disadvantaging them in some of the most consequential economic transactions of their lives. Campbell and Ramadorai describe how some even opt out of the financial system altogether, relying on unregulated and often shady mechanisms to implement necessary financial functions, with dire consequences for individuals, families, and the economy more broadly. With the explosive growth of the global middle class, longer lifespans, and greater numbers of seniors managing their money alone, the pitfalls of personal finance now affect billions of people around the world. *Fixed* proposes concrete solutions that harness the expertise of economists, the power of government, and the speed of technology to restore fairness and trust in our broken system and make it work better for ordinary people.

business school by robert kiyosaki: Network Marketing Dr Neo, 2014 Starting a network marketing business is ideal for those who want to achieve the status and qualifications of a self-made millionaire. This is a valuable tool for both new and experienced network marketers that reveals successful ideas and strategies.
