Moments 'til Midnight creatively peels back the curtain of Paul's final hours. Author Brent Crowe imaginatively retells the last twelve hours of Paul's life, from the perspective of the apostle himself. Along the way, readers will be encouraged to live with purpose, to redeem the time, and to embrace the awesome reality that they too are on a sacred journey. With no more letters to write, no more churches to plant, no more sermons to preach, and no more missionary journeys to embark upon, Paul awaited his death sentence. What were his final reflections on life? How did he view the race he had run? How should you view the race set before you?

He has paid the full price Himself for our violations of His holiness so our failure to respond in faith constitutes rejection and has the consequence of eternal separation from Him. The main reason you haven't responded is that you haven't taken the time to look you have simply been going along with the crowd.
