Character Development and Interpersonal Dynamics

One of the most compelling aspects of *Babysitting the Baumgartners* by Selena Kitt is its approach to character development. The titular babysitter is portrayed not merely as a plot device but as a fully realized individual with desires, insecurities, and motivations. Her interactions with the Baumgartner family members are depicted with a mix of tension and tenderness, adding layers to the narrative beyond its erotic premise.

The Baumgartners themselves are painted with varying shades of complexity. The family members are neither purely antagonists nor idealized figures; instead, they embody the contradictions and challenges inherent in human relationships. Mrs. Baumgartner turned her face to me after they went in, resting her cheek on her folded arms. Doc and I were just talking last night about how much you've done for us over the years. The kids adore you. You're like part of the family. I flushed. Thanks. You deserve a good vacation. She smiled, her eyes creasing at the corners. I wondered how old she was. It was hard for me to judge how old people were--to me, they just seemed either old or young. Mrs. B wasn't really either. It's the least we can do. If I can get a tan, that will be reward enough. I grabbed the oil next to my towel and poured some into my hands. I worked more of it into my thighs and over my smooth, flat belly. I noticed her watching me. Do you want some? Sure. She took the bottle and sat up to squeeze a pool of glistening liquid into her palm, rubbing it over her shoulders and arms. I slipped my boy short bottoms aside, checking for a tan line. I actually had one, which was thrilling, although it wasn't as dark as I wanted it to be. You can take it off. Mrs. Baumgartner untied her black bikini top around the neck and I stared as she started to spread oil over her full, naked breasts. I knew I was staring, but I couldn't help it. Her skin was smooth and tawny--even there. Her nipples were brown, vastly different from my light pink ones. Wh-what? I stammered. I was still staring. She smoothed oil over her belly, which was softer and a little more rounded than mine, working it under the strings of her bikini and down into the grooves of her thighs. Your top. She massaged oil into her thighs and calves. You can take it off--so you won't have any tan lines. She lay on her back on the blanket, glancing over at me. I must have looked shocked. No one can see, Veronica. It's a private beach--just us.

babysitting the baumgartners by selena kitt: Baumgartner Shorts Selena Kitt, 2012-01-21 Get both Meet the Baumgartners and A Baumgartner Christmas, two stories in Selena Kitt's bestselling Baumgartner series never before available in print! MEET THE BAUMGARTNERS Carrie swore off men after a relationship-gone-bad in her freshman year of college and is perfectly happy with her roommate and lover, Maureen, until she discovers Steve Baumgartner (Call me 'Doc, ' everybody does) in a very compromising-and decidedly sexy-position. Meeting Doc complicates things, but when Maureen's very-religious boyfriend becomes a real threat and the gang goes to Key West for summer break, Carrie finds herself swept away by circumstance into a whirlwind of lust and sexual discovery. A BAUMGARTNER CHRISTMAS In spite of a brief experimentation early in their relationship, Doc and Carrie Baumgartner have since maintained a monogamous marriage without too much difficulty or even temptation-until now. A move far from home, coupled with new friends and long hours away from each other in classes or at work, have left the young Baumgartner couple on shaky ground. Doc believes bringing in someone new like they did early in their relationship might add just the spice their marriage needs, but Carrie isn't so sure about that plan. Doc has a surprise Christmas present for his wife anyway-but in an ironic twist, he discovers she has one for him as well, and each gift allows the Baumgartners to rediscover, in the true spirit of Christmas, an expansive love that includes not only their feelings for each other, but their ability to

share that inclusive passion with others as well. ----- IF YOU LIKED BAUMGARTNER SHORTS, you may want to have more fun with this family! A Baumgartner Christmas The Baumgartners Plus One Babysitting the Baumgartners A Baumgartner Reunion Meet the Baumgartners Baumgartner Generations: Henry Letters to the Baumgartners-----EXCERPT: Would it be wrong to tell you how much I want to kiss you? His eyes were silver in the moonlight, his breath full of sake. No, I whispered, putting my arms around his neck. It would be really wrong not to do it, though. You think? His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer. Janie, I want you, he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. Would it be wrong to take you home with me tonight? I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work? Josh, I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say. You feel so good, he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together. Oh god, I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. Please, Josh... He slipped a hand behind my neck,

pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

babysitting the baumgartners by selena kitt: Baumgartner Generations: Henry Selena Kitt, 2010-11-11 Henry's in trouble. He's gone from being a big fish in a little pond in his home town to being a very small fish in a much bigger pond at college, and he's just not keeping up. Instead of passing him through his classes because of his athletic ability like they did in high school, he discovers his professors actually mean it when they say he needs to do the work or he's going to fail his classes—and be kicked off the all-star hockey team. Adjusting to life at university sure isn't as easy or fun as he thought it was going to be—his roommate likes the same girl he does, and it looks like she likes him, too; he's failing English for sure and the dragon-lady who teaches the class seems to have a personal vendetta against him; and his hockey coach has even gone so far as to bench him! When his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have foreseen...-----Warning: This title contains erotic situations, graphic language, sex, and a sex

Kitt-----EXCERPT: "Toni," he whispered, nudging her with his knee. "Shhh." Her hand pressed against his thigh, squeezing. "Watch the movie." He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh. She was too sexy for words. His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.
