John Bradshaw is one of the bestselling self-help authors of our generation and a dominant figure in the fields of addiction/recovery and family systems. In RECLAIMING VIRTUE, his first new book in more than ten years, Bradshaw takes on a new challenge. He has written a landmark exploration of the life of virtue, how we can develop it in ourselves, and how we can teach it to our children. Wouldn't you like to see that person again, ask the bigger questions that still haunt you? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying of ALS - or motor neurone disease - Mitch visited Morrie in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final 'class': lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world. Don't miss Mitch's uplifting new novel *THE LITTLE LIAR*, out now. _____ WHAT READERS SAY ABOUT *TUESDAYS WITH MORRIE* 'You cannot put the book down until you reach the end . . . Too good to be missed. It is really an all-time hit' 'One of the most beautiful books I've read in a long, long time . . . It will always be one of my favourite books' 'This book moved me immensely and its teachings will stay with me' 'A simple yet moving account of love and loss - but also hope for something better' 'A book I will read and re-read'
