

rightly dividing the word of truth scofield

Rightly Dividing the Word of Truth Scofield: Understanding Its Importance and Application

rightly dividing the word of truth scofield is a phrase that resonates deeply within many Bible study circles, especially among those who appreciate the teachings of the Scofield Reference Bible. This concept, rooted in the Apostle Paul's exhortation in 2 Timothy 2:15, encourages believers to handle Scripture with accuracy and discernment. But what exactly does it mean to rightly divide the word of truth, and how did Scofield's notes influence its understanding? Let's explore this topic in depth, unraveling its significance, practical application, and the legacy of Scofield's contributions to biblical study.

The Meaning Behind "Rightly Dividing the Word of Truth"

To rightly divide the word of truth essentially means to interpret and teach the Bible correctly. The phrase comes from 2 Timothy 2:15, where Paul instructs Timothy: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." This directive underscores the necessity of careful Bible study, avoiding misinterpretations or oversimplifications.

What Does "Rightly Dividing" Imply?

The Greek word translated as "rightly dividing" is **orthotomounta**, which literally means to cut straight or accurately. Imagine a skilled craftsman cutting a piece of fabric precisely to ensure it fits perfectly—this is similar to how a believer should approach Scripture. It's about understanding context, genre, and the intended audience to avoid twisting meanings or applying passages incorrectly.

Scofield's approach to rightly dividing the word of truth emphasized dispensationalism, a method that segments biblical history into distinct periods or "dispensations" where God interacts with humanity in different ways. Recognizing these distinctions, Scofield argued, is critical to interpreting Scripture without confusion.

Scofield's Influence on Bible Study and Interpretation

Cyrus I. Scofield, a theologian and minister, produced the Scofield Reference Bible in the early 20th century. His annotated Bible became immensely popular, particularly among evangelical Christians, because it offered a structured way to understand Scripture through the lens of dispensationalism.

and premillennialism.

How Scofield Emphasized the Rightly Dividing Principle

Scofield's notes often highlighted the importance of distinguishing between the Old and New Covenants, Israel and the Church, law and grace. He believed that many biblical misunderstandings stemmed from blending these categories improperly. For example, the Mosaic Law was given specifically to Israel and should not be confused with the grace-based teachings of the New Testament church.

By "rightly dividing," Scofield encouraged readers to respect these boundaries, resulting in clearer theological perspectives and practical applications. His work helped many Christians grasp the unfolding plan of God as revealed progressively throughout Scripture.

Dispensationalism and Its Role in Rightly Dividing

Dispensationalism breaks down biblical history into several distinct dispensations such as Innocence, Conscience, Human Government, Promise, Law, Grace, and the Millennial Kingdom. Each dispensation represents a unique way God has dealt with humanity, with specific responsibilities and expectations.

Understanding these helps believers avoid the common error of applying instructions meant for one dispensation to another. For example, the commands given under the Law of Moses are not necessarily directives for the Church age, which operates under grace through faith in Christ.

Practical Tips for Rightly Dividing the Word of Truth

Applying the principle of rightly dividing the word of truth can seem daunting at first, but with intentional practice, it becomes an enriching part of one's spiritual journey.

1. Context Is King

Always read Scripture in context. This means considering the verses around a passage, the book's overall theme, and the historical setting. Scofield's notes often provide helpful historical and cultural insights that clarify difficult passages.

2. Recognize Different Covenants

Learn to differentiate between God's covenants with Israel and the church. This distinction helps in understanding promises, laws, and prophecies

without mixing their intended recipients.

3. Use Cross-References and Study Tools

Scofield's Bible includes numerous cross-references which guide readers to related verses, helping create a fuller picture of biblical teachings. Modern study Bibles and commentaries can also aid in rightly dividing Scripture accurately.

4. Avoid Proof-Texting

Don't isolate verses to support preconceived ideas. Instead, look at the broader biblical narrative. Rightly dividing requires patience and willingness to see Scripture's interconnectedness.

5. Study Dispensations

Familiarize yourself with the concept of dispensations. Understanding the timeline of God's dealings with humanity provides clarity when reading complex or prophetic passages.

Common Misunderstandings Around Rightly Dividing the Word of Truth

Despite its importance, rightly dividing the word of truth is often misunderstood or misapplied. Some believe it means creating arbitrary divisions in Scripture or using it to justify personal interpretations without accountability.

Not Just About Dispensationalism

While Scofield's dispensational framework popularized the phrase, rightly dividing is not limited to this system alone. It broadly emphasizes accurate, contextually aware Bible study. Various theological traditions may approach this differently but share the goal of faithful interpretation.

The Danger of Legalism or Over-Complication

Sometimes, the pursuit of precise division can lead to legalism or over-intellectualizing Scripture, which may hinder spiritual growth. Scofield himself urged believers to balance knowledge with grace and love, ensuring that rightly dividing the word of truth serves edification rather than confusion.

Why Rightly Dividing the Word of Truth Still Matters Today

In today's world, where information abounds and theological opinions vary widely, the call to rightly divide the word of truth remains as vital as ever. Proper Bible interpretation guards against false teachings, helps believers grow in faith, and equips them to share the gospel effectively.

Scofield's legacy in this area demonstrates how disciplined study, combined with theological insight, can empower Christians to navigate Scripture with confidence. His work continues to inspire both seasoned theologians and everyday believers to approach God's Word with reverence and diligence.

The ability to rightly divide Scripture also fosters unity by encouraging respectful dialogue and reducing misunderstandings among different Christian traditions. When believers commit to studying the Bible accurately, they build a stronger foundation for their faith and witness.

Exploring the concept of rightly dividing the word of truth through the lens of Scofield's teachings offers a rich perspective on how to engage with Scripture meaningfully. It challenges us to approach the Bible not just as a book to be read but as a divine message to be carefully examined, understood, and lived out. Whether through dispensational insights or broader hermeneutical principles, the journey of rightly dividing God's Word is one that continually reveals deeper truths and fosters spiritual maturity.

Frequently Asked Questions

What does 'rightly dividing the word of truth' mean according to Scofield?

According to C.I. Scofield, 'rightly dividing the word of truth' means accurately interpreting and applying Scripture by understanding its proper context, dispensational distinctions, and the progressive revelation throughout the Bible.

How does Scofield's dispensational approach relate to rightly dividing the word of truth?

Scofield's dispensational approach emphasizes dividing Scripture into distinct periods or dispensations, each with unique divine instructions, which is essential for rightly dividing the word of truth to avoid misapplication of biblical promises and commands.

Why is rightly dividing the word of truth important in Scofield's study Bible?

In Scofield's study Bible, rightly dividing the word of truth is important because it helps believers correctly understand God's plan and promises, distinguishing between Israel and the Church, and avoiding confusion in

doctrinal interpretation.

Which Bible verse is the phrase 'rightly dividing the word of truth' taken from in Scofield's notes?

The phrase 'rightly dividing the word of truth' is taken from 2 Timothy 2:15, which Scofield highlights as a key principle for proper Bible study and interpretation.

How does Scofield recommend Christians apply the principle of rightly dividing the word of truth?

Scofield recommends that Christians apply this principle by studying Scripture with attention to its historical context, recognizing dispensational differences, and interpreting verses according to their intended audience and purpose.

What are common mistakes Scofield warns against when not rightly dividing the word of truth?

Scofield warns that failing to rightly divide the word of truth can lead to confusion between Old Testament and New Testament promises, misapplication of laws meant for Israel, and incorrect doctrines about salvation and the Church.

How has Scofield's concept of rightly dividing the word of truth influenced modern Bible study?

Scofield's concept has greatly influenced modern dispensationalist Bible study by encouraging a systematic approach to Scripture interpretation, emphasizing literal meanings, and maintaining clear distinctions between different biblical covenants and eras.

****Rightly Dividing the Word of Truth Scofield: A Critical Examination****

rightly dividing the word of truth scofield is a phrase that resonates deeply within Christian theological studies, particularly in the context of biblical interpretation. This concept, rooted in 2 Timothy 2:15, has been famously associated with Cyrus I. Scofield, whose annotated Bible editions have shaped dispensationalist thought and evangelical scholarship for over a century. Exploring the phrase through Scofield's lens offers a window into the complexities of scriptural exegesis, hermeneutics, and doctrinal development.

Understanding "Rightly Dividing the Word of Truth" in Context

The phrase "rightly dividing the word of truth" originates from the Apostle Paul's second letter to Timothy, wherein he exhorts Timothy to handle the Scriptures with accuracy and integrity. Scofield's interpretation elevates

this admonition beyond mere scholarly diligence—it becomes a theological framework emphasizing the importance of distinguishing between God’s various dispensations or administrations throughout biblical history.

Scotfield’s approach reflects a commitment to a literal, historical-grammatical method of Bible study, which prioritizes the plain meaning of the text while recognizing distinct divine economies. This focus on “division” implies that the Bible is not a monolithic text but a complex tapestry of covenants, promises, and revelations that must be understood in their proper contexts.

The Scotfield Reference Bible: Dispensationalism and Interpretation

Cyrus Ingerson Scotfield (1843–1921) was an American theologian whose annotated Bible, first published in 1909, became foundational for dispensationalist theology. His extensive footnotes and cross-references guided readers toward a structured understanding of biblical history as segmented into distinct periods or dispensations.

Key Features of Scotfield’s Method

1. **Dispensational Framework:** Scotfield categorized biblical history into seven dispensations, including Innocence, Conscience, Human Government, Promise, Law, Grace, and the Millennial Kingdom.
2. **Literal Hermeneutic:** He stressed the importance of interpreting prophecy and promises literally, especially concerning Israel and the Church.
3. **Distinction Between Israel and the Church:** Scotfield emphasized that God’s promises to Israel are separate from those made to the Church, a hallmark of dispensational thought.
4. **Premillennialism:** His notes supported a premillennial view of Christ’s return, influencing evangelical eschatology profoundly.

Through these elements, Scotfield’s “rightly dividing” becomes a practical guide for readers aiming to navigate complex biblical narratives without conflating distinct theological eras.

Analytical Perspectives on Scotfield’s Interpretation

While Scotfield’s framework has been enormously influential, it has also sparked significant debate among theologians, biblical scholars, and pastors. Critics argue that an overly rigid division risks fragmenting Scripture and neglecting the unity of God’s redemptive plan. Conversely, proponents contend that Scotfield’s method provides clarity and guards against eisegesis—the imposition of one’s own ideas onto the text.

Pros of Scofield's Approach

- **Enhanced Clarity:** By breaking the Bible into dispensations, readers can better understand the progression of God's revelation.
- **Consistent Hermeneutic:** Scofield's literal interpretation helps avoid allegorical excesses common in some theological traditions.
- **Influence on Evangelicalism:** His work paved the way for modern evangelical Bible study and popularized dispensational premillennialism.

Cons and Criticisms

- **Potential for Division:** Critics argue that the dispensational model can create theological rifts, especially regarding Israel and the Church.
- **Historical Controversies:** Some scholars question the historical validity of strict dispensational divisions, seeing them as modern constructs.
- **Limitations in Application:** The framework may oversimplify complex biblical themes and overlook the continuity of God's covenantal promises.

Rightly Dividing the Word of Truth Scofield in Contemporary Scholarship

In modern biblical scholarship, the phrase retains its significance but is often re-examined through more nuanced hermeneutical approaches. While Scofield's annotations remain popular among certain evangelical circles, many scholars advocate for a balanced methodology that respects both the unity and diversity of Scripture.

Integrating Scofield with Other Hermeneutical Models

- **Covenantal Theology:** Contrasts with dispensationalism by emphasizing continuity in God's covenantal dealings, often challenging Scofield's sharp distinctions.
- **Historical-Critical Method:** Focuses on the socio-historical context of biblical texts, sometimes critiquing literalist interpretations.
- **Narrative Theology:** Seeks to interpret Scripture as a unified story, which may conflict with Scofield's segmented approach.

Understanding "rightly dividing the word of truth" today involves engaging with these diverse methodologies, recognizing the value and limitations of Scofield's contributions.

Practical Implications for Bible Study and Teaching

For pastors, teachers, and laypeople, Scofield's emphasis on rightly dividing Scripture underscores the need for careful exegesis and theological awareness. Applying this principle encourages:

- **Contextual Reading:** Recognizing the historical and literary context of passages to avoid misinterpretation.
- **Doctrinal Precision:** Differentiating between promises made to Israel and those made to the Church to maintain doctrinal clarity.
- **Prophetic Understanding:** Interpreting eschatological texts with an informed framework to prevent speculative or erroneous conclusions.

However, it also demands humility and openness to ongoing study, given the complexities inherent in biblical texts.

Conclusion: Navigating the Legacy of Scofield's Rightly Dividing

The phrase "rightly dividing the word of truth Scofield" encapsulates a pivotal moment in biblical hermeneutics, where careful division and interpretation became a hallmark of evangelical scholarship. Scofield's influence persists, shaping how many engage with Scripture, particularly regarding dispensationalism and prophecy.

Yet, as biblical studies evolve, the challenge remains to balance Scofield's insightful distinctions with broader theological perspectives that honor the unity and diversity of the Bible. This ongoing dialogue ensures that the pursuit of rightly dividing the word of truth remains a dynamic and enriching endeavor for all seekers of biblical understanding.

[Rightly Dividing The Word Of Truth Scofield](#)

rightly dividing the word of truth scofield: Rightly Dividing the Word of Truth C. I. Scofield, 2014-10-14 C.I. Scofield (1843 - 1921) was an American minister best known for annotating the Bible. Scofield's writings helped make futurism and dispensationalism popular among Christians.

rightly dividing the word of truth scofield: Covenantal Dispensationalism Matthew Stamper, 2010-03-23 Covenantal Dispensationalism reviews the history and development of Covenant Theology and Dispensationalism, along the way highlighting the strengths and weaknesses of each hermeneutical system. This work illustrates how the two sides have grown apart, and seeks to reconcile the two by appealing to common theological concepts the two schools share, as well as providing critique where one side has better evidence for a particular point of doctrine.

rightly dividing the word of truth scofield: Rightly Dividing the Word of Truth C. I. Scofield, 2017-11-02 Celebrated theologian, preacher and author C. I. Scofield explains the difference between the various Gospels in this excellent Bible study and devotional book. In this superbly detailed examination of the New Testament, Scofield demonstrates how dispensationalism can aid Christians in receiving the true meaning of the scriptures. Making careful distinctions between the gospels and the nature of Christian belief, Scofield demonstrates how God divided the various gospels over time, and explains how to distinguish between these divisions. Throughout this work we observe how the author supports his words with frequent quotations of the scripture. We learn how the believer must act when adhering to Christ's teachings, and of how the Christian may

please God and receive his blessings. Holding to beliefs in God in spite of life's trials, adhering to the principles of moral virtue, and understanding the fundamental truths of the Bible are emphasized. C. I. Scofield wrote many books advancing thought on Christian subjects, and was particularly important for informing Christian believers of dispensationalism. After an early life spent in Army service and as a lawyer, Scofield undertook his spiritual journey by spending decades preaching. He also wrote his famous reference Bible, and founded the Central American Mission.

rightly dividing the word of truth scofield: Rightly Dividing the Word of Truth C. I. Scofield, Resurrected Books, 2014-09-05 C.I. Scofield outlines some basic and very important distinctions in Scripture that must be acknowledged for proper understanding. Among these are distinctions that are of particular concern to the messianic community. Perhaps the two most important distinctions in this regard are those between Israel and the Church and between the various ages in God's dealings with mankind, the latter of which are often referred to as dispensations, each of which has been initiated by a covenant that radically altered God's expectations of those with whom He made the covenant, and with those who subsequently entered into it. Many reject the doctrine of dispensationalism, often on the grounds that it was invented by C.I. Scofield, a late eighteenth - early nineteenth century American minister. By the same token, many have rejected the doctrine of salvation by grace alone through faith alone on the same grounds: It was invented by Luther. Of course, Luther didn't invent the doctrine; it was in Scripture all the time. Similarly, Scofield didn't invent dispensationalism; it was in Scripture all the time. He merely brought it to the notice of millions, particularly through The Scofield Reference Bible, first published in 1909. Furthermore, there were many before him that recognized distinctions between the ages and developed the concept to varying degrees, at as least as far back as Justin Martyr (A.D. 110-165) - virtually on the heels of Paul, who so copiously expounded on the subject. So there really was an unbroken line, or virtually unbroken line, of church leaders and theologians who recognized these dispensations.

rightly dividing the word of truth scofield: Rightly Dividing the Word of Truth Cyrus Ingerson Scofield, 1960

rightly dividing the word of truth scofield: Rightly Dividing the Bible Volume One David E Walker, 2018-01-10 An extensive, yet simple and easy-to-read book about how to properly interpret the Bible. Dr. Walker has dedicated his time and effort in thorough research and answers most questions about dispensations and dispensationalism. Upon reading these volumes, the reader will find himself, not only well informed, but also with a great wealth of reference material for future use. —Dr. David Peacock, Pastor, Bible Believers Baptist, Jacksonville, Florida. GET THE BACKGROUND—The excuse that there are “so many interpretations of the Bible” is exposed with a clear concise defining of biblical terms, using the Bible itself to define those terms. DISCOVER THE HISTORY—Learn about the men, manuscripts, and movements that have shaped views of Bible interpretation. Find out who really believed the Bible and those who merely used the Bible to support their opinions. UNLOCK THE PROPHECIES—Many prophecies are unraveled and shown how they relate to the return of Christ, the church, and the nation of Israel.

rightly dividing the word of truth scofield: Dispensational Modernism B. M. Pietsch, 2015 Dispensational Modernism reexamines the origins of dispensationalism in early American fundamentalism, emphasizing the role of scientific rhetoric and engineering methods in developing new methods for interpreting the Bible and understanding the nature of time.

rightly dividing the word of truth scofield: Rightly Dividing the Word of Truth (2 Timothy 2:15) Cyrus Ingerson Scofield, 1994

rightly dividing the word of truth scofield: Historical Handbook of Major Biblical Interpreters Donald K. McKim, 1998 Contributors from both historical and biblical studies profile the methods, perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century. Includes introductory essays for each period and bibliographies of each interpreter. Edited by Donald K. McKim.

rightly dividing the word of truth scofield: Scofield's Notes Kathy Beardsley, 2022-11-03

Mentored by James H. Brookes, a dispensationalist, Cyrus Ingerson Scofield not only followed in his footsteps, but created a foundation for his own interpretation of dispensationalism. That interpretation along with his commentary on various Scripture passages came to be known as Scofield's notes, which were placed within the pages of the King James Version of the Bible. Titled Scofield's Study Bible (previously Scofield's Reference Bible), it became a best-selling Bible in a relatively short period and continues to hold a solid standing as one of the favorite Bibles to be purchased. The escalation of prophecy news, sales in movies and books with that same message, and the steadfast loyalty to the rapture and tribulation theory are largely due to Scofield's notes. To keep it short and sweet, the author focuses on breaking down the Scripture passages in the books of Daniel and Revelation two of the books alleged by Scofield and his followers to contain eschatological prophecies yet unfulfilled. It will be clearly shown how easily one can be confused by the seemingly logical explanations Scofield provides, why his interpretation of Scripture is so dangerous, and why it is important to study for oneself.

rightly dividing the word of truth scofield: Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism. His comprehensive overview of its roots, its theological basis, and its political consequences is very timely. I myself believe that Zionism, both political and Christian, is incompatible with biblical faith. Stephen's book has helped to reinforce this conviction. --Rev. Dr. John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism. He is a very important voice speaking out against this destructive movement that is killing us [Palestinians] through its theology. --Canon Naim Ateek Stephen Sizer's *Christian Zionism: Road Map to Armageddon?* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel. Sizer writes as an insider within the church, not as a critic watching from afar. And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology. One quick read of this book will change anyone's perspective on the Middle East permanently. --Professor Gary M. Burge Congratulations on *Christian Zionism*. The index alone makes my mouth water, since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching. I couldn't be happier that this is published. You and I see eye to eye on this issue. . . . Yours is a true prophetic voice so badly needed in the current prophecy frenzy. And when this mania also affects national and international policy, the danger takes on larger proportions. --Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian-Israeli conflict. Christian Zionism raises vital theological and political challenges that must be addressed head-on by Christians in the West, particularly evangelicals. The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk, and it seems a far cry from the witness and message of Jesus Christ. --Dr Donald Wagner This study of Christian Zionism, based on Stephen Sizer's doctoral thesis, is of seminal significance. It provides a fascinating survey of the history of Christian Zionism and an in-depth analysis of the theology of this highly important and influential movement. --Rabbi Professor Dan Cohn-Sherbok

rightly dividing the word of truth scofield: Encyclopedia of Religious Controversies in the United States Bill J. Leonard, Jill Y. Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion, tackling controversial hot-button topics such as abortion, Intelligent Design, and Scientology. Surveying key aspects of the controversial issues, persons, and religious groups of today, *Encyclopedia of Religious Controversies in the United States*, Second Edition is a thorough update and expansion of the first edition of this book. This two-volume work contains many new entries that reflect current 21st-century religious controversies. Written by a variety of scholars with varying specializations, the content covers major people, ideas, terms, institutions, groups, books, and events. The A-Z format allows for easy location of materials, a chronology of developments and events enables readers to trace the development of contentious topics over time, and a section of primary document excerpts gives readers further

perspective on the issues.

rightly dividing the word of truth scofield: Contemporary Theology: An Introduction

Kirk R. MacGregor, 2019-01-08 Accessible and comprehensive, *Contemporary Theology: An Introduction* by professor and author Kirk R. MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing. Unique among introductions to contemporary theology, MacGregor includes: Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life *Contemporary Theology: An Introduction* is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well-organized and easy-to-follow manner.

rightly dividing the word of truth scofield: Disfellowshipped Gerald W. King, 2011-08-05

Employing studies in population ecology as a framework for understanding the growth of religious movements, *Disfellowshipped* traces the growth of the Pentecostal movement. The author explores how the Pentecostal movement developed in relationship to Fundamentalism from its roots in the Holiness movement to the formation of the National Association of Evangelicals. Particular attention is given to the various critiques and rebuttals exchanged between Fundamentalists and Pentecostals, exploring how these two movements influenced and shaped one another. This book shows how, despite their mutual antagonism, these two movements held far more in common than in contrast. This book will be of great importance to all those interested in the history of Fundamentalism and the rise of Pentecostalism.

rightly dividing the word of truth scofield: A Pentecostal Hermeneutic for the Twenty

First Century Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity, in its stories, beliefs and practices. As Pentecostals began entering academic communities of higher learning, their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods, or the so-called scientific hermeneutic. The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity, instead pushing Pentecostals into the contemporary context by critically re-appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community. The Pentecostal hermeneutic is a three-way interaction for theological meaning between the Holy Spirit, the Pentecostal community and sacred Scripture.

rightly dividing the word of truth scofield: *The Millennial Maze* Stanley J. Grenz, 1992-09-25

Stanley J. Grenz describes four major views on the millennium held by evangelicals and assesses their strengths and weaknesses.

rightly dividing the word of truth scofield: *Fundamentalism and American Culture* George

M. Marsden, 2022 *Fundamentalism and American Culture* has long been considered a classic in religious history, and to this day remains unsurpassed. Now available in a new edition, this highly regarded analysis takes us through the full history of the origin and direction of one of America's most influential religious movements. In the twenty-first century, militantly conservative white evangelicals have become more prominent than ever in American life. Marsden's volume, which now takes the history through the end of the Trump administration, remains the essential starting point for understanding the degree to which that militancy has been shaped by the fundamentalist heritage of the twentieth century. For Marsden, fundamentalists are, in the broadest sense, conservative evangelicals who are willing to take a stand and to fight. Yet their militancy needs to be understood in the light of some specific aspects of their heritage. In the late nineteenth-century, American Protestantism was gradually dividing between liberals who were accepting new scientific and higher critical views that contradicted the Bible and defenders of the more traditional evangelicalism. Often the traditionalists were also innovators in affirming apocalyptic prophecies of the imminent destruction of modern civilization and the return of Christ. By the 1920s, a full-fledged fundamentalist movement had developed in protest against theological changes in the churches, the

teaching of biological evolution in schools, and changing mores in the culture. Fundamentalists often were conflicted by impulses to separate from condemned modern culture or to take back America as a Christian nation. Even with such tensions, fundamentalists built networks of evangelists, Bible conferences, Bible institutes, and mission agencies. These coalesced into major religious movements that proved to have remarkable staying power. Beginning in the 1970s, fundamentalist impulses led to increasing overt political mobilization and the rise of the religious right. In the twenty-first century, militant fundamentalist zeal to preserve Biblicist doctrinal and behavioral purity in churches remained strong, but often was overshadowed by more widely popular impulses of Christian nationalism and political partisanship.

rightly dividing the word of truth scofield: The Remaking of Evangelical Theology Gary J. Dorrien, 1998-01-01 In this in-depth historical analysis of evangelical theology, Gary Dorrien describes how evangelicalism has developed and matured. Beginning at the turn of the century and the start of the fundamentalist-modernist controversies, he notes the key figures and institutions of the evangelical movement. He also shows how evangelicalism has both diversified and entered into the broader theological discussions of today.

rightly dividing the word of truth scofield: God's Word in Our Hands James B. Williams, 2016-11-14 In this follow-up book to the landmark *From the Mind of God to the Mind of Man*, the Text and Translation Committee discusses the historical preservation of the Word of God. The solid facts of the process by which the Bible has come to its present form are explained in detail. The book includes textual criticism of the existing manuscripts and autographs, including the Textus Receptus, the Majority, Eclectic, and Minority texts, and the Masoretic Text. It also provides needed answers to the arguments of those who adhere to extreme or exclusive positions. This book is excellent for pastors, teachers, and laypersons alike. It will prove that all conservative versions are, without a doubt, translations of the plenary verbally inspired Word of God.

rightly dividing the word of truth scofield: A Documentary History of Religion in America Since 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America. The best source-book available to contemporary students and general readers.
