

american lion andrew jackson in the white house

American Lion: Andrew Jackson in the White House

american lion andrew jackson in the white house marks a fascinating chapter in the story of American democracy. Andrew Jackson, the seventh president of the United States, earned the nickname "American Lion" because of his fierce personality, populist appeal, and transformative leadership style. His time in the White House from 1829 to 1837 reshaped the presidency and left a lasting impact on the nation's political landscape. Understanding his legacy requires exploring his rise to power, his policies, and the controversies that defined his administration.

The Rise of the American Lion: Andrew Jackson's Path to the Presidency

Andrew Jackson's journey to the White House was far from typical. Born in a humble frontier family in the Carolinas, he rose to national prominence through his military exploits and charismatic leadership. His victory in the Battle of New Orleans during the War of 1812 catapulted him into the public eye, portraying him as a rugged, no-nonsense hero who defended American honor.

Populism and the Birth of a New Political Era

Jackson's appeal was rooted in his image as a man of the people. Unlike many earlier presidents who came from elite backgrounds, Jackson presented himself as a champion of the "common man." His campaign in 1828 marked the rise of Jacksonian democracy, which emphasized greater participation of ordinary citizens in government. This change helped dismantle the old political establishment and expanded suffrage rights for white male voters.

Andrew Jackson in the White House: Leadership Style and Key Policies

Jackson's presidency was characterized by a combative style and a determination to assert strong executive power. His approach to governance earned him both admiration and fierce opposition.

The Spoils System and Political Patronage

One of Jackson's notable practices was the implementation of the spoils system, where he appointed loyal supporters to government positions. While critics accused him of cronyism, Jackson defended the practice as a way to democratize government by rotating officeholders and breaking up

entrenched elites.

Indian Removal Act and Its Controversies

Perhaps the most controversial aspect of Jackson's tenure was his policy toward Native American tribes. The Indian Removal Act of 1830 authorized the forced relocation of thousands of Native Americans from their ancestral lands to territories west of the Mississippi River. This policy led to the infamous Trail of Tears, a tragic episode that caused immense suffering and loss of life. Jackson justified the act as necessary for American expansion but it remains a deeply criticized part of his legacy.

Opposition to the National Bank

Jackson's fierce opposition to the Second Bank of the United States was a defining battle of his presidency. Viewing the bank as a symbol of elite privilege and corruption, he vetoed its recharter and withdrew federal funds. This move sparked a major political and economic debate about the role of federal power in the economy, contributing to the rise of the modern Democratic Party.

Legacy of the American Lion in the White House

The impact of Andrew Jackson's presidency is complex and multifaceted. On one hand, he expanded presidential power and championed popular democracy. On the other, his policies had long-term consequences that continue to be debated by historians and citizens alike.

Jacksonian Democracy and Its Influence

Jackson's vision of government empowered a broader segment of the population, setting the stage for future political movements that prioritized egalitarian ideals for white men. His emphasis on strong executive leadership influenced how subsequent presidents wielded their authority.

Controversies and Criticisms

Modern assessments of Jackson often grapple with the darker sides of his presidency. The Indian Removal Act and his treatment of Native Americans highlight the moral complexities of his administration. Additionally, his stance on slavery and limited rights for women illustrate the limitations of Jacksonian democracy.

What We Can Learn From Andrew Jackson's Time in the White House

Studying Andrew Jackson in the White House offers valuable insights into the evolution of American politics. His tenure is a reminder of the power of charismatic leadership and the ways in which populism can both inspire and divide a nation.

- **Leadership with Conviction:** Jackson's decisiveness teaches the importance of standing firm on one's beliefs, even in the face of opposition.
- **The Cost of Policies:** His presidency underscores how decisions can have unintended and far-reaching consequences, particularly on marginalized communities.
- **Democratic Expansion:** The expansion of suffrage and political participation during his era shows how political systems can evolve to be more inclusive—albeit imperfectly.

Andrew Jackson's time in the White House remains a powerful study in contrasts: a leader who embodied the spirit of his age, wielded tremendous influence, and left a legacy that continues to provoke discussion and debate. The story of the American lion in the White House is not just about one man, but about the ongoing American experiment with democracy, power, and identity.

Frequently Asked Questions

Who was Andrew Jackson and why is he called the 'American Lion'?

Andrew Jackson was the seventh President of the United States, known for his strong leadership and populist policies. He earned the nickname 'American Lion' due to his fierce and bold personality, as well as his military successes and decisive presidency.

What is the significance of the book and TV series 'American Lion' about Andrew Jackson?

The book 'American Lion' by Jon Meacham and its TV adaptation provide a detailed and dramatic portrayal of Andrew Jackson's life, presidency, and impact on American history, highlighting his complexities and controversies while humanizing the 'American Lion'.

How did Andrew Jackson's presidency impact the White House and American politics?

Andrew Jackson transformed the presidency by expanding executive power, promoting the concept of the 'common man,' and instituting policies like the Indian Removal Act. His tenure in the White

House marked a shift toward greater democratic participation and political realignment.

What were some controversies associated with Andrew Jackson while he was in the White House?

Jackson's presidency was marked by controversies such as the Indian Removal Act, which led to the Trail of Tears, his opposition to the national bank, and his use of the presidential veto, which many saw as an overreach of executive power.

How did Andrew Jackson's personality influence his time in the White House?

Jackson's fiery, determined, and sometimes confrontational personality greatly influenced his presidency. He was known for his strong will, willingness to challenge opponents, and a populist approach that reshaped the executive branch's role.

What role did Andrew Jackson's military background play in his presidency?

Andrew Jackson's military successes, especially in the Battle of New Orleans, bolstered his national reputation and helped him gain popular support. His military background influenced his leadership style and his strong stance on national security and federal authority.

How is Andrew Jackson's legacy viewed today in relation to his time in the White House?

Andrew Jackson's legacy is complex; he is praised for expanding democracy and championing the common man, but criticized for policies like Indian removal and his stance on slavery. His time in the White House continues to be a subject of debate regarding his impact on American history.

American Lion: Andrew Jackson in the White House

american lion andrew jackson in the white house marks a pivotal chapter in American history, characterized by a presidency that reshaped the executive office and left an indelible mark on the nation's political landscape. Andrew Jackson, often dubbed the "American Lion," was a figure whose tenure in the White House was as controversial as it was transformative. His presidency, spanning from 1829 to 1837, was a defining era that reflected the growing pains of a young republic grappling with democracy, economic policy, and national identity.

The Rise of Andrew Jackson: From Military Hero to

President

Before delving into Andrew Jackson's presidency, it's crucial to understand the persona that earned him the nickname "American Lion." Jackson's military exploits, particularly his leadership during the Battle of New Orleans in the War of 1812, cemented his reputation as a formidable and rugged leader. This image translated powerfully into politics, where he positioned himself as a champion of the "common man," attempting to broaden democratic participation and challenge entrenched elites.

Jackson's ascent to the White House came at a time when the United States was evolving politically and economically. The era was marked by the rise of Jacksonian Democracy, a movement that advocated for greater political inclusion of white men, expansion of suffrage, and opposition to aristocratic privilege. His presidency reflected these ideals but also exposed contradictions inherent in the young nation's commitment to liberty and equality.

Andrew Jackson's Presidency: Policies and Controversies

Champion of the Common Man or Authoritarian Leader?

One of the defining characteristics of Andrew Jackson's time in the White House was his populist appeal. He projected an image of a leader who embodied the spirit and will of the average American citizen, opposing what he perceived as corrupt political elites. This was evident in his use of the presidential veto power, which he wielded more aggressively than his predecessors, asserting the executive branch as a robust counterbalance to Congress.

However, Jackson's leadership style also raised concerns about authoritarian tendencies. His opponents accused him of undermining democratic institutions through actions such as the infamous "spoils system," where political supporters were rewarded with government positions. Critics argue this practice fostered patronage and diminished meritocracy in federal appointments, setting a precedent that complicated governance in subsequent administrations.

The Bank War and Economic Impact

One of the most significant and contentious episodes during Andrew Jackson's presidency was the Bank War. Jackson vehemently opposed the Second Bank of the United States, viewing it as a tool of the wealthy elite that wielded disproportionate influence over the economy and government. His successful campaign to dismantle the bank led to the redistribution of federal funds to smaller state banks, often called "pet banks."

While this move was celebrated by Jackson's supporters as a blow against entrenched privilege, it had complex economic consequences. The destabilization of national financial institutions contributed to economic volatility, culminating in the Panic of 1837 shortly after Jackson left office. This economic downturn underscored the risks inherent in his approach to financial policy and

federal oversight.

Indian Removal and Its Legacy

A darker and deeply controversial aspect of Andrew Jackson's presidency was his policy toward Native American tribes. Under the Indian Removal Act of 1830, Jackson authorized the forced relocation of thousands of Native Americans from their ancestral lands in the southeastern United States to territories west of the Mississippi River. This policy led to the infamous Trail of Tears, a series of forced marches marked by immense suffering and death.

The Indian Removal policy starkly contrasts with the democratic ideals Jackson espoused for white Americans and remains a source of profound critique in historical assessments. It reflects the era's broader tensions between expansionism and human rights, revealing the limits of Jacksonian democracy when applied beyond the white electorate.

Andrew Jackson's White House: A New Style of Presidency

Democratizing the Executive Branch

Andrew Jackson's tenure introduced a more accessible and populist tone to the presidency. He famously opened the White House to the public during his inauguration, inviting a large crowd of supporters—a move that symbolized his connection to the masses but also led to chaos inside the executive mansion. This event exemplified his break from the more reserved and elite image of previous administrations.

Jackson's approach to governance was marked by a direct engagement with the electorate and a willingness to challenge established norms. His use of the veto power and his assertive stance on federal authority expanded the role of the presidency, setting precedents that would influence the office's development for generations.

The Personal and Political Legacy of the American Lion

Andrew Jackson's time in the White House was as much about personality as policy. Known for his fiery temper, resilience, and uncompromising will, Jackson embodied a rugged individualism that resonated with many Americans. His presidency illustrated the complexities of leadership in a democratic society, balancing popular mandates with institutional constraints.

Nevertheless, his legacy is multifaceted. While praised for expanding democratic participation among white men and asserting the power of the presidency, Jackson's policies and actions also entrenched racial exclusion, enabled economic instability, and inflicted profound harm on Native American communities. These contradictions continue to fuel scholarly debate and public reflection

on his place in American history.

Evaluating Andrew Jackson's Impact on the White House and American Politics

The presidency of Andrew Jackson fundamentally altered the trajectory of the executive office. His tenure illustrated the potential and pitfalls of populist leadership within the American political system. By challenging entrenched economic powers and expanding suffrage for white men, Jackson helped to democratize American politics in a significant way, but his administration also highlighted the exclusionary and sometimes violent aspects of that era.

In terms of executive power, Jackson's assertiveness redefined the presidency, making it a more dynamic and central force in governance. His use of the veto and his direct appeals to the public set a template for future presidents to engage actively with both Congress and the electorate.

However, Jackson's presidency also serves as a cautionary tale about the limits of populism and the dangers of unchecked executive authority. The consequences of his policies, from economic upheaval to the forced displacement of Native Americans, demonstrate the complexities inherent in balancing popular will with ethical governance.

American history remembers Andrew Jackson as an emblematic figure—both lionized and criticized. His time in the White House remains a rich subject for analysis, offering insights into the evolving nature of American democracy and the enduring tensions that shape the nation's political identity.

[American Lion Andrew Jackson In The White House](#)

american lion andrew jackson in the white house: American Lion Jon Meacham, 2008-11-11 The definitive biography of a larger-than-life president who defied norms, divided a nation, and changed Washington forever Andrew Jackson, his intimate circle of friends, and his tumultuous times are at the heart of this remarkable book about the man who rose from nothing to create the modern presidency. Beloved and hated, venerated and reviled, Andrew Jackson was an orphan who fought his way to the pinnacle of power, bending the nation to his will in the cause of democracy. Jackson's election in 1828 ushered in a new and lasting era in which the people, not distant elites, were the guiding force in American politics. Democracy made its stand in the Jackson years, and he gave voice to the hopes and the fears of a restless, changing nation facing challenging times at home and threats abroad. To tell the saga of Jackson's presidency, acclaimed author Jon Meacham goes inside the Jackson White House. Drawing on newly discovered family letters and papers, he details the human drama—the family, the women, and the inner circle of advisers— that shaped Jackson's private world through years of storm and victory. One of our most significant yet dimly recalled presidents, Jackson was a battle-hardened warrior, the founder of the Democratic Party, and the architect of the presidency as we know it. His story is one of violence, sex, courage, and tragedy. With his powerful persona, his evident bravery, and his mystical connection to the people, Jackson moved the White House from the periphery of government to the center of national action, articulating a vision of change that challenged entrenched interests to heed the popular will—or face his formidable wrath. The greatest of the presidents who have followed Jackson in the White

House-from Lincoln to Theodore Roosevelt to FDR to Truman-have found inspiration in his example, and virtue in his vision. Jackson was the most contradictory of men. The architect of the removal of Indians from their native lands, he was warmly sentimental and risked everything to give more power to ordinary citizens. He was, in short, a lot like his country: alternately kind and vicious, brilliant and blind; and a man who fought a lifelong war to keep the republic safe-no matter what it took.

american lion andrew jackson in the white house: *Die Präsidenten der USA* Christof Mauch, 2021-03-18 Von George Washington bis Joe Biden bietet dieser Band eine kleine Geschichte der USA im Spiegel ihrer Präsidenten. Die Autorinnen und Autoren schildern in 46 biographischen Porträts Leben und Amtszeit der US-Präsidenten, skizzieren die wichtigsten Entwicklungen, Ereignisse und Entscheidungen und betrachten abschließend Leistungen und Versäumnisse der jeweiligen Präsidentschaft. So ist zugleich ein Panorama der US-amerikanischen Geschichte von der Unabhängigkeit am Ende des 18. Jahrhunderts bis zur globalen Supermacht unserer Tage entstanden.

american lion andrew jackson in the white house: The White House's Unruly Neighborhood Edward P. Moser, 2019-12-16 Chronicling the sometimes outlandish, often tragic history of the environs of the White House, this book covers two centuries of assassinations, slave escapes, deadly duels, sex scandals, battles, brawls and spy intrigues that took place in the presidential neighborhood, Lafayette Square. The author recounts the triumphs and catastrophes of heroes and villains both famous and unsung, placing them in the context of contemporary world events of the day.

american lion andrew jackson in the white house: *Die Wurzeln des Populismus* Tobias Müller, 2020-07-30 Populismus ist in aller Munde und die Frage nach seiner inhaltlichen Bestimmung rückt ins Zentrum der Aufmerksamkeit. Ein Rekurs auf die namensgebende Protestbewegung in den USA des ausgehenden 19. Jahrhunderts wird hierbei jedoch meist vermieden. Tobias Müller fragt daher nach dem politischen Denken jener historischen Populisten und kommt zu überraschenden Ergebnissen, die mindestens den deutschsprachigen Forschungskonsens revidieren. Im Vergleich zu heutigen Charakterisierungsversuchen - anti-pluralistisch, traditionalistisch, anti-intellektualistisch - war der Populismus ursprünglich erstaunlich progressiv und an der Beförderung öffentlicher Debatten interessiert, die sich über eine weit verbreitete Symbolpolitik erheben sollten.

american lion andrew jackson in the white house: *Andrew Jackson* John M. Belohlavek, 2016-06-10 Andrew Jackson was the seventh president of the United States. Known as Old Hickory, he was the first President who championed the rights of the 'common man'. Originally from the frontier, he was known for being rough in speech and mannerisms and his fierce temper. After making his name as a general fighting the Creek Indians in the Battle of Horseshoe Bend and the British in the Battle of New Orleans, he entered politics, resulting in the creation of the modern Democratic party. However, Jackson is best known today for the harsh stand he took on Indian Removal. In this concise account, John Belohlavek recounts what made Jackson such a magnetic and controversial figure in his own time. Separating truth from legend, *Andrew Jackson: Principle and Prejudice* shows how deeply Andrew Jackson's actions and policies as president have affected the modern United States.

american lion andrew jackson in the white house: *The Birth of the FBI* Willard M. Oliver, 2019-07-16 Most people believe the Federal Bureau of Investigation began under J. Edgar Hoover in the 1920s or 1930s. Many also naturally assume it was developed for the express purpose of fighting crime. However, the reality is very different. The reality is it began years earlier, in 1908, under President Theodore Roosevelt. In *The Birth of the FBI: Teddy Roosevelt, the Secret Service, and the Fight Over America's Premier Law Enforcement Agency*, Willard Oliver details the political fight that led to the birth of America's premier law enforcement agency. Roosevelt was concerned about conservation and one issue he wanted enforced were the fraudulent land deals being perpetrated by many people, including some members of Congress. When he began using the Secret Service to

investigate these crimes, Congress blocked him from doing so. The end result of this political spat was Roosevelt's creation of the FBI, which heightened the political row between the two branches of government in the final year of Roosevelt's presidency. The truth of the matter is, the premier law enforcement agency in the United States was actually created because of a political fight between the executive and legislative branches of government. The Birth of the FBI reveals the true story behind the birth of the FBI and provides some useful insight into an important part of our American history.

american lion andrew jackson in the white house: Trump verrückt(e) die Welt Ansgar Graw, 2020-10-15 Am 3. November entscheiden die Wähler, ob sie das 2016 begonnene Experiment mit Donald Trump, dem wohl disruptivsten Staatsmann, der nach 1945 in einer liberalen Demokratie ins Zentrum der Macht gewählt wurde, fortsetzen oder sich für den Routinier Joe Biden entscheiden, der nicht wegen seiner Ideen gewählt würde, sondern weil er nicht Donald Trump ist. Washington Insider Ansgar Graw zeigt die Stärken und Schwächen beider Politiker in einer tief gespaltenen Nation, er analysiert ihre Wählermilieus und die Umfragen und er zeichnet die großen Themen des Wahljahrs und ihren Einfluss nach: Da ist die Black-Lives-Matter-Bewegung, die gegen Rassismus und Polizeigewalt protestiert, aber in ihren extremen Ausläufern nicht vor Gewalt, Brandschatzungen und Denkmalstürmereien zurückschreckt. Und da ist die Pandemie. Trump hat sie stets heruntergespielt, aber wenige Wochen vor der Wahl wurde bekannt, dass er sich der tödlichen Bedrohung durch Corona immer bewusst war. Nehmen ihm seine Wähler ab, dass er sie vor einer Panik bewahren wollte? Oder setzt sich Bidens Wort vom Verrat des amerikanischen Volkes auf Leben und Tod durch?

american lion andrew jackson in the white house: Chronology of the U.S. Presidency Mathew Manweller, 2012-03-19 This engaging and authoritative four-volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States—the presidency. From George Washington to Barack Obama, Chronology of the U.S. Presidency portrays each of the nation's chief executives in richly observed detail. Chapter by chapter, we meet the real flesh-and-blood men occupying the one office elected by the entire country, the office that most profoundly affects the workings of the government, U.S. relations with other countries, and the everyday lives of all American citizens. Spanning four volumes, this work covers each president's early life and rise to power, the pivotal events during his presidency, and when applicable, his post-presidential life. In addition, the book includes sections on the First Ladies and presidential families plus primary source documents (speeches, memos, messages to Congress), and entertaining FYI facts—for example, once bitter rivals John Adams and Thomas Jefferson died hours apart, on the 50th anniversary of the Declaration of Independence they helped create together. More than just names-and-dates history, Chronology of the U.S. Presidency helps readers understand the ways each of these intriguing men changed the country, and how he in turn was impacted by his time in power.

american lion andrew jackson in the white house: The Irish and the American Presidency Nicole Anderson Yanoso, 2016-09-30 There is a widely held notion that, except for the elections of 1928 and 1960, the Irish have primarily influenced only state and local government. The Irish and the American Presidency reveals that the Irish have had a consistent and noteworthy impact on presidential careers, policies, and elections throughout American history. Using US party systems as an organizational framework, this book examines the various ways that Scots-Irish and Catholic Irish Americans, as well as the Irish who remained in Éire, have shaped, altered, and sometimes driven such presidential political factors as party nominations, campaign strategies, elections, and White House policymaking. The Irish seem to be inextricably interwoven into important moments of presidential political history. Yanoso discusses the Scots-Irish participation in the American Revolution, the Whiskey Rebellion, and the War of 1812. She describes President Bill Clinton's successful Good Friday Agreement that brought peace and hope to Northern Ireland. And finally, she assesses the now-common presidential visits to Ireland as a strategy for garnering Irish-American support back home. No previous work has explored the impact of Irish and

Irish-American affairs on US presidential politics throughout the entire scope of American history. Readers interested in presidential politics, American history, and/or Irish/Irish-American history are certain to find *The Irish and the American Presidency* enjoyable, informative, and impactful.

american lion andrew jackson in the white house: Case Studies in Political Leadership George R. Goethals, Scott T. Allison, 2025-05-14 This illuminating book explores a broad range of case studies on political leadership from across the globe. Expert authors analyze examples of leadership ranging from 3,500 BCE to the present day, evaluating ethical and effective aspects of leadership.

american lion andrew jackson in the white house: *First Family* Cassandra A. Good, 2023-06-06 *Finalist for the 2024 George Washington Prize!* For readers of *Never Caught* and *You Never Forget Your First*, a revealing true story of celebrity, race and the children George Washington raised. While it's widely known that George and Martha Washington never had children of their own, few are aware that they raised children together. In *First Family*, we see Washington as a father figure and are introduced to the children he helped raise, tracing their complicated roles in American history. The children of Martha Washington's son by her first marriage—Eliza, Patty, Nelly and Wash Custis—were born into life in the public eye, well-known as George Washington's family and keepers of his legacy. By turns petty and powerful, glamorous and cruel, the Custises used Washington as a means to enhance their own power and status. As enslavers committed to the American empire, the Custis family embodied the failures of the American experiment that finally exploded into civil war—all the while being celebrities in a soap opera of their own making. *First Family* brings new focus and attention to this surprisingly neglected aspect of George Washington's life and legacy, shedding a light on: What it meant to be a "family" The complexities of kinship and race in the Custis family Political power, fame, and the obsession with the celebrity The Custises' probable Black half-sibling As the country grapples with concerns about political dynasties and the public role of presidential families, the saga of Washington's family offers a human story of historical precedent. Award-winning historian Cassandra A. Good shows how the outspoken step-grandchildren of George Washington played an overlooked but important role in the development of American society and politics from the Revolution to the Civil War.

american lion andrew jackson in the white house: *Die Ära Trump* Ansgar Graw, 2025-03-17 *America First! Und zweitens? »Groß und glorreich« will Donald Trump Amerika machen. Er will Steuern kürzen, Zölle erheben, Illegale deportieren, Grönland und Panama kontrollieren. Er ist Kapitalist und Protektionist, er ist Isolationist und Imperialist, er gilt als Frauenverächter und fördert Frauen. Kein anderer Machtpolitiker ist so widersprüchlich wie Trump. Wie tickt der mächtigste Mann der Welt? Was will er wirklich? Auf wen stützt er sich dabei? Dieses Buch, mit essayistischer Kraft erzählt, gibt die Antworten.*

american lion andrew jackson in the white house: *On Wide Seas* Claude Berube, 2021-12-14 A detailed account of how the US Navy modernized itself between the War of 1812 and the Civil War, through strategic approaches to its personnel, operations, technologies, and policies, among them an emerging officer corps, which sought to professionalize its own ranks, modernize the platforms on which it sailed, and define its own role within national affairs and in the broader global maritime commons--

american lion andrew jackson in the white house: *Destiny's Consul* Michael P. Riccards, 2012-06-19 What makes a great president? Certainly leadership, accomplishments, crisis management, political skill, character, and integrity are part of the equation, but the great presidents have something more. They not only govern well, but are part of something lasting; their presidencies influence the thoughts and beliefs of generations. These powerful men are not flawless leaders, they have made mistakes and miscalculations, but in the end their decisions have changed the nation and often the world. In *Destiny's Consul: America's Greatest Presidents*, presidential scholar Michael P. Riccards provides a concise introduction to the lives, presidencies, and personal qualities of ten great individuals whom Riccards argues are our greatest presidents. Organized chronologically, George Washington, Thomas Jefferson, Andrew Jackson, James K. Polk, Abraham

Lincoln, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, and Ronald Reagan are shown to truly be great. It will be of interest to anyone interested in the presidency of American history.

american lion andrew jackson in the white house: The Encyclopedia of the Mexican-American War Spencer C. Tucker, 2012-10-09 This user-friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military, social, political, cultural, and economic aspects of the Mexican-American War. The Encyclopedia of the Mexican-American War: A Political, Social, and Military History provides an in-depth examination of not only the military conflict itself, but also the impact of the war on both nations; and how this conflict was the first waged by Americans on foreign soil and served to establish critical U.S. military, political, and foreign policy precedents. The entries analyze the Mexican-American War from both the American and Mexican perspectives, in equal measure. In addition to discussing the various campaigns, battles, weapons systems, and other aspects of military history, the three-volume work also contextualizes the conflict within its social, cultural, political, and economic milieu, and places the Mexican-American War into its proper historical and historiographical contexts by covering the eras both before and after the war. This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States, which resulted in the U.S. Civil War.

american lion andrew jackson in the white house: Affairs of State Robert P. Watson, 2012-09-06 In recent years, Arnold Schwarzenegger, Eliot Spitzer, John Edwards, Newt Gingrich, Herman Cain, and countless other politicians have made headlines for their sexual scandals. But such stories are not new. Indeed, there is a long history of misbehavior in politics, including in the nation's highest office. Bill Clinton, it can safely be said, was not the first president to misbehave, nor was he the worst. In fact, there is a long history of presidential peccadilloes. Many presidents have been influenced and had their careers affected by the hand of a woman, sometimes that of a wife or mother, but at other times that of a mistress. But these stories are rarely told. Instead, history has tended to glorify our leaders. Such a scrubbed version of the lives of presidents, however, omits their marital woes, love lives, and sexual peccadilloes. As Robert P. Watson reveals, it is precisely these intimate and all-too-human moments that provide some of the most valuable insights into our leaders. Affairs of State is not just about sex and scandal—the “who did it” of history—although such incidents are described in detail. It is a book about love, marriage, and affairs in the White House, offering an intimate character study of the First Couples who made history. To see the author discuss his book on Inside South Florida, please click [here](#). To see him discuss the book on C-SPAN, please click [here](#).

american lion andrew jackson in the white house: Main Achievements of American Presidents Heinz-Dietrich Fischer, 2014 After George Washington was inaugurated in 1789 in New York, he visited Columbia University - the college where, close to 130 years later, the Pulitzer Prizes were established. In this book, one of Washington's biographers, Douglas S. Freeman, who earned the Pulitzer Prize, describes this remarkable event. The book also contains Pulitzer Prize-winning excerpts regarding 14 other US presidents who initiated special projects or had to manage difficult situations during their time in office. Selections from other Pulitzer Prize-winning books show how Abraham Lincoln abolished slavery, how Woodrow Wilson developed his concept of the League of Nations, how Franklin D. Roosevelt had to face the tragedy of Pearl Harbor, and how John F. Kennedy handled the Berlin crisis. (Series: Pulitzer Prize Panorama - Vol. 7)

american lion andrew jackson in the white house: The Encyclopedia of the Wars of the Early American Republic, 1783-1812 Spencer C. Tucker, 2014-06-11 Relatively little attention has been paid to American military history between 1783 and 1812—arguably the most formative years of the United States. This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era. This encyclopedia offers a comprehensive examination of U.S. military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812. It enables a detailed study of the Early Republic, during which

ideological and political divisions occurred over the fledgling U.S. military. The entries cover all the important battles, key individuals, weapons, Indian nations, and treaties, as well as numerous social, political, cultural, and economic developments during this period. The contents of the work will enable readers at the high school, college, university, and even graduate level to comprehend how political parties emerged, and how ideological differences over the organization, size, and use of the military developed. Larger global developments, including Anglo-American and Franco-American interactions, relations between Middle Eastern states and the United States, and relations and warfare between the U.S. government and various Indian nations are also detailed. The extensive and detailed bibliographies will be immensely helpful to learners at all levels.

american lion andrew jackson in the white house: *Guide to the Presidency and the Executive Branch* Michael Nelson, 2012-08-13 This comprehensive two-volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U.S. presidency. Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure, powers, and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W. Bush presidency, the 2008 election, and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad, and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U.S. presidency, and all chapters in each subject area have been revised and updated: Origins and Development of the Presidency, including constitutional beginnings, history of the presidency and vice presidency, and presidential ratings Selection and Removal of the President, including the electoral process, a chronology of presidential elections, removal of the president and vice president, and succession Powers of the Presidency, including the unilateral powers of the presidency and those as chief of state, chief administrator, legislative leader, commander in chief, and chief economist The President, the Public, and the Parties, including presidential appearances, the president and political parties, the president and the news media, the presidency and pop culture, public support and opinion, and the president and interest groups The Presidency and the Executive Branch, including the White House Office, the Office of the Vice President, supporting organizations, the cabinet and executive departments, presidential commissions, and executive branch housing, pay, and perquisites Chief Executive and Federal Government, including the president and Congress, the president and the Supreme Court, and the president and the bureaucracy Presidents, their Families, and Life in the White House and Beyond, including the daily life of the president, the first lady, the first family, friends of presidents, and life after the presidency Biographies of the Presidents, Vice Presidents, First Ladies This new volume also features more than 200 textboxes, tables, and figures. Major revisions cover the supporting White House organizations and the president's role as chief economist. Additional reference materials include explanatory headnotes, as well as hundreds of photographs with detailed captions.

american lion andrew jackson in the white house: *Encyclopedia of U.S. Political History* Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U.S. political development through a unique chronological framework *Encyclopedia of U.S. Political History* explores the events, policies, activities, institutions, groups, people, and movements that have created and shaped political life in the United States. With contributions from scholars in the fields of history and political science, this seven-volume set provides students, researchers, and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day. With greater coverage than any other resource, the *Encyclopedia of U.S. Political History* identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions, culture, behavior, and change. Focusing on both government and history, the *Encyclopedia* brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered. With each volume covering one of seven time periods that

correspond to key eras in American history, the essays and articles in this authoritative encyclopedia focus on the following themes of political history: The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies, and key political figures Economics Military politics International relations, treaties, and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy-topic searching across volumes Maps, photographs, and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 ?Colonial Beginnings through Revolution ?1500-1783
?Volume Editor: Andrew Robertson, Herbert H. Lehman College ?The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic. This volume discusses the diversity of the colonial political experience—a diversity that modern scholars have found defies easy synthesis—as well as the long-term conflicts, policies, and events that led to revolution, and the ideas underlying independence.

VOLUME 2 ?The Early Republic ?1784-1840
?Volume Editor: Michael A. Morrison, Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic. This volume discusses the era of Confederation, the shaping of the U.S. Constitution, and the development of the party system.

VOLUME 3 ?Expansion, Division, and Reconstruction ?1841-1877
?Volume Editor: William Shade, Lehigh University (emeritus) ?This volume examines three decades in the middle of the nineteenth century, which witnessed: the emergence of the debate over slavery in the territories, which eventually led to the Civil War; the military conflict itself from 1861 until 1865; and the process of Reconstruction, which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877.

VOLUME 4 ?From the Gilded Age through the Age of Reform ?1878-1920
?Volume Editor: Robert Johnston, University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year, 1878 marked a new focus in American politics, and it became recognizably modern within the next 40 years. This volume focuses on race and politics; economics, labor, and capitalism; agrarian politics and populism; national politics; progressivism; foreign affairs; World War I; and the end of the progressive era.

VOLUME 5 ?Prosperity, Depression, and War ?1921-1945
?Volume Editor: Robert Zieger, University of Florida Between 1921 and 1945, the U.S. political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts, the Great Depression, and World War II. The main topics covered in this volume are declining party identification; the Roosevelt Coalition; evolving party organization; congressional inertia in the 1920s; the New Deal; Congress during World War II; the growth of the federal government; Franklin D. Roosevelt's presidency; the Supreme Court's conservative traditions; and a new judicial outlook.

VOLUME 6 ?Postwar Consensus to Social Unrest ?1946-1975
?Volume Editor: Thomas Langston, Tulane University This volume examines the postwar era with the consolidation of the New Deal, the onset of the Cold War, and the Korean War. It then moves into the 1950s and early 1960s, and discusses the Vietnam war; the era of John F. Kennedy; the Cuban Missile Crisis; the Civil Rights Act; Martin Luther King and the Voting Rights Act; antiwar movements; The War Powers Act; environmental policy; the Equal Rights Amendment; Roe v. Wade; Watergate; and the end of the Vietnam War.

VOLUME 7 ?The Clash of Conservatism and Liberalism ?1976 to present
?Volume Editor: Richard Valelly, Swarthmore College ?The troubled Carter Administration, 1977-1980, proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president, Ronald Reagan. The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes, social policy, and the size of national government. It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War. Stateless terrorism (symbolized by the 9/11 attacks), the continuing American tradition of civil liberties, and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered.
