

shape of my heart sting

Shape of My Heart Sting: Unpacking the Emotional and Musical Impact

Shape of my heart sting—this phrase evokes a deep sense of emotional complexity and artistic beauty that resonates with many listeners and music lovers. Whether you first encountered this expression through the haunting melody of Sting's iconic song or experienced it as a metaphor for love's bittersweet twists, it carries a weight that's both poetic and profound. In this article, we'll delve into the multifaceted meaning behind the shape of my heart sting, explore the song's significance, and uncover why it continues to captivate audiences worldwide.

The Origins of "Shape of My Heart" by Sting

The phrase "shape of my heart sting" is most commonly associated with Sting's 1993 hit song, "Shape of My Heart." Featured on his album *Ten Summoner's Tales*, the track stands out as one of Sting's most introspective and lyrical works. Unlike his more upbeat or politically charged songs, "Shape of My Heart" explores themes of vulnerability, love, and the search for meaning beneath surface appearances.

A Song Rooted in Metaphor and Mystery

Sting wrote "Shape of My Heart" with the narrative voice of a card player who is not just playing cards but searching for the deeper meanings behind luck, fate, and identity. The "shape of my heart" in this context symbolizes the essence of a person's inner self, hidden from the outside world. The lyrics hint at the pain and complexity of understanding oneself and others:

- > "He deals the cards as a meditation
- > And those he plays never suspect
- > He doesn't play for the money he wins
- > He doesn't play for respect."

This approach invites listeners to think beyond the literal and contemplate the emotional layers that shape human experiences.

Emotional Resonance: Why "Shape of My Heart Sting" Connects Deeply

The emotional sting implied by the phrase "shape of my heart sting" refers to the ache that arises

Frequently Asked Questions

What is the meaning behind Sting's song 'Shape of My Heart'?

The song 'Shape of My Heart' by Sting explores themes of love, vulnerability, and the complexity of human emotions, often interpreted as reflecting on the mysteries of the heart and personal introspection.

When was 'Shape of My Heart' by Sting released?

'Shape of My Heart' was released in 1993 as part of Sting's album 'Ten Summoner's Tales.'

Who wrote 'Shape of My Heart' by Sting?

The song was co-written by Sting and his guitarist Dominic Miller.

What genre does 'Shape of My Heart' by Sting belong to?

The song is primarily classified as pop rock with elements of soft rock and incorporates a melodic, introspective style.

Has 'Shape of My Heart' by Sting been used in any movies or popular media?

Yes, 'Shape of My Heart' has been featured in several movies and TV shows, including the film 'Leon: The Professional,' enhancing its popularity and emotional impact.

What is the significance of the guitar riff in 'Shape of My Heart'?

The distinctive fingerpicked guitar riff, played by Dominic Miller, is central to the song's melancholic and reflective mood, contributing significantly to its enduring appeal.

Shape of My Heart Sting: A Deep Dive into Its Meaning and Cultural Impact

shape of my heart sting has captivated audiences worldwide, resonating beyond its immediate musical appeal to evoke a complex emotional landscape. The phrase, often associated with the iconic song "Shape of My Heart" by Sting, encapsulates themes of vulnerability, introspection, and the enigmatic nature of human emotions. This article seeks to explore the multifaceted dimensions of "shape of my heart sting," examining its lyrical depth, cultural significance, and enduring legacy in popular music.

Exploring the Origins and Context of "Shape of My Heart"

"Shape of My Heart" is a track from Sting's 1993 album *Ten Summoner's Tales*. The song stands out for its poignant lyrics and understated musical arrangement, blending elements of pop and jazz with a melancholic undertone. Written by Sting and his longtime collaborator Dominic Miller, the song diverges from typical love ballads by presenting a narrative rooted in introspection rather than romantic idealism.

The "sting" in "shape of my heart sting" can be interpreted both literally and metaphorically. Literally, it refers to the emotional pain or sting that accompanies heartbreak or deep personal reflection. Metaphorically, it suggests the sharp, often unspoken truths about oneself and relationships that the song delicately unveils. This dual interpretation adds layers of complexity to the phrase, making it a rich subject for analysis.

Lyrical Analysis and Thematic Depth

At the heart of "Shape of My Heart" lies a profound lyrical exploration of human vulnerability. Sting uses the metaphor of a card player who is not driven by luck or money but by a deeper, almost spiritual quest to understand the "shape of his heart." This metaphor signifies the search for meaning within the self—a quest often fraught with emotional stings or revelations.

Key lines such as "He deals the cards as a meditation / And those he plays never suspect" suggest a hidden depth beneath surface appearances. The "sting" here could be the pain of self-awareness or the consequences of living a life where emotions are carefully guarded. Unlike more straightforward pop songs, this track invites listeners to ponder the complexities of identity, fate, and emotional resilience.

Cultural and Musical Impact of "Shape of My Heart"

Since its release, "Shape of My Heart" has transcended its original context to influence various musical genres and artists. The song's melancholic melody and introspective lyrics have made it a favorite among musicians seeking to convey nuanced emotional states.

Influence on Contemporary Music

The song's distinctive guitar riff, composed by Dominic Miller, has been sampled and reinterpreted in numerous tracks across genres, from hip-hop to electronic music. For instance, Nas's 2002 hit "The Message" prominently features the guitar riff from "Shape of My Heart," illustrating the song's cross-genre appeal and its role in bridging musical styles.

Moreover, the song's themes of vulnerability and self-examination resonate with artists who explore emotional authenticity in their work. It has inspired covers by numerous artists, each bringing their

own interpretation to Sting's original composition, further cementing its status as a timeless piece.

Emotional Resonance and Listener Reception

The "sting" in the emotional expression of the song often strikes a chord with listeners who identify with feelings of loss, introspection, or existential questioning. This emotional connection is a significant factor in the song's enduring popularity.

Listeners frequently describe the song as evocative and haunting, highlighting how Sting's vocal delivery and the minimalist instrumentation create an intimate atmosphere. The subtle sting of melancholy embedded in the melody and lyrics allows for a profound personal experience, making the song a staple in playlists centered on reflective moods.

Comparing "Shape of My Heart" with Other Sting Works

Sting's extensive catalog features a range of themes and musical styles, but "Shape of My Heart" occupies a unique place in his oeuvre. Compared to more upbeat or politically charged songs like "If I Ever Lose My Faith in You" or "Desert Rose," this track delves more deeply into personal introspection.

Musical Composition and Arrangement

Unlike Sting's more rhythm-driven works, "Shape of My Heart" is marked by its sparse instrumentation—primarily acoustic guitar and subtle string arrangements. This minimalist approach allows the song's lyrical content and emotional nuance to take center stage.

The arrangement's elegance and restraint contrast with the complexity of the emotions conveyed, creating a tension that enhances the "sting" of the heart's shape—complex, fragile, and often concealed. This musical choice aligns perfectly with the song's thematic exploration of hidden truths and emotional subtlety.

Pros and Cons of the Song's Artistic Approach

- **Pros:**

- Timeless emotional appeal through universal themes of introspection and vulnerability.
- Minimalist composition that highlights lyrical depth.
- Crossover appeal influencing diverse music genres.

- **Cons:**

- Its subtlety may not resonate with listeners seeking more direct, upbeat music.
- The abstract lyrical content might be challenging for those unfamiliar with metaphorical songwriting.

Relevant LSI Keywords and Their Role in Understanding "Shape of My Heart Sting"

To fully appreciate the phrase "shape of my heart sting," it is helpful to consider related keywords that naturally complement its meaning and context. These include terms such as "Sting song analysis," "emotional depth in music," "Sting guitar riff," "heartache in lyrics," and "introspective songwriting."

These keywords underscore critical aspects of the song's identity: the artist's name (Sting), the emotional nuance embedded in the lyrics, and the musical features that contribute to its signature sound. Incorporating these LSI keywords enriches the discussion and enhances discoverability for audiences seeking deeper insights into the song.

The Role of Emotional Symbolism in Popular Music

"Shape of my heart sting" exemplifies how emotional symbolism operates in music to convey complex feelings without explicit exposition. In contemporary songwriting, such symbolism enables artists to connect with listeners on a subconscious level, often eliciting empathy and introspection.

In this context, the "sting" represents not just pain but also awakening and growth. The "shape" metaphor suggests that emotions have contours—they are not flat or one-dimensional but intricate and evolving. This nuanced portrayal challenges conventional narratives of love and loss, offering a more mature, reflective perspective.

Continued Relevance in Modern Media and Culture

Beyond music, "Shape of My Heart" and the phrase "shape of my heart sting" have permeated other media forms, including film, television, and advertising. Its use often aims to evoke a contemplative mood or underscore moments of emotional gravity.

This cultural penetration reflects the song's ability to transcend its original medium, becoming a

symbol of the human emotional experience. Its resonance continues to inspire new generations, ensuring that its "sting" remains a potent force in artistic expression.

The phrase "shape of my heart sting" thus encapsulates a profound intersection of music, emotion, and cultural expression, inviting ongoing exploration and appreciation.

Shape Of My Heart Sting

shape of my heart sting: The Album James E. Perone, 2012-10-17 This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well-known and mainstream to the quirky and offbeat. The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R&B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over this 50-year period. Due to its examination of a broad time frame and wide range of musical styles, and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.

shape of my heart sting: Top 100 Music: The Greatest Songs, Albums, and Artists of All Time Navneet Singh, □ Book Structure: Top 100 Music 1□ Introduction Purpose of the Book: Briefly introduce the concept of the list. Is it a ranking of the greatest songs, albums, or artists? Explain the criteria used for selection (e.g., popularity, critical acclaim, cultural impact). Acknowledge any biases (e.g., genre preference, era-specific highlights). Why This List Matters: Discuss the importance of music in shaping culture, uniting people, and reflecting societal changes. 2□ How the List Was Created Methodology: Describe the process of selecting the top 100. Did you consider charts, sales, streaming data, or critical reviews? Mention any key sources (e.g., Billboard, Rolling Stone, Pitchfork). Diversity in the List: Highlight diversity in genres, regions, and eras to ensure a comprehensive selection. 3□ The Top 100 Breakdown Each entry can be 1/2 page or 1 page depending on the depth of coverage. □ Format for Each Entry: Rank & Title: Position and name of the song/album/artist. Artist/Album Details: Release date, genre, and production info. Impact/Significance: Explain why it's on the list. Cultural, emotional, and industry influence. Fun Fact (Optional): Add a brief interesting fact or anecdote. □ Grouping Suggestions: By Decades: E.g., 1960s, 70s, 80s, 90s, 2000s, 2010s, 2020s. By Genre: Rock, Pop, Hip-Hop, Jazz, R&B, Country, etc. By Artist/Album Type: Solo acts, bands, debut albums, greatest hits. 4□ Spotlight: Key Moments in Music History Milestone Events: The rise of MTV, streaming revolution, introduction of auto-tune, etc. Game-Changing Artists: Pioneers who transformed the music landscape. Genre Evolution: How genres like rock, hip-hop, and EDM evolved over time. 5□ Behind-the-Scenes Trivia Interesting Stories: Unreleased tracks, hidden meanings in lyrics, or iconic recording sessions. Collaborations That Changed Music: Famous duets, unexpected partnerships, and legendary collaborations. 6□ Conclusion & Reflection Final Thoughts: Recap the diversity and richness of music history. Reflect on how these 100 entries have shaped modern music. Future of Music: Briefly discuss where music is headed (AI, new platforms, global fusions).

shape of my heart sting: *What Are My Chances?* Vicente (Tex) Hernandez, 2025-04-03 This book emphasizes the significance of meaning in the choices we make. Life Management is more than just handling personal projects; it's a holistic approach to balancing and improving all areas of life to achieve overall well-being and fulfillment. Age influences how we plan: younger people must turn

their imagination into achievable steps, while older individuals often face uncertainties. Regardless of age, thoughtful planning is key to turning dreams into reality, with each stage requiring a different approach. Along the way, we may sometimes lose direction, but we need to address this now because life is short. If we don't organize our lives, we risk feeling lost, disoriented, and uncertain about what to expect

shape of my heart sting: Fearless Maimah S. Karmo, 2012-11-01 One woman's memoir of getting a cancer diagnosis at age thirty-two—and how rediscovering her faith in God carried her through to a second chance at life. A breast cancer diagnosis at age thirty-two left Maimah Karmo's world shattered. She was the survivor of civil unrest in Liberia, a college-educated corporate professional, and a dedicated mother to her daughter—breast cancer was not part of the plan. How could this happen? With the help of family and friends, Maimah uncovered her own strength, rediscovered her faith in God, and navigated a completely foreign medical world. Through this struggle to reclaim her body and her soul, she learned what was truly important in life—and she didn't stop there. During recovery, Maimah took a leap of faith and founded the Tigerlily Foundation, an organization that supports young women before, during, and after breast cancer. She had lived through her own journey; now she wanted to help others do the same. This inspiring account covers Maimah's journey through an exceptional childhood to her experience with cancer that would change her life forever. It is not only a story of love and determination, but also of what can happen when you are given a second chance at life. Fearless illustrates that even when a situation appears to be impossible, true faith—in yourself, in God, and in those you love—will lead you toward the life you always wanted, the life you have a reason to fight for.

The Hal Leonard Vocal Sheet Music series is an exciting new series for singers, featuring authentic piano accompaniments and custom guitar chord diagrams, tailored to each song's unique chord progressions and designed to provide realistic support. 33 contemporary ballads are included in this volume: Angel * Bridge over Troubled Water * Careless Whisper * (Everything I Do) I Do It for You * Faithfully * Glory of Love * Hard to Say I'm Sorry * Hey Jude * I Honestly Love You * Just the Way You Are * Killing Me Softly with His Song * Right Here Waiting * Save the Best for Last * Shape of My Heart * Time After Time * Tiny Dancer * Un-break My Heart * Wonderful Tonight * and more.

shape of my heart sting: David Pablo Joanna Yulia Kluge, 2025-02-24 »Ich habe dich im Wasser stehen sehen – und dir einen Namen gegeben...« – dies sagt die namenlose Protagonistin am Anfang zu David Pablo, und sie beginnt, ihm ihre Geschichten zu erzählen. Malena, ein Sinti-Mädchen im Schatten des Holocaust (Porajmos), Susa, die in der DDR zur Abtreibung gedrängt wird und Una, die den Schrecken des Jugoslawienkriegs überlebt. In »David Pablo« verknüpft Joanna Yulia Kluge diese Geschichten zu einem vielschichtigen Bild der Suche nach Freiheit und Selbstbestimmung und stellt dabei die Fragen: Was ist natürlich, was ist künstlich? Wo beginnt Freiheit, und wann wird sie genommen? Was bleibt verborgen, was tritt ans Licht, verleiht uns eine neue Gestalt und die Fähigkeit zu sprechen oder lässt uns schweigen? »David Pablo« ist ein ebenso filigraner wie facettenreicher Roman über transgenerationale Traumata, Identität und die

Widerständigkeit des Lebens selbst. Und mit Sicherheit eines der wichtigsten literarischen Debüts 2025.

shape of my heart sting: Das Prager Trauma Jonas Schönberger, 2021-04-23 Doktor Silas Wilford Staufenberg ist ein erfolgreicher und renommierter Psychiater, einer der besten seines Faches. Und sich selbst der beste Patient. Geplagt von schrecklichen Tagträumen und Halluzinationen versucht er, seine zur Frau heranreifende Tochter vor sich in Sicherheit zu bringen, er fürchtet die Kontrolle über sich zu verlieren, und bittet einen alten Freund und Kollegen um Rat. Als ein Patient Staufenberg den Abschiedsbrief einer erhängten Frau vorlegt, wird eine folgenschwere Verkettung von Ereignissen losgetreten, die das Leben aller Protagonisten schlagartig verändert. Schönbergers Debut neu aufgelegt: Erschütternd, kühl, psychologisch. Die neu überarbeitete Fassung dehnt den Handlungsstrang weiter aus, beleuchtet weitere Hintergründe und bekommt einen neuen Schluss, der noch einmal alles verändert.

shape of my heart sting: *Electronic Music School* Will Kuhn, Ethan Hein, 2021 *Electronic Music School: A Contemporary Approach to Teaching Musical Creativity* is a practical blueprint for teachers wanting to begin teaching music technology to secondary age students. Will Kuhn and Ethan Hein inspire classroom music teachers to expand beyond traditional ensemble-based music education offerings to create a culture of unique creativity and inclusivity at their schools. Part One offers an overview of the philosophical and institutional aspects of starting a music technology program, with a particular focus on the culture of electronic music surrounding digital music creation tools. Part Two dives deep into curricula for music lab classes, including several lesson examples and techniques. This section also includes abbreviated project plans for teachers who have fewer contact hours with their students. Part Three discusses how music technology courses can grow into a larger media creation program, how such a program can contribute to the broader school culture, and how project-based music learning effectively prepares students for careers in media. *Electronic Music School* also includes narratives from music technology students themselves, who often have an intuitive understanding of the future directions music technology programs can take.

shape of my heart sting: *Imagine* Lars Amend, 2023-10-11 Vom Café am Rande der Welt in den Plattenladen am Ende der Straße Eine inspirierende Erzählung über den Sinn des Lebens und wahre Erfüllung: ob man das bekommt, was man will oder das, was man ist. Erik ist 37 Jahre alt und ein erfolgreicher Life Coach. Bis der plötzliche Tod einer Schulfreundin erste Zweifel über sein Leben hervorruft. Wenn ich heute sterben würde, hätte ich dann wirklich ein erfülltes Leben geführt? Wann war ich das letzte Mal eigentlich von Herzen glücklich? Wann habe ich zuletzt Tränen gelacht? Fragen, die Erik auf dem Rückweg von der Beerdigung jener Freundin durch den Kopf gehen. Als sein Zug plötzlich mitten im Nirgendwo zum Stehen kommt, geht Erik zu Fuß los. Er gelangt in ein Dorf, wo in einem Geschäft zu dieser späten Stunde noch das Licht brennt. Ein Schallplattenladen, der ihn sofort an jene Zeit erinnert, als er noch davon träumte, als DJ die Welt zu erobern. Ohne es zu ahnen, beginnt für Erik in dieser Nacht eine musikalische Reise zu sich selbst ...

shape of my heart sting: *Book of Anger* J. M. Wilson, 2012-04-26 The feminist scholar Kate Millet wrote that women are hungry to have their unspoken voices heard and to finally know the stories of their sisters and mothers throughout time. Author J. M. Wilson has sought out the sound of that voice, the Voice of a Woman, and in her groundbreaking play *Book of Anger* she feeds that hunger of women around the world to listen and be heard. In *Book of Anger*, true artist of women's theater, storytelling and poetic prose, J. M. Wilson delivers an uncompromising view of the abuses and survival of females from childhood to womanhood. The shocking reality of the social casting of women as victims is challenged by her tales of women's inherent spiritual valor. Not merely a

histrionic harangue, but a seductive melody of hope, *Book of Anger* tells the story of deliverance from the futile hopelessness of the victim to the passionate living woman who rises unconquered despite the attempted murder of her soul. In the tradition of Ntozake Shange's *For Colored Girls* J.M. Wilson has created a landmark piece of poetry in the round. The craft and power of *Book of Anger* affirms the belief that there is still an audience for brutally realistic fiction as opposed to the manufactured products of reality that we are inundated with today. For Wilson makes it clear that, in the words of noted playwright Anna Deavere Smith, these stories, are not offered as truths but as fictions that attempt to tell other truths, the kinds of truths that live in fiction and in the imaginary worlds. *Book of Anger* fiercely questions bigotry based on color, race, sexuality, and gender, in extraordinarily evocative language and imagery to repay the reader and viewers attention. This latest edition of Wilson's play features an introduction by award winning poet and Women's historian, Patricia Monaghan (acclaimed author of *Goddesses and Heroines*) making *Book of Anger* a work not to be missed.

shape of my heart sting: The Book of Blacklights J.Moore, 2025-05-09 The *Book of Blacklights* Seeing the light in darkness—and the darkness in light. For the seekers, the rebels, the wanderers of inner realms—this is not your typical spiritual book. The *Book of Blacklights* is a series of raw, illuminating conversations that cut through the fluff of mainstream metaphysics, bypassing recycled guru-speak and spiritual bypassing. This is a guide for those who feel the shadows and want to understand them, not run from them. This is a book that says the things a chosen few have been thinking and trying to piece together, that other books and individuals will regurgitate in some meme or other commercial form for clicks, likes, and subscriptions once they find out, but this lets you get the most out of it-- all honestly drawn from living life. Most of the book is based on the philosophy that at the core all of existence is BEING BE-ing Being(s). The more notable phrase in the book is "It is what it is. Nothing more, nothing less. Everything is something to do. C'est la guerre et la vie. Be honest. Walk your walk." Drawing from the darker edges of consciousness, philosophy, practical honest spirituality, and even some esoteric thinkings, this book invites you into a lucid state of awareness—a Blacklight way of Being. It's a space where truth isn't sanitized, where darkness and light are seen for what they are: reflections, teachers, mirrors of the soul. Just some food for thought, about BEING BE-ing Beings, life and living it, and having your being as one able to "See the light in darkness, and the darkness in light" as to understand abundance more honestly. Told through intimate, often candid, and metaphysical dialogues rather than traditional chapters, The *Book of Blacklights* explores topics such as: | The loneliness of spiritual ascension | The honest chaos of "self-ishness" and identity | An honest perspective on saving a perfect world that does not want to be saved, and understanding that concept clearer so you don't waste your time on it | The Divine masculine and divine feminine, and the parents and source of GOD | Breakdowns of BEING BE-ing Beings which is also I AM, and other trinities | What it means to Be in "The 3 Spiritual Relationships"—having spirit(s), being in a spirit(s), and being with spirit(s) | 3 different ways individuals end up "here" ("Freely" coming here, Being born here, or Being sent/forced here) | More practical and honest dealing with programmed religion and hollow dogma | Consciousness as both mystery and mechanism | The mathematics of Mind and Matter: Mind over Matter (division), Mind multiplied by Matter, Matter added to Mind, etc. | Practical spirituality for a post-apocalyptic soul | Life and living it, BEING BE-ing Being(s), and even lineage through a "guitar lesson" ...and more. Inspired by deeper truths often avoided in popular spirituality, this work is both mirror and lantern—showing one honest path not by leading, but by confronting and walking with. Whether you're into mysticism, shadow work, apocalyptic philosophy, or just tired of surface-level answers, The *Book of Blacklights* is your invitation to a richer, rawer, more honest experience of existence. All food for thought for those who can digest it. This is one way of viewing the big picture for those who walk the edge. Who question everything. Who know that knowing thyself means digging through both light and shadow—and daring to stay awake. This book is part of a larger collection of books called The *Book of The Samurai Ruach*, which is featured in the *Samurai Ruach* project. There are two halves of the *Samurai Ruach* project, the first half being an all-genres faith-based adventure

series of books, which also has a card game (The Game of Sevens a.k.a. Mind Over Matter). The second half of the project is the books of thought and philosophy, The Book of The Samurai Ruach. The project can be found at www.Samurairuach.com and www.Patreon.com/SamuraiRuachTheSeries

Add shadow to custom shape on Android - Stack Overflow Is it possible to add a drop shadow to a custom shape in Android? After looking through the documentation, I only see a way to apply a text shadow. I've tried this with no luck: <?xml

python - shape vs len for numpy array - Stack Overflow Still, performance-wise, the difference should be negligible except for a giant giant 2D dataframe. So in line with the previous answers, df.shape is good if you need both

android - How to set shape's opacity? - Stack Overflow I already know how to set the opacity of the background image but I need to set the opacity of my shape object. In my Android app, I have it like this: and I want to make this black

python - 'list' object has no attribute 'shape' - Stack Overflow list object in python does not have 'shape' attribute because 'shape' implies that all the columns (or rows) have equal length along certain dimension. Let's say list variable a has

What does .shape [] do in "for i in range ([0])"? shape is a tuple that gives you an indication of the number of dimensions in the array. So in your case, since the index value of Y.shape[0] is 0, you are working along the first dimension of

arrays - what does numpy ndarray shape do? - Stack Overflow 82 yourarray.shape or np.shape() or np.ma.shape() returns the shape of your ndarray as a tuple; And you can get the (number of) dimensions of your array using

python - [0] vs x [0].shape in NumPy - Stack Overflow 10 x[0].shape will give the Length of 1st row of an array. x.shape[0] will give the number of rows in an array. In your case it will give output 10. If you will type x.shape[1], it will

tensorflow placeholder - understanding `shape= [None,` You can think of a placeholder in TensorFlow as an operation specifying the shape and type of data that will be fed into the graph.placeholder X defines that an unspecified number of rows of

python - ValueError: shape mismatch: objects cannot be broadcast ValueError: shape

mismatch: objects cannot be broadcast to a single shape It computes the first two (I am running several thousand of these tests in a loop) and then dies

What does shape[0] and shape[1] do in python? - Stack Overflow In python shape [0] returns the dimension but in this code it is returning total number of set. Please can someone tell me work of shape [0] and shape [1]? Code: m_train =
