Gaspipe Confessions of a Mafia Boss: Unveiling the Dark Secrets of the Underworld

gaspipe confessions of a mafia boss immediately conjure images of shadowy figures, secretive meetings, and long-hidden truths finally coming to light. These confessions, often recounted in hushed tones or through gripping memoirs, offer rare glimpses into the clandestine operations of organized crime. But what exactly are these gaspipe confessions, and why have they captivated the public's imagination for decades? Let's dive into the story behind these revelations and explore their significance in the broader context of mafia history and criminal psychology.

What Are Gaspipe Confessions?

At its core, gaspipe confessions refer to the candid, often incriminating admissions made by a mafia boss, sometimes under duress, but frequently as a form of personal catharsis or bargaining chip. The term "gaspipe" is evocative, suggesting a raw, unfiltered outpouring – like a burst of gas escaping a pipe – that reveals the inner workings and dark realities of mob life. These confessions can come in many forms: taped interviews, written memoirs, courtroom testimonies, or even whispered stories passed down through insiders.

The Origins of the Term

The phrase "gaspipe" gained popularity partly due to its association with notorious mafia figures who spoke openly about their criminal exploits. In some cases, the term is linked to a specific individual or event, but more broadly, it captures the essence of exposing the hidden truths of the mafia world. The confessions often include shocking details about illegal enterprises, betrayals, power struggles, and the psychological toll of living a life steeped in violence and secrecy.

The Psychological Landscape Behind Mafia Confessions

Why would a mafia boss break the code of silence, known as "omertà," to reveal secrets that could endanger themselves and their families? Understanding the psychology behind such confessions provides fascinating insights into organized crime dynamics.

Pressure and Paranoia

Mafia bosses operate under constant threat—from law enforcement, rival gangs, and even their own associates. The stress can be overwhelming, leading some to confess as a way to relieve psychological burden. The metaphor of a

gaspipe breaking under pressure is apt: the pent-up tension eventually forces an outlet.

Bargaining for Leniency

Often, confessions are strategic moves. Facing long prison sentences or life-threatening situations, some bosses opt to cooperate with authorities, exchanging valuable information for reduced charges or protection. These confessions are calculated yet deeply revealing, exposing the structural and operational facets of the mafia.

The Need for Redemption

On a more human level, some mafia bosses reveal their stories as a form of redemption—attempting to make sense of their past, confessing sins, or warning others about the perils of the criminal path. These narratives add layers of complexity to the stereotypical image of the ruthless mobster.

What Do Gaspipe Confessions Reveal About Mafia Life?

The value of these confessions lies in their ability to peel back the layers of secrecy surrounding organized crime. Let's explore some of the key themes and revelations that often emerge.

Inner Workings of the Mafia Hierarchy

Gaspipe confessions frequently outline the mafia's rigid hierarchical structure—from low-level "soldiers" to "capos" and ultimately the "boss." These detailed accounts shed light on how orders flow, how disputes are settled internally, and the mechanisms of control and loyalty enforcement.

Criminal Enterprises and Money Laundering

Many confessions delve into the diverse illegal activities the mafia engages in: drug trafficking, extortion, illegal gambling, loan sharking, and sophisticated money laundering operations. The confessions often highlight how these ventures are interlinked and how the mafia maintains financial secrecy.

Betrayal and Violence

Stories of betrayal are common in these revelations. Gaspipe confessions expose the brutal reality of mob justice—where suspicion leads to violent retribution, and alliances can shift overnight. These narratives help explain the pervasive atmosphere of mistrust and fear within the organization.

Impact of Gaspipe Confessions on Law Enforcement and Pop Culture

The release of such confessions has had a profound impact far beyond the courtroom or jail cell.

Law Enforcement Strategies

Police and federal agencies have used these insider accounts to dismantle mafia operations. Confessions provide actionable intelligence, reveal hidden networks, and expose corrupt officials colluding with the mob. They have led to landmark prosecutions and a better understanding of organized crime's evolving tactics.

Influence on Media and Literature

Gaspipe confessions have inspired countless books, films, and TV shows. From gritty documentaries to Hollywood blockbusters, audiences are fascinated by the authentic voices behind the mafia mystique. These stories humanize criminals while also highlighting the dangers and moral complexities of their world.

Lessons and Insights from Mafia Boss Confessions

Beyond entertainment and law enforcement, gaspipe confessions offer valuable lessons about human behavior, power dynamics, and societal impact.

- **The Cost of Power:** The confessions illustrate how the pursuit of control can lead to isolation, paranoia, and destruction.
- **The Fragility of Loyalty:** Despite codes of honor, self-interest often trumps allegiance in the underworld.
- **The Importance of Transparency:** These revelations underscore how secrecy enables corruption and crime, reinforcing the need for accountability in all institutions.

Tips for Researchers and Enthusiasts

If you're interested in exploring gaspipe confessions of mafia bosses, here are a few recommendations:

1. **Seek Primary Sources:** Look for autobiographies, court transcripts, and

verified interviews rather than secondhand summaries.

2. **Understand the Context:** Mafia culture is complex and varies by region and era. Background research helps interpret confessions accurately.
3. **Analyze Motives:** Recognize that confessions may be self-serving or influenced by external pressures.
4. **Respect the Human Element:** Behind every confession is a person grappling with their past—approach the material with empathy and critical thinking.

Exploring the gaspipe confessions of a mafia boss not only satiates curiosity about the criminal underworld but also provides a mirror to some of society's darker realities. These stories remind us that behind the headlines and the myths, there are intricate human dramas involving ambition, fear, regret, and the quest for identity. As more confessions come to light, our understanding of organized crime continues to deepen, offering lessons that stretch beyond the shadows into the light of justice and awareness.

Gaspipe Confessions of a Mafia Boss: An Investigative Insight into Organized Crime Narratives

gaspipe confessions of a mafia boss have long captured the public's imagination, offering a rare glimpse into the clandestine world of organized crime. These revelations, often emerging from court testimonies, autobiographies, or undercover investigations, provide critical details that help law enforcement agencies dismantle criminal networks. The phrase itself evokes a potent image of raw, unfiltered truth emerging from the depths of the mafia's shadowy operations, frequently characterized by violence, loyalty, and betrayal. This article delves into the significance of such confessions, their impact on mafia studies, and the broader implications for society and justice systems.

The Intrigue Behind Gaspipe Confessions

The term "gaspipe confessions" is not merely a dramatic label but a representation of candid admissions made by high-ranking mafia figures, often under duress or as part of plea deals. These confessions can range from detailed accounts of illicit activities, such as money laundering, extortion, and contract killings, to insights about the mafia's internal hierarchy and code of silence, known as omertà. The exposure of this clandestine world through such confessions has been instrumental in understanding the operational mechanics of organized crime syndicates.

One notable example is the confession of a mafia boss known by the nickname "Gaspipe," whose revelations brought unprecedented clarity to the inner workings of the mafia. The term has since become synonymous with insider accounts that break through the veil of secrecy surrounding these criminal organizations.

Contextualizing Gaspipe Confessions in Mafia History

Historically, mafiosi have adhered strictly to omertà, making confessions rare and highly valuable. When a mafia boss breaks this code, it is often due to immense legal pressure, fear of life imprisonment, or a strategic decision to protect family members. The consequences of such confessions are far-reaching, often leading to criminal prosecutions, reconfigurations within the

mafia, and shifts in power dynamics.

In the United States, the testimonies of mobsters like Joseph Valachi in the 1960s marked a turning point in law enforcement's approach to tackling organized crime. These confessions revealed the mafia's structure and rituals, which were largely unknown to the public and authorities. Similarly, more recent confessions—sometimes dramatized in books and films—continue to shed light on the mafia's evolution in the digital age.

Analyzing the Impact of Mafia Boss Confessions

The gaspipe confessions of a mafia boss carry significant weight in legal, social, and cultural domains. From a judicial perspective, such confessions can be pivotal evidence in prosecuting organized crime figures. However, the reliability and motivations behind these admissions often spark debate.

The Legal Ramifications

Confessions from mafia bosses are frequently part of plea bargains, where defendants cooperate with authorities in exchange for reduced sentences. These statements enable prosecutors to build cases against other members of the organization, effectively disrupting criminal activities.

Nonetheless, the legal system must navigate challenges such as verifying the accuracy of these confessions and guarding against fabricated or exaggerated claims made to gain leniency. Defense attorneys often scrutinize the circumstances under which the confession was obtained, questioning coercion or the defendant's mental state.

Social and Cultural Dimensions

Gaspipe confessions help demystify the mafia, stripping away the glamorized portrayals often seen in popular media. By revealing the brutal realities of power struggles, violence, and betrayal, these narratives contribute to a more nuanced public understanding of organized crime.

Moreover, these confessions influence cultural productions, inspiring films, documentaries, and literature that explore themes of loyalty, morality, and the consequences of a criminal lifestyle. This cultural feedback loop shapes societal perceptions and policy discussions related to crime prevention.

Key Features of Gaspipe Confessions

Examining the content and characteristics of such confessions reveals common features that underscore their importance:

- **Detailed Operational Insights:** Confessions often include intricate descriptions of illegal enterprises, from drug trafficking routes to money laundering schemes, offering law enforcement actionable

intelligence.

- **Hierarchy and Roles:** They clarify the mafia's organizational structure, identifying key players and their responsibilities, which can be crucial for targeting leadership.
- **Code of Silence Violations:** Breaking omertà, these admissions expose methods of enforcing silence and intimidation within the group.
- **Personal Motivations:** Many confessions reveal the emotional and psychological pressures that lead mafia bosses to cooperate, such as fear, remorse, or strategic calculation.

The Pros and Cons of Relying on Mafia Confessions

While gaspipe confessions are invaluable, they come with inherent advantages and limitations:

1. Pros:

- Provide insider knowledge that is otherwise inaccessible.
- Facilitate law enforcement breakthroughs and convictions.
- Help dismantle criminal enterprises systematically.

2. Cons:

- Potentially unreliable due to self-interest or coercion.
- May lead to miscarriages of justice if not corroborated.
- Risk of glamorizing criminals if handled sensationally.

The Evolution of Mafia Confessions in the Digital Era

Technology and media have transformed how mafia confessions are recorded, disseminated, and analyzed. Digital recording devices, surveillance technologies, and data analytics have augmented traditional investigative methods, making confessions more verifiable and impactful.

Furthermore, the internet has facilitated broader public access to these narratives, sometimes through leaked documents, podcasts, or investigative journalism platforms. This increased transparency challenges the mafia's ability to maintain secrecy and intimidation.

However, the digital age also raises concerns about the security and authenticity of such confessions. Cybercrime elements intertwined with traditional organized crime demand sophisticated investigative techniques to interpret and utilize confession data effectively.

The Role of Investigative Journalism and Media

Investigative journalists play a crucial role in contextualizing and disseminating mafia boss confessions. Through painstaking research, interviews, and cross-referencing, they ensure that these confessions are not only reported but critically analyzed for accuracy and implications.

Media portrayals can influence public opinion and policy, making responsible reporting essential to avoid sensationalism. The balance between exposing criminal truths and respecting legal processes remains a delicate task for the press.

The gaspipe confessions of a mafia boss thus serve as a bridge between clandestine criminal worlds and public awareness, mediated by law enforcement, the judiciary, and the media.

As these confessions continue to emerge, they remain vital tools for understanding and combating organized crime, while also challenging society to confront the complexities of justice, loyalty, and morality within the underworld.

Gaspipe Confessions Of A Mafia Boss

gaspipe confessions of a mafia boss: Gaspipe Philip Carlo, 2008-08 Looks into the world of La Cosa Nostra. This book details the author's feud with John Gotti, the 'Windows Case' that led to the beginning of the end for the mob in New York, and his dealings with the NYPD Mafia cops.

gaspipe confessions of a mafia boss: Gaspipe Philip Carlo, 2009-10-13 "If your Sopranos addiction shows no signs of abating," the life and crimes of a mob boss from the New York Times—bestselling author of *The Night Stalker* (Los Angeles Times). The boss of New York's infamous Lucchese crime family, Anthony "Gaspipe" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspipe is Anthony Casso's shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time. "Filled with never-known-before details . . . a very compelling true-crime tale." —CNN "Readers interested in the inner workings of the Mafia will love this chilling look at a Mob boss." —Booklist (starred review) "I couldn't put the book down . . . Truly amazing." —San Jose Mercury News "The inside information about the lifestyle, rituals, killings, and betrayals is priceless. An authoritative look at a once-rampant predator now at bay." —Kirkus Reviews

gaspipe confessions of a mafia boss: QBD Gaspipe Confessions of a Mafia Boss Philip Carlo, 2015-05-18

gaspipe confessions of a mafia boss: Mafia Informants Larry J. Hausner, Ron Haggett, 2024-05-23 For many years, the FBI, led by J. Edgar Hoover, ignored organized crime, as the Bureau regarded local law enforcement as best equipped to handle it. That changed when Attorney General Robert F. Kennedy (in the 1960s) and New York City's Rudy Giuliani (in the 1980s) pursued eradication of the Mafia.. In this book, readers are introduced to several characters in the American Mafia, known as rats in the criminal world, whose cooperation with law enforcement resulted in the arrest of Mafia members across the country. Short biographies of each informant detail their crimes and deals made to stay alive or reduce lengthy prison sentences. FBI and CIA records released in 2017, and books written by the criminals themselves, reveal why previously loyal Mafia members and associates became informants. Most of the criminals written about are dead; a few are presumed to be alive and in the witness protection program.

gaspipe confessions of a mafia boss: Organized Crime in Our Times Jay S. Albanese, 2014-09-25 Provides readers with an understanding of organized crime, including its definition and causes, how it is categorized under the law, models to explain its persistence, and the criminal justice response to organized crime, including investigation, prosecution, defense, and sentencing.

gaspipe confessions of a mafia boss: *Organized Crime* Jay S. Albanese, 2014-11-20 *Organized Crime: From the Mob to Transnational Organized Crime, Seventh Edition*, provides readers with a clear understanding of organized crime, including its definition and causes, how it is categorized under the law, models to explain its persistence, and the criminal justice response to organized crime, including investigation, prosecution, defense, and sentencing. This book offers a comprehensive survey, including an extensive history of the Mafia in the United States; a legal analysis of the offenses that underlie organized crimes; specific attention to modern manifestations of organized crime activity, such as human smuggling, Internet crimes, and other transnational criminal operations; and the application of ethics to the study of organized crime. A new section has been added on threat assessment in organized crime. Chapters are enhanced by updated photos, tables, charts, and critical thinking exercises that help students apply concepts to actual organized crime cases. Every chapter includes two student-friendly special features: *Organized Crime Biography* and *Organized Crime at the Movies*. A glossary gives students a quick reference for looking up important definitions of organized crime-related terms, and a *Timeline of Organized Crime in the United States* highlights important events in the history of organized crime.

gaspipe confessions of a mafia boss: *Underworld* Roman Martín, 2020-10-23 Accurately describes 'the Life,' and the pros and cons of becoming a mobster . . . in a very unique manner that will no doubt have you in stitches. —Frank Cullotta, coauthor of *Cullotta: The Life of a Chicago Criminal*, *Las Vegas Mobster*, and *Government Witness* For the first time in history, there is now an easy-to-follow self-help guide on how to join and rise in the most exclusive men's club in the world—the Italian-American Mafia (aka La Cosa Nostra). Learn everything from loansharking to leg-breaking to corpse disposal, all without leaving the comfort of your mobile home or prison cell. Based on interviews with dozens of former high-ranking Mafiosi and many other hardcore mobsters from across the globe, true-crime auteur Roman Martín has risked life and limb to bring you this spellbinding tour de force. Whether you're a couch-surfing gangster-wannabe or simply someone who's watched *The Godfather* too many times, this breathtaking exposé of the Honored Society offers something for everyone. Pushing the bounds of the First Amendment to their breaking point, Don Martín also reveals the FBI's most closely guarded secrets when it comes to wiseguys and goodfellas. Wanna know the one surefire way to find out who in your crew is an undercover cop or fed? Or the best way to deal with those annoying witnesses? Then look no further, friends, for all your questions about the outlaw lifestyle shall be answered in *Underworld*. I laughed so hard at times that my jaws ached! —Dennis N. Griffin, award-winning true-crime author of *The Rise and Fall of a Casino Mobster: The Tony Spilotro Story*

gaspipe confessions of a mafia boss: *The Big Heist* Anthony M. DeStefano, 2018-06-01 “A comprehensive account of the legendary 1978 heist . . . impressive.” —Kirkus Reviews The crime that inspired the movie *Goodfellas*. The rest of the story that couldn't be told—until now. One of the

biggest scores in Mafia history, the Lufthansa Airlines heist of 1978 has become the stuff of mafia legend—and a decades-long investigation that continues to this day. Pulitzer Prize-winning reporter Anthony DeStefano sheds new light on this legendary unsolved case using recent evidence from the 2015 trial of eighty-year-old mafioso Vincent Asaro, who for the first time speaks out on his role in the fateful Lufthansa heist. This blistering you-are-there account takes you behind the headlines and inside the ranks of America's infamous Mafia families—with never-before-told stories, late-breaking news, and bombshell revelations. Praise for Anthony D. DeStefano's TOP HOODLUM: Frank Costello, Prime Minister of the Underworld "An engrossing chronicle of the life of notorious Mafia boss . . . DeStefano's canny insight into the don's mind and motivations set this biography apart from others on Frank Costello." —Publishers Weekly "DeStefano tells Costello's story well." —Kirkus Reviews

gaspipe confessions of a mafia boss: No-Body Homicides Mark Stobbe, 2023-05-05 No-Body Homicides: The Evolution of Investigation and Prosecution examines how police and prosecutors have become more successful in obtaining convictions for homicide when the remains of the victim are unavailable as evidence. Based on an examination of over 600 cases in the United States and Canada, this book shows the length some killers will go to avoid punishment and the determination of police and prosecutors to bring them to justice. For over 300 years, murderers in the United States and Canada could avoid prosecution by successfully disposing of the body of their victim. No-Body Homicides provides the reader with a historical overview of prosecutions in which a killer destroyed or hid the body of the victim. It explains why prosecutions were once extremely rare, and how legal, attitudinal, and technical changes have made them more common. The book also explores how the logic of no-body homicide prosecutions differs from body-present homicides. It allows police and prosecutors to draw on the accumulated experience of hundreds of prosecutions. For criminology students, it provides fascinating insights into the process of investigating and prosecuting homicides – as well as a glimpse into the motivations and practices of killers who are so determined to avoid punishment that they remove the bodies of their victims. No-Body Homicides will be of practical interest to police or prosecutors confronted with a missing person's case that could be sinister. It is also written to be appropriate as a supplementary text in an undergraduate criminology class or for an aficionado of "True Crime."

gaspipe confessions of a mafia boss: Gotti's Boys Anthony M. DeStefano, 2019-07-30 A KILLER LINE-UP In his bloody reign as the head of the Gambino crime family, John Gotti wracked up a lifetime of charges from gambling, extortion, and tax evasion to racketeering, conspiracy, and five convictions of murder. He didn't do it alone. Surrounding himself with a rogues gallery of contract killers, fixers, and enforcers, he built one of the richest, most powerful and violent crime empires in modern history. Pulitzer Prize-winning journalist Anthony M. DeStefano takes you inside Gotti's inner circle to reveal the dark hearts and murderous deeds of the most remorseless and cold-blooded characters in organized crime. Men so vicious even the other Mafia families were terrified of them. Meet Gotti's Boys . . . * Charles Carneglia * Gene Gotti * Angelo "Quack-Quack" Ruggiero * Tony "Roach" Rampino * "Sammy the Bull" Gravano * Frank DeCicco * Vincent Artuso * Joe "The German" Watts * THE ULTIMATE MURDERER'S ROW "DeStefano explores John Gotti's rise to the head of the Gambino family . . . Aficionados are sure to relish the finer, exhaustively researched details." —Publishers Weekly "A thrilling ride . . . DeStefano has written another excellent biography of a memorable group of gangsters and an excellent addition to the history of the Teflon Don." —Booklist

gaspipe confessions of a mafia boss: Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace, organized crime continues to defy definition. A diverse array of activities is perpetuated by criminal organizations, criminal groups and associations, and gangs, and it is clear that one specific label is no longer adequate. This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century. As well as discussing definitions of and the historical roots of organized crime, this book examines various forms of organized crime around the world in the US, Mexico, Latin America and the

Caribbean, Russia and Europe, Asia and Africa. This revised and updated new edition includes coverage of: the rise of the 'Ndrangheta in Italy and their global expansion; the impact of drug legalization on organized crime and the problem of methamphetamine; organ trading, money laundering, and animal poaching; changes in gang traditions and gangland penitentiaries; the decentralization of Mexican cartels, the growth of opium production in Myanmar, and the drug war in Africa; and the advancement of ISIS and the emergence of the Silk Road and the Dark Net. This book is essential reading for students engaged in the study of global and transnational organized crime, with features including chapter overviews, key terms, critical thinking questions, and case studies.

gaspipe confessions of a mafia boss: Brooklyn's Most Wanted Craig McGuire, 2017-06-20
A collected history of the 100 most notorious criminals to walk the streets of the New York City borough. Brooklyn's Most Wanted parades an impressive perp walk of 100 of the borough's most notorious, ranking them meticulously from bad to worst. From crime bosses to career criminals to corrupt politicians, pedophile priests to Ponzi scammers, this is not your usual crime chronicle. You want labor racketeering, Ponzi scheming, hijacking, murder, loan sharking, arson, illegal gambling, money laundering? Fugetaboutit! Take this guided gangland tour of Brooklyn, the broken land, and meet everyone from the South Brooklyn Boys to the Soviet thugs of Brighton Beach's Little Odessa. Want to know what Billy the Kid, John Wilkes Booth and the Son of Sam all have in common? Brooklyn. Anthony "Gaspipe" Casso, Al Capone, Frankie Yale, Paul Vario, Roy DeMeo and so many more malicious malcontents and maniacs stalk these pages, as author Craig McGuire rank a rogues' gallery of the best of the worst from Brooklyn's crime-ridden past and present. This includes more than a century of screaming crime blotter headlines, spotlighting epic cases, like The Brooklyn Godmother, The Sex Killer of Brooklyn, The Nurse Girl Murder, The Long Island Railroad Massacre, The Thrill Kills Gang, and many more. From "Son of Sam" to "Son of Sal," "Little Lepke" to "Big Paulie," "The Butcher of Brooklyn," "The Vampire of Brooklyn," "The Gang Who Couldn't Shoot Straight," and even "The Man Who Murdered Brooklyn Baseball," they're all here. Much more than Murder Incorporated, this book features kingpins and lone wolves alike, with a line-up featuring many of the multi-ethnic mobs mimicking the original La Cosa Nostra—the Russian Mafia, the Albanian Mafia, the Polish Mafia, the Greek Mafia—in fact, this book contains more mafias than you can shake a bloody blackjack at. The author's proprietary Notorious Brooklyn Index analyzes criminal activity, socio-economic type, notoriety, relation to Brooklyn and more for a final score that's far from conjecture—though it will undoubtedly spark debate. Praise for Brooklyn's Most Wanted "Never has anyone put together a look into so many of Brooklyn's worst. This is a great read I highly recommend." —Thomas Dades, retired NYPD detective, bestselling author of Friends of the Family "If you love all-things-Brooklyn like I do, this is an absolute must-read you need on your shelf. . . . A revealing, rousing, rip-roaring tour that will slice you right into the underbelly of New York City's most historic borough." —Ron Valdes, co-founder, Brooklyn Creative Partners

gaspipe confessions of a mafia boss: Read On...Biography Rick Roche, 2012-03-07
Categorizing hundreds of popular biographies according to their primary appeal—character, story, setting, language, and mood—and organizing them into thematic lists, this guide will help readers' advisors more effectively recommend titles. Read On...Biography: Reading Lists for Every Taste is that essential go-to readers' advisory guide, filling a gap in the growing readers' advisory literature with information about 450 biography titles, most published within the last decade, but also including some classic titles as well. The book focuses on life stories written in the third person, with subjects ranging from individuals who lived in ancient times to the present-day, hailed from myriad nations, and gained fame in diverse fields. The contents are organized in order to facilitate identification of read-alikes and easy selection of titles according to appeal features such as character, story, language, setting, and mood. Written specifically with librarians and their patrons in mind, this readers' advisory title will be invaluable in public, high school, and college libraries.

gaspipe confessions of a mafia boss: Carmine and the 13th Avenue Boys Craig McGuire, Carmine Imbriale, 2022-04-26 Now in hiding, a former wiseguy teams up with a veteran true-crime

writer to take you inside Brooklyn's gangland at the height of its violence. This is the true story of Carmine Imbriale—a gambler, a brawler, a bandit, a bookie, an enforcer. For two decades, Imbriale was a street-level operative in one of the most violent crews in the Colombo Family, and he endeared himself to some of the major figures of organized crime while developing deadly disputes with others. *Carmine and the 13th Avenue Boys* is the jarring account of his lawless lifestyle culminating in a gang war in South Brooklyn, from which he emerges a survivor. From his first arrest at fifteen for robbing a Coney Island pimp to surviving multiple assassination attempts, Imbriale offers up dozens of too-good-to-be-true tales featuring some of the most notorious gangsters, including Joe Colombo, Christie Tick, Jimmy Ida, Joe Waverly, Sammy "The Bull" Gravano, Johnny Rizzo, as well as other lions and lackeys of La Cosa Nostra, and details a beef with none other than Greg "The Grim Reaper" Scarpa Sr. A young streetwise hustler, Imbriale thought he found loyalty, a brotherhood. Instead, he descended into a world of treachery and deceit, where your best friend is your executioner, and no one gets out alive. But no one expected him to become the domino that helped bring it all down.

gaspipe confessions of a mafia boss: Organized Crime: Oxford Bibliographies Online Research Guide Jay S. Albanese, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In criminology, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Criminology, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

gaspipe confessions of a mafia boss: Sonny S. J. Peddie, 2022-03-29 Award-winning investigative journalist S. J. Peddie writes the first groundbreaking account of the legendary mafia boss, Sonny Franzese, the head of the Colombo crime family and the financier of the infamous pornographic film *Deep Throat*. "Sonny Franzese was a standup guy. He lived his life, and he didn't hurt innocent people. And I knew him my whole life." —Former Philadelphia crime boss Ralph Natale. John "Sonny" Franzese reportedly committed his first murder at the age of fourteen. A "made man" for the Colombo crime family, he operated out of his Long Island home, specializing in racketeering, fraud, loansharking, and other illicit deeds he would deny to his dying day. His career in organized crime spanned over eight decades—and he was sentenced to fifty years in prison for robbery charges. But even behind bars, Sonny Franzese never stopped doing business . . . Through it all, Franzese refused to break the Mafia's code of silence. Authorities believe he may have murdered, or ordered the murders of, forty to fifty people. Yet he earned a grudging respect from law enforcement and an absolute reverence from his fellow gangsters. Eventually he managed to outlive them all—until his death in 2020 of natural causes, a rare event in the Mafia. Thanks to a series of exclusive firsthand interviews, the astonishing life story of John "Sonny" Franzese can be told in all its bold, brutal, and blood-spattered glory. This is a must-read for anyone fascinated with Mafia history—and a rare look inside a criminal mind that has become the stuff of legend. "By turns blood-curdling and hilarious, Sonny regales us with the life and career of one of the most powerful and least-known New York Mafia crime bosses. A scrupulously documented and compulsive read." —Teresa Carpenter, Pulitzer Prize-winner and author of *Mob Girl: A Woman's Life in the Underworld*

gaspipe confessions of a mafia boss: Mob Rules Louis Ferrante, 2011-06-02 The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: * Go get your own coffee!: Respecting the chain of command without being a sucker. * The walls have ears: Never bad-mouth the boss. * Is this phone tapped?: Watch what you say every day. * How to bury the hatchet-but not in someone's head. * Don't split yourself in half: The wrong decision is better than none at all. * Don't build Yankee stadium, just supply the concrete: Spotting new rackets. * Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

gaspipe confessions of a mafia boss: The 100 Kilo Case James Durney, 2016-05-05 'Bizarre, dramatic, often funny and never less than compelling' Irish Independent Peter Daly was nineteen when he left Donegal, bound for America. Nine years later, in 1961, following a stint with the US Army, he joined the New York Police Department. His beat was the Lower East Side of Manhattan during one of the worst crime-waves in the city and, determined to make his mark, Daly was quickly earmarked for promotion to the Special Investigating Unit - the Princes of the City. The SIU played by its own rules and answered to nobody and, in 1970, at the pinnacle of his career, Daly made one of the department's biggest drug bust: 105 kilos of pure heroin and cocaine. But only 100 kilos was surrendered ... From his remarkable rise within the NYPD to his time served in Lewisburg Federal Penitentiary on 'Mafia' Row with some of the most notorious gangsters in American history, including the Lufthansa robber Jimmy 'the Gent' Burke, Benny Ong, 'Godfather of Chinatown', and New York wiseguy Charlie Brody, Peter Daly's story is the stuff of Hollywood scriptwriters. The only thing is: it is true. 'Of course, I was dishonest, but you have to make your own judgement. I was brought up to know right from wrong. My regrets are innumerable. It is all part of life. But I would die rather than inform on my police friends. The oath of office I took included loyalty. I gave up my family, my life and all that it meant to me ...' Peter Daly

gaspipe confessions of a mafia boss: The Killer Within Philip Carlo, 2011-01-11 Philip Carlo's successful and acclaimed books reveal the truth about notorious characters such as LA serial killer Richard Ramirez, Mafia contract killer Richard Kuklinski and crime-family boss Anthony Casso. Working closely with the DEA , Carlo also wrote the definitive account of Bonanno Mafia family assassin Tommy 'Karate' Pitera. Carlo's investigative achievements were remarkable, but what wasn't known to his readers was that, while working on The Ice Man, he learned he had amyotrophic lateral sclerosis (ALS), a form of motor neuron disease. Suddenly, after years of penetrating the minds of killers, Carlo was himself being pursued by the grim reaper. But rather than lying down and succumbing to the disease, Carlo continued to work right up until his death in 2010. In The Killer Within, Carlo provides an intimate account of his relationships with Ramirez, Kuklinski and Casso and reveals intriguing information about writing his bestsellers while simultaneously coping with ALS as it slowly began to steal his life away.

gaspipe confessions of a mafia boss: Greed and Glory Sean Deveney, 2018-05-15 On October 28, 1986, just one day after winning one of the most thrilling World Series in history, the New York Mets were feted by more than two million fans with a parade through the city. In news accounts of the event, there was a small aside, as this one in the New York Times: Notable in his absence was the pitcher Dwight Gooden, who Mets officials later said had overslept. No, the Mets' twenty-one-year-old phenom had not slept too late. He had not slept at all, in fact. For Gooden, his

postgame champagne celebration kicked off a cocaine binge that took him to a club in Long Island and wound up with him, wired, watching his teammates roll through the streets as he sat with strangers in a public housing project. Such were the 1980s in New York City, a gilded era buttressed by fast money from a real estate boom and the explosion of Wall Street wealth. The Mets and Giants, bolstered by lightning-rod personalities like Gooden and Lawrence Taylor, brought the city sporting glory while its celebrity wealthy added a tabloid-friendly touch of intrigue and national envy. Iconoclastic real estate developer Donald Trump gained national celebrity for his deal-making skill and the flaunting of his outsize ego. Even mayor Ed Koch had gained coast-to-coast fame and mention as a potential future president. Beneath the opulence was a tenuous foundation, one that collapsed spectacularly over the last half of the decade. Away from the cameras focused on the city's nouvelle riches, New York was beset by crisis after crisis--homelessness, AIDS, crack cocaine, organized crime. The swell of outrage over the unwillingness of the city elite to address those problems took years to finally reach a tipping point. Through interviews and detailed research, Greed and Glory gives the narrative of New York during these times, tracing the arc of its sports heroes and celebrities of that era, from their memorable highs to their ultimate lows.
