God sent them back into the wilderness to ramble some

Jhagroo, 2010-11 What would you do if God appeared to you and asked you to fellowship and worship with Him every night for years to come? How would you react as He made His grand entrance into your bedroom to commence worship and fill it with His Glory? Join author George G. Jhagroo in In His Manifest Presence, his truly amazing biographical account of how he met and embraced the Manifest Presence of the Holy Ghost face to face, every midnight in his bedroom for years. Who was the Wind that blew apart the Red Sea for Moses, Who created the earth in six days, Who stood beside Daniel in the furnace, and Who sat upon the mercy seat of the Ark of the Covenant now stood in the similitude of a man in his bedroom, leading him in worship to our Father and to Jesus our King. He continues to do so even to this day. George G. Jhagroo has stumbled upon one of the greatest consequences of Calvary. He—who lived behind the veil of the Temple when it was torn in two from top to bottom at the passing of Jesus on the cross—was made accessible to all saints throughout the world and could no longer only be visited once a year on the Day of Atonement but on everyday and at anytime. In In His Manifest Presence, George did just that, and he shares this love story of his glorious experiences of worshipping with and fellowshiping with the Manifest Presence of God in the midst of His glorious power and unfailing love.

But you do not realize that you are wretched, pitiful, poor, blind and naked. Of the Churches of Asia, Laodicea stands alone. She is absolutely unique. She bears no suffering or persecution. There is no hunger or tribulation. Yet she is the most disgusting Church of the Ages. It is the ONLY Church of the ages to which the Lord has absolutely NOTHING good to say. What a repulsive thought! She is the product

of her mother Babylon, who proudly stands among the nations and declares I am a queen and have need of nothing [Rev.18]. She boasts her wealth as a sign of God's approval. She stoops to giving her miserly contributions to her sibling Churches in poor nations and slaps herself on the back for her bland effort. While her brothers and sisters dig for roots to eat in equatorial Africa, she entertains her lofty attendees. She is GRAND indeed. She is the expression of Babylon the Great---the Mother of Harlots. She is the Church of America. Yet, in God's eyes, she is the poorest of all. She is destitute in values. She is corrupted by her own wealth and beauty. Her days are spent looking in the mirror and seeing only her own loveliness. She is institutionally incestuous. She is narcissistic, blind and deaf. Her dainty odours veil the rotting of her flesh. At the same time, she is INSANE. Her doctrines are corrupted with deceit. Her master is that same Crowning Cherub who served as Heaven's Minister of Music. Only the strong medication of DESTRUCTION and POVERTY can return her to a right mind.

good morning holy spirit benny hinn: Die Heilsbringer Michael Stausberg, 2020-08-27 Das 20. Jahrhundert war das Jahrhundert der Religionen. Der bekannte Religionswissenschaftler Michael Stausberg beschreibt anhand von 47 Porträts, wie Heilsbringer aller Couleur - von Rudolf Steiner bis zum Dalai Lama, von Mary Baker Eddy bis zu den Beatles - religiöse Energiewellen um den Globus schickten, die geographische und oft sogar konfessionelle Schranken überwandten und so das schillernde religiöse Multiversum schufen, in dem wir heute leben. Das 20. Jahrhundert war auch in religiöser Hinsicht ein Zeitalter der Extreme. Heilsbringer verkündeten religiöse Neuaufbrüche, die eingespielte Muster überwandten. Leo Tolstoi schuf den Prototyp einer ethischen Universalreligion. Östliche Lehrer verbreiteten im Westen ihre postreligiösen Konzepte von Zen, Yoga oder Achtsamkeit. Für Mahatma Gandhi, Martin Luther King und Bob Marley war Religion der Ausgangspunkt für politische Befreiung, während die Beatles Erlösung durch kosmische Liebe besangen und mit Transzendentaler Meditation experimentierten. Neben den friedliebenden Welt- und Selbstverbesserern gab es gewaltbereite Prediger wie Osama bin Laden oder Jim Jones, deren Taten für Entrüstung sorgten. Billy Graham und Papst Johannes Paul II. füllten weltweit Stadien, und der Dalai Lama spricht Menschen jenseits traditioneller religiöser Bindungen an. Das gilt erst recht für die Literaten, Filmregisseure, Psychologen und Physiker, die als religiöse Sinnstifter auftraten. Michael Stausberg zeigt in seinem fulminanten Panorama, wie im 20. Jahrhundert neue Heilsbotschaften nicht nur die etablierten Religionen veränderten, sondern auch Politik, Kultur und nicht zuletzt unsere Wahrnehmung der Welt.

good morning holy spirit benny hinn: POWER, PASSION, AND PRAYERS DURING THE PANDEMIC Vannette Hill, 2022-04-19 The world, as we know it, has drastically changed since mid-March 2020 when the coronavirus was declared a public health emergency and was spreading around the world. Like so many schools, businesses, and sports associations, millions of churches and houses of worship were temporarily closed to prevent the spread of the virus. What was the church to do? They were used to gathering in person, with faces and feet; however, with the present climate and to protect human life, the church moved to a virtual setting. The well-respected leadership of this church took the seriousness of the pandemic from the very beginning, and as of March 17, they were forced to close and shut the doors. "The church doors may be closed, but the church is still open," stated the pastor as he started the Glad Tidings International Church of God in Christ Zoom prayer line. As online attendance grew by leaps and bounds, the saints began calling it a lifeline—because of the lives that were being sustained during the pandemic in prayer. Power, Passion, and Prayers during the Pandemic reveals what a local church did to survive the first year of this global crisis. The auspicious leaders, Bishop J.W. Macklin and Lady Vanessa Macklin, declared confidently that "we still believe God," which became the theme of GTI as everyone endeavored to cope with the uncertainty and anxiety of the pandemic. Praying daily gave us the strength we needed to trust that God is with us at every moment and is beside us every step of the way. The author was inspired to write this book based on the faithfulness, commitment, and testimonies of those who were fighting to replace their pain with prayer and power. She witnessed God's people take the church out into the community, feed the hungry, love the unchurched, offer health services,

and make disciples as the church continued to advance the Kingdom of God. COVID-19 didn't stop them, not at all. The members of Glad Tidings International and other believers around the world experienced some gain and some losses, but they kept on going. The pandemic empowered them, impassioned them, and encouraged both the young and old to forge ahead for Christ. "The church may have been shut down, but we will not shut up."

good morning holy spirit benny hinn: Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

He was not inclined to ask God for help but May 3, 2004 was the day that he found out he powerless. That day on his farm near Grace City, North Dakota, started out like any other. He had a half-dozen cows left to calf, and he was also seeding barley. Everything was going fine until his truck would not start. He had the bright idea to pull the truck with his small loader tractor and a chain to get it started. While the idea itself was sound, it was a bad call trying to do it himself without having someone drive the truck. The bumper of the truck ended up landing on the top of his legs, and he was immediately pinned. Before long, he began writing goodbyes to his wife and his family on his calving

notepad. But miraculously, God intervened and saved George Topp's life, not only rescuing him but also healing his wounds and restoring him to wholeness in Jesus Christ. George and his wife, Kaye, share the incredible love of Jesus and the unbelievable grace of God in this true story that will ignite your faith and convince you of God's love.
