

black history poems for youth

Black History Poems for Youth: Inspiring the Next Generation Through Verse

black history poems for youth open a vibrant window into the rich tapestry of African American heritage, culture, and resilience. These poems serve as powerful tools to educate, inspire, and empower young minds by connecting them to the stories and voices of black history. Through rhythm, rhyme, and imagery, poetry brings history alive in a way that textbooks often cannot, making it accessible and deeply personal for youth. Whether in classrooms, community centers, or homes, black history poems for youth offer a dynamic way to celebrate identity, struggle, and triumph.

Why Black History Poems for Youth Matter

Poetry has always been a significant medium for expressing emotions, documenting experiences, and influencing social change. For young people, especially, poems about black history can foster a sense of pride and belonging. They provide a means to explore complex historical themes—such as slavery, civil rights, and cultural achievements—in a format that is engaging and relatable.

Moreover, black history poems for youth help dispel stereotypes and broaden perspectives. By hearing the voices of black poets, young readers gain insight into the diverse experiences and contributions of African Americans throughout history. This not only nurtures empathy but also encourages critical thinking about social justice and equality.

The Power of Poetry in Education

Incorporating poetry into education, particularly black history poems for youth, enhances literacy skills, creativity, and cultural awareness. Poems often use vivid language and symbolism, which challenges students to interpret meaning and connect emotionally. Teachers who use black history poems can create meaningful discussions about identity, history, and social issues, fostering an inclusive learning environment.

Furthermore, poetry encourages self-expression. When youth write their own black history poems, they actively engage with history and culture, making the learning experience deeply personal and empowering. This process can strengthen confidence and communication skills, vital for lifelong success.

Notable Black History Poems Suitable for Youth

There are many powerful poems that resonate well with young audiences, highlighting key moments and figures in black history. These poems blend historical facts with emotional depth, making them ideal for educational purposes.

“I, Too” by Langston Hughes

Langston Hughes, a central figure of the Harlem Renaissance, wrote “I, Too” as a declaration of resilience and hope. The poem’s simple yet profound language conveys a message of equality and belonging that young readers can easily grasp. It encourages youth to recognize their worth and envision a future of inclusion.

“Still I Rise” by Maya Angelou

Maya Angelou’s “Still I Rise” is a powerful anthem of strength and perseverance. Its rhythmic and uplifting tone inspires young people to overcome adversity with confidence. The poem’s themes of dignity and self-respect resonate deeply, making it a staple in black history poetry collections for youth.

“Lift Every Voice and Sing” by James Weldon Johnson

Often called the Black National Anthem, this poem-turned-song celebrates the enduring spirit of African Americans. It is both a tribute and a call to unity that young audiences can sing along with, fostering a shared sense of heritage and hope.

How to Use Black History Poems for Youth Effectively

Introducing black history poems for youth requires thoughtful approaches to maximize engagement and understanding. Here are some tips for educators, parents, and mentors:

- **Contextualize the poem:** Provide background information about the poet and the historical circumstances surrounding the poem.
- **Encourage discussion:** Ask open-ended questions to help youth reflect on the poem’s themes and relevance to today’s world.
- **Incorporate multimedia:** Use audio recordings or performances of the poems to bring them to life.
- **Promote creative expression:** Invite youth to write their own poems inspired by black history or their personal experiences.
- **Connect with other art forms:** Pair poetry with music, visual art, or drama to deepen engagement.

Engaging Activities to Complement Black History Poems

- **Poetry slams and readings:** Hosting events where youth can recite black history poems encourages confidence and community connection.
- **Art and illustration:** Drawing or painting images inspired by poems helps visual learners interact with the material.
- **Research projects:** Assigning students to explore the life of a poet or historical figure featured in a poem deepens understanding.
- **Writing workshops:** Facilitating sessions for youth to craft their own poems nurtures creativity and personal voice.

Expanding the Reach: Contemporary Poets and Diverse Voices

While classic poets like Hughes and Angelou remain essential, introducing young readers to contemporary black poets enriches the learning experience. Modern voices bring fresh perspectives on identity, culture, and social issues that resonate with today's youth.

Poets such as Amanda Gorman, whose poem "The Hill We Climb" captivated a global audience, illustrate how poetry continues to shape conversations about race and unity. Additionally, youth-oriented poetry collections often feature diverse voices, including those of young poets themselves, making the material more relatable.

Finding Black History Poems for Youth Online and in Print

Resources for black history poems for youth are widely available. Libraries, educational websites, and bookstores often carry anthologies tailored for young readers. Some excellent collections include:

- *"The Poetry of Black America"* – a comprehensive anthology covering key historical periods
- *"Black History Month: Poems to Celebrate and Inspire"* – designed specifically for classroom use
- *Online poetry databases and educational platforms* – many provide free access to classic and contemporary poems

Teachers and parents can also explore platforms like YouTube for performances and readings that bring poems to life audibly and visually.

Why Encouraging Youth to Write Black History Poems

Matters

Encouraging young people to create their own black history poems fosters a deep connection to their heritage and promotes self-awareness. Writing poetry helps youth process their experiences, express emotions, and contribute to the ongoing narrative of black history.

This creative outlet can be especially healing and empowering, allowing youth to address topics such as identity, social justice, and dreams for the future. When young voices join the tradition of black history poetry, they ensure that this rich cultural legacy continues to evolve and inspire.

Black history poems for youth are more than just educational tools—they are bridges connecting generations, cultures, and ideas. By immersing young people in these poetic works, we not only honor the past but also inspire future leaders, thinkers, and creators to carry the torch forward with pride and passion.

Frequently Asked Questions

What are some popular black history poems suitable for youth?

Some popular black history poems suitable for youth include "I, Too" by Langston Hughes, "Still I Rise" by Maya Angelou, and "Phenomenal Woman" by Maya Angelou. These poems celebrate resilience, identity, and pride.

Why is it important to teach black history poems to youth?

Teaching black history poems to youth is important because it helps them understand the cultural heritage, struggles, and achievements of Black individuals. It also promotes empathy, diversity, and a sense of pride in Black history.

Can you recommend a short black history poem for young children?

A short and impactful poem for young children is "I, Too" by Langston Hughes. It's simple yet powerful, expressing hope and equality in a way that children can grasp.

How can teachers incorporate black history poems into their curriculum?

Teachers can incorporate black history poems by including them in literature lessons, encouraging students to perform or recite them, and using them as discussion starters about history, culture, and social justice.

Are there any contemporary black poets writing poems suitable for youth?

Yes, contemporary black poets like Amanda Gorman, Clint Smith, and Jason Reynolds write poems that resonate with youth, addressing themes of identity, social justice, and empowerment.

What themes are commonly found in black history poems for youth?

Common themes include resilience, hope, equality, identity, pride, social justice, overcoming adversity, and celebrating Black culture and achievements.

How can youth engage with black history poems beyond reading?

Youth can engage by writing their own poems inspired by black history, participating in poetry slams, performing recitations, and discussing the poems' messages in group settings.

Are there any collections or anthologies of black history poems for youth?

Yes, anthologies like "Black History in Verse" and "The Poetry of African American History" often include poems suitable for youth, providing a diverse range of voices and historical perspectives.

What impact do black history poems have on young readers?

Black history poems can inspire young readers, build cultural awareness, foster empathy, encourage self-expression, and motivate them to learn more about history and social issues affecting the Black community.

Additional Resources

Black History Poems for Youth: Inspiring Voices and Cultural Legacy

Black history poems for youth serve as a powerful gateway to understanding the rich cultural heritage, struggles, triumphs, and enduring spirit of Black communities across generations. These poetic expressions not only educate young audiences about historical events and figures but also foster empathy, pride, and a deeper appreciation of diversity. In an era where education increasingly embraces multicultural narratives, incorporating these poems into youth curricula and community programs is both timely and essential.

The Role of Black History Poems for Youth in Education

Incorporating black history poems for youth into educational settings presents a unique opportunity to

engage students emotionally and intellectually. Unlike traditional textbooks, poetry uses rhythm, imagery, and metaphor to convey complex themes such as resilience, identity, and social justice in a manner that resonates with young readers. Educators have noted that poetry can enhance literacy skills while simultaneously promoting cultural awareness.

Research underscores the importance of culturally relevant literature in fostering positive self-identity among minority youth. According to a 2022 study published in the *Journal of Multicultural Education*, students exposed to diverse literary works, including poetry from Black authors, demonstrated higher engagement and improved academic performance. Black history poems for youth often highlight pivotal moments such as the Civil Rights Movement, the Harlem Renaissance, and the achievements of notable figures like Maya Angelou, Langston Hughes, and Gwendolyn Brooks, making history accessible and relatable.

Key Themes in Black History Poems for Youth

Black history poems for youth typically explore several interwoven themes that reflect the complexities of Black experiences:

- **Identity and Pride:** Poems that celebrate Black heritage and encourage young readers to embrace their cultural roots.
- **Struggle and Resilience:** Narratives of overcoming adversity, from slavery to systemic racism and discrimination.
- **Social Justice and Equality:** Calls for fairness, civil rights, and ongoing activism.
- **Hope and Inspiration:** Forward-looking poems that envision a better future and empower youth to pursue their dreams.

These themes are instrumental in shaping a youth's worldview and self-perception, making the poems not just educational tools but also emotional support systems.

Popular Black History Poems for Youth: A Closer Look

Several poems have emerged as favorites within educational and community contexts, recognized for their accessibility and profound messages.

“I, Too” by Langston Hughes

Langston Hughes' “I, Too” is a seminal work that speaks to the invisibility and eventual recognition of Black Americans. Its succinct yet powerful lines offer a message of hope and inclusion that resonates with young readers. The poem's straightforward language makes it an excellent starting point for

introducing concepts of racial equality and resilience.

“Phenomenal Woman” by Maya Angelou

Maya Angelou’s “Phenomenal Woman” celebrates self-confidence and inner strength, themes that are universally empowering but hold particular significance for Black youth navigating societal expectations. The poem’s rhythmic, uplifting tone encourages young readers to recognize their worth beyond external validation.

Contemporary Voices: Amanda Gorman and Beyond

Modern poets like Amanda Gorman have brought fresh energy to black history poems for youth. Gorman’s inaugural poem, “The Hill We Climb,” while not exclusively about Black history, addresses unity and progress in a way that appeals to younger audiences seeking inspiration amid current social challenges. Incorporating contemporary works alongside classic poetry helps maintain relevance and bridges generational perspectives.

Benefits and Challenges of Using Black History Poems for Youth

Benefits

- **Enhanced Cultural Understanding:** Poems provide nuanced insights into Black history and culture, fostering empathy and respect among diverse student populations.
- **Improved Literacy Skills:** The rhythmic and often narrative nature of poetry aids in vocabulary development, comprehension, and critical thinking.
- **Emotional Engagement:** Poetry’s emotive power can help youth process complex historical realities and personal experiences.
- **Encouragement of Creative Expression:** Exposure to poetic forms inspires youth to articulate their own stories and viewpoints.

Challenges

- **Contextual Understanding:** Some poems require background knowledge of historical events

or cultural references, which may necessitate additional teaching resources.

- **Varied Accessibility:** Not all poems are equally accessible to younger children due to language complexity or thematic intensity.
- **Balancing Perspectives:** Selecting poems that provide diverse viewpoints within Black history to avoid a monolithic narrative.

Addressing these challenges involves careful curation of materials and supportive instructional strategies to maximize impact.

Integrating Black History Poems into Youth Programs and Curricula

Effective integration of black history poems for youth requires thoughtful planning. Educators and program leaders should consider the following approaches:

1. **Contextual Introductions:** Begin with historical background to frame the poem's significance.
2. **Interactive Discussions:** Facilitate conversations encouraging students to share personal reflections and connections.
3. **Creative Assignments:** Invite youth to write their own poems inspired by themes explored.
4. **Multimedia Resources:** Use audio recordings, videos, and performances to bring poems to life.
5. **Cross-disciplinary Linkages:** Connect poetry to history, social studies, and art projects for holistic learning.

Such strategies enhance comprehension, retention, and emotional resonance.

Examples of Age-Appropriate Black History Poems for Youth

- **Elementary Level:** "Harlem" by Langston Hughes (simplified), "We Wear the Mask" by Paul Laurence Dunbar (adapted)
- **Middle School Level:** "Still I Rise" by Maya Angelou, "Mother to Son" by Langston Hughes
- **High School Level:** "The Hill We Climb" by Amanda Gorman, "Caged Bird" by Maya Angelou

Tailoring poem selections to developmental stages ensures engagement and comprehension.

The Future of Black History Poems for Youth

As society continues to emphasize inclusivity and representation, the role of black history poems for youth is poised to expand. Digital platforms and social media have democratized access to poetry, enabling young readers to discover voices from around the globe. Emerging poets from diverse backgrounds contribute fresh narratives that challenge, inspire, and educate.

Moreover, the integration of technology such as interactive e-books and virtual poetry slams offers innovative ways to engage youth. These developments suggest that black history poems will remain a vital component of cultural education, evolving alongside youth interests and pedagogical advancements.

By embracing these poetic works, educators, parents, and communities can nurture a generation that is not only aware of Black history but also motivated to contribute positively to a diverse and equitable society.

Black History Poems For Youth

black history poems for youth: The Early Black History Movement, Carter G. Woodson, and Lorenzo Johnston Greene Pero Gaglo Dagbovie, 2007 The men who launched and shaped black studies. This book examines the lives, work, and contributions of two of the most important figures of the early black history movement, Carter G. Woodson and Lorenzo Johnston Greene. Drawing on the two men's personal papers as well as the materials of the Association for the Study of Negro Life and History (ASNLH), Pero Gaglo Dagbovie probes the struggles, sacrifices, and achievements of these black history pioneers. The book offers the first major examination of Greene's life. Equally important, it also addresses a variety of issues pertaining to Woodson that other scholars have either overlooked or ignored, including his image in popular and scholarly writings and memory, the democratic approach of the ASNLH, and the pivotal role of women in the association. -- Publisher description.

black history poems for youth: The Spiritual Lives of Young African Americans Almeda Wright, 2017-07-03 How do young African Americans approach their faith in God when continued violence and police brutality batters the news each day? In *The Spiritual Lives of Young African Americans*, Almeda M. Wright argues that African American youth separate their everyday lives and their spirituality into mutually exclusive categories. This results in a noticeable division between their experiences of systemic injustices and their religious beliefs and practices. Yet Wright suggests that youth can and do teach the church and society myriad lessons through their theological reflections and actions. Giving special attention to the resources of African American religious and theological traditions, Wright creates a critical pedagogy for integrating spirituality into the lives of African American youth, as well as confronting and navigating spiritual fragmentation and systemic injustice.

black history poems for youth: **Poems of Youth** Alice Cecilia Cooper, 1928

black history poems for youth: *Libraries, Literacy, and African American Youth* Sandra Hughes-Hassell, Pauletta Brown Bracy, Casey H. Rawson, 2016-10-31 This important book is a call

to action for the library community to address the literacy and life outcome gaps impacting African American youth. It provides strategies that enable school and public librarians to transform their services, programs, and collections to be more responsive to the literacy strengths, experiences, and needs of African American youth. According to National Assessment of Educational Progress (NEAP), only 18 percent of African American fourth graders and 17 percent of African American eighth graders performed at or above proficiency in reading in 2013. This book draws on research from various academic fields to explore the issues surrounding African American literacy and to aid in developing culturally responsive school and library programs with the goal of helping to close the achievement gap and improve the quality of life for African American youth. The book merges the work of its three authors along with the findings of other researchers and practitioners, highlighting exemplary programs, such as the award-winning Pearl Bailey Library Program, the Maker Jawn initiative at the Free Library of Philadelphia, and the Blue Ribbon Mentor Advocate writing institute in the Chapel Hill-Carrboro City Schools, among others. Readers will understand how these culturally responsive programs put theory and research-based best practices into local action and see how to adapt them to meet the needs of their communities.

black history poems for youth: Quick and Popular Reads for Teens Pam Spencer Holley, 2009 Compiles and annotates YALSA's Popular Paperbacks for Young Adults and Quick Picks for Reluctant Readers. Includes theme lists.

black history poems for youth: *Youth Involvement in Public Safety in the United States* Martin Alan Greenberg, 2024-12-02 This book explores youth involvement in public safety, measuring the success of historic programs in school districts, fire departments, and police departments, and evaluating their potential to mitigate youth violence in the U.S. In its examination of structured community youth programs, such as the Police Athletic League and EMS Exploring, this volume examines the pros and cons of harm reduction and public safety activities through community empowerment of juveniles. The chapters that follow explore the origins of youth-involved public safety programs, recommending that these initiatives may be a solution to improving health, education, and social outcomes. It is ideal for professionals working with juvenile programming and local policymakers.

black history poems for youth: Youth Media Matters Korina M. Jocson, 2018-01-15 In an information age of youth social movements, Youth Media Matters examines how young people are using new media technologies to tell stories about themselves and their social worlds. They do so through joint efforts in a range of educational settings and media environments, including high school classrooms, youth media organizations, and social media sites. Korina M. Jocson draws on various theories to show how educators can harness the power of youth media to provide new opportunities for meaningful learning and “do-it-together production.” Describing the impact that youth media can have on the broader culture, Jocson demonstrates how it supports expansive literacy practices and promotes civic engagement, particularly among historically marginalized youth. In Youth Media Matters, Jocson offers a connective analysis of content area classrooms, career and technical education, literary and media arts organizations, community television stations, and colleges and universities. She provides examples of youth media work—including videos, television broadcasts, websites, and blogs—produced in the San Francisco Bay Area, Los Angeles, New York, and St. Louis. At a time when educators are increasingly attentive to participatory cultures yet constrained by top-down pedagogical requirements, Jocson highlights the knowledge production and transformative potential of youth media with import both in and out of the classroom.

black history poems for youth: The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement, this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers—from Sojourner Truth to Frederick Douglass, from Zora Neale Hurston to Ralph Ellison, and from Toni Morrison to August Wilson. It contains entries on major

works (including synopses of novels), such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son*, and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Bigger Thomas, Coffin Ed Johnson, Kunta Kinte, Sula Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee, and the trickster. Icons of black culture are addressed, including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown, and Harriet Tubman. Here, too, are general articles on poetry, fiction, and drama; on autobiography, slave narratives, Sunday School literature, and oratory; as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources--from the black periodical press to women's clubs--making it one of the most substantial guides available on the growing, exciting world of African American literature.

black history poems for youth: *The Big Book of Teen Reading Lists* Nancy J. Keane, 2006-08-30 Use these 100 handy reproducible book lists to instantly create handouts for teen readers and teachers, add to your newsletter, or post on your web site or bulletin board. Based on the most common needs of educators and librarians who work with teen readers, these lists focus on new titles and classics that are still in print and readily available for purchase. Fiction and nonfiction titles for ages 13-18 are covered. Bibliographic information and a brief description are given for each title. A dozen bookmarks are also included. This is a great time-saving tool and a good source for finding extended reading lists and read-alikes! Looking for humorous novels for teen readers? A fast-paced sports novel for a reluctant reader? Biographies to use in history class? You'll find these lists and more in this treasury of great reading lists. This versatile guide provides one-page reproducible book lists and bookmarks for: books about self (e.g., coming-of-age, perfectionism, gangs; genre literature (e.g., fantasy, romance, historical fiction); themes (e.g., extreme sports, vampires, peace; settings (e.g., Ellis Island, Dust Bowl, WWII); character studies (e.g., adventure with female protagonist, boy bonding books, fantasy heroes); and read-alikes (for bookmarks). More than 100 reproducible lists of books for ages 13-18 (junior/senior high) focus on new titles and classics that are still in print and readily available for purchase. Bibliographic information and a brief description are given for each title.

black history poems for youth: *The Oxford Handbook of Children's Literature* Julia Mickenberg, Lynne Vallone, 2012-11-29 Remarkably well researched, the essays consider a wide range of texts - from the U.S., Britain and Canada - and take a variety of theoretical approaches, including formalism and Marxism and those related to psychology, postcolonialism, reception, feminism, queer studies, and performance studies ... This collection pushes boundaries of genre, notions of childhood ... Choice. Back cover of book.

black history poems for youth: *The Youth's Companion* Nathaniel Willis, Daniel Sharp Ford, 1871 Includes music.

black history poems for youth: *Youth's Companion* , 1877

black history poems for youth: *Making Black History* Jeffrey Aaron Snyder, 2018 Making Black History focuses on the engine behind the early black history movement in the Jim Crow era, Carter G. Woodson and his Association for the Study of Negro Life and History--

black history poems for youth: *The Poems of T. S. Eliot Volume II* T. S. Eliot, 2015-11-17 The Poems of T. S. Eliot is the authoritative edition of one of our greatest poets, scrupulously edited by Christopher Ricks and Jim McCue. It provides, for the first time, a fully scrutinized text of Eliot's poems, carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted. The edition also presents many poems from Eliot's youth which were published only decades later, as well as others that saw only private circulation in his lifetime, of which dozens are collected for the first time. To accompany Eliot's poems, Christopher Ricks and Jim McCue have provided a commentary that illuminates the creative activity that came to constitute each poem, calling upon drafts, correspondence and other original materials to provide a vivid account of the poet's working processes, his reading, his influences and his revisions. The first volume respects Eliot's decisions by

opening with his Collected Poems 1909-1962 in the form in which he issued it, shortly before his death fifty years ago. There follow in this first volume the uncollected poems from his youth that he had chosen to publish, along with such other poems as could be considered suitable for publication. The second volume opens with the two books of poems of other kinds that he issued, *Old Possum's Book of Practical Cats* and his translation of Perse's *Anabase*, moving then to verses privately circulated as informal or improper or clubmanlike. Each of these sections is accompanied by its respective commentary, and then, pertaining to the entire edition, there is a comprehensive textual history recording variants both manuscript and published. The Poems of T. S. Eliot is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure, as well as all those who read with pleasure and for study. Here are a new accuracy and an unparalleled insight into the marvels and landmarks from *The Love Song of J. Alfred Prufrock* and *The Waste Land* through to *Four Quartets*

black history poems for youth: The Bicentennial of the United States of America

American Revolution Bicentennial Administration, 1977

black history poems for youth: Contemporary British Poetry James Acheson, Romana Huk,

1996-09-12 This collection of original essays focuses on new and continuing movements in British Poetry. It offers a wide ranging look at feminist, working class, and other poets of diverse cultural backgrounds.

black history poems for youth: The Cambridge History of African American Literature

Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions, oral and print, of African-descended peoples in the United States.

black history poems for youth: A History of the Harlem Renaissance Rachel Farebrother,

Miriam Thaggert, 2021-02-04 The Harlem Renaissance was the most influential single movement in African American literary history. The movement laid the groundwork for subsequent African American literature, and had an enormous impact on later black literature world-wide. In its attention to a wide range of genres and forms – from the roman à clef and the bildungsroman, to dance and book illustrations – this book seeks to encapsulate and analyze the eclecticism of Harlem Renaissance cultural expression. It aims to re-frame conventional ideas of the New Negro movement by presenting new readings of well-studied authors, such as Zora Neale Hurston and Langston Hughes, alongside analysis of topics, authors, and artists that deserve fuller treatment. An authoritative collection on the major writers and issues of the period, *A History of the Harlem Renaissance* takes stock of nearly a hundred years of scholarship and considers what the future augurs for the study of 'the New Negro'.

black history poems for youth: An African American Dilemma Zoë Burkholder, 2021

Presenting a revealing historical perspective on today's charged schooling choices, *An African American Dilemma* illuminates the tensions between school integration and separation that have shaped the long history of black struggles for equal education and civil rights in the North.

black history poems for youth: On the Shoulders of Our Ancestors Jimmy McJamerson Ph.D.,

2020-10-21 *On the Shoulders of Our Ancestors* is an individual effort to articulate that Africans and African-Americans are achievers, that our history is one of being contributors to society instead of destroyers, that playing the “dozens” or “snapping” is unacceptable in our communities. Our history is not one of killing each other, nor is it one of negativism, but rather it is one of strength, hope, achievement, excellence and creativity. *On the Shoulders of Our Ancestors* seeks to redirect our youth's miseducation through reminders of African-American achievement in the form of studying history through the poetic form.
