

agatha christie death in the clouds

Agatha Christie Death in the Clouds: A Classic Mystery Unveiled

agatha christie death in the clouds is a captivating novel that stands out among the many detective stories penned by the Queen of Crime. This intriguing mystery takes readers on a thrilling journey high above the earth, combining the claustrophobic tension of a murder on an airplane with the sharp wit and deductive brilliance of Hercule Poirot. Whether you're a longtime Christie fan or new to her work, "Death in the Clouds" offers a fascinating glimpse into classic detective fiction at its finest.

The Premise of Agatha Christie Death in the Clouds

"Death in the Clouds" is one of Agatha Christie's many novels featuring the legendary Belgian detective Hercule Poirot. The story is set in the 1930s and takes place primarily aboard a flight from Paris to Croydon, England. The seemingly mundane setting—a commercial airplane—becomes the backdrop for a complex murder that challenges Poirot's investigative prowess.

Plot Overview

The novel begins with a diverse group of passengers boarding the flight. Among them is a wealthy French woman, Madame Giselle, who is found dead mid-flight, apparently poisoned by a dart tipped with curare. The mystery deepens as Poirot pieces together clues, interrogates suspects, and unravels the motives behind the murder. What makes this story especially gripping is the confined setting, which limits suspects and heightens the suspense.

Setting and Atmosphere

One of the most intriguing aspects of "Death in the Clouds" is its setting. Air travel was still a relatively novel and glamorous experience in the 1930s, and Christie capitalizes on this to create a unique atmosphere. The cramped airplane cabin, the tension among passengers, and the urgency of solving a crime mid-flight all contribute to an immersive reading experience.

Agatha Christie Death in the Clouds: Characters

and Detective Work

Christie's genius lies not just in the plot but in her well-crafted characters and the psychological insight she brings to her mysteries.

Hercule Poirot's Methodical Approach

Poirot's meticulous attention to detail and his methodical style of investigation shine throughout "Death in the Clouds." His ability to observe small details—often overlooked by others—allows him to piece together the puzzle. This novel showcases Poirot's famous "little grey cells" at work, demonstrating why he remains one of the most beloved fictional detectives ever created.

Memorable Characters

The passengers on the flight are a colorful mix, each with secrets and potential motives. From a wealthy widow to a charming Frenchman and a mysterious Englishwoman, Christie's knack for character development enriches the story. The interplay among characters adds layers of intrigue, making readers question everyone's innocence at some point.

Thematic Elements in Death in the Clouds

Beyond the murder mystery, "Death in the Clouds" explores themes such as deception, human nature, and justice.

The Illusion of Safety

The idea that a murder could occur in such a controlled environment as an airplane challenges the notion of safety and order. Christie plays with this tension expertly, reminding readers that danger can lurk anywhere—even thousands of feet above the ground.

Justice and Morality

Poirot's pursuit of the truth in the novel is not just about solving a crime but about ensuring justice is served. Throughout the story, Christie probes moral questions, such as what drives people to commit murder and the fine line between justice and vengeance.

Why Agatha Christie *Death in the Clouds* Remains Popular

Nearly a century after its publication, "*Death in the Clouds*" continues to captivate readers and mystery enthusiasts.

Timeless Appeal of Classic Detective Fiction

The novel embodies the classic whodunit formula, with a closed circle of suspects, clever clues, and a brilliant detective. This structure, combined with Christie's skillful storytelling, ensures the story remains engaging and fresh for new generations.

Unique Setting and Intriguing Plot

The airplane setting is relatively rare in detective fiction, especially from Christie's era. This fresh backdrop adds to the novel's appeal and sets it apart from many other mysteries.

Adaptations and Cultural Impact

While not as frequently adapted as some of Christie's other works, "*Death in the Clouds*" has inspired radio plays and stage adaptations. Its influence is evident in the way it set a precedent for "murder on a plane" mysteries, a trope that has appeared in various forms of media.

Tips for Reading Agatha Christie *Death in the Clouds*

If you're about to dive into this classic mystery, here are some tips to enhance your reading experience:

- **Pay attention to details:** Christie's clues are often subtle. Take notes or highlight passages that seem important.
- **Observe character interactions:** The suspects' behavior and dialogue often reveal hidden motives.
- **Try to solve the mystery yourself:** Challenge yourself to figure out the murderer before Poirot reveals the solution.

- **Enjoy the historical context:** Appreciate the 1930s setting and how air travel is portrayed during that era.

Exploring Related Works and Further Reading

For fans who enjoy "Death in the Clouds," there are plenty of other Agatha Christie novels featuring Hercule Poirot that you might find equally fascinating. Titles such as "Murder on the Orient Express" and "The ABC Murders" continue the tradition of intricate puzzles and compelling characters.

Additionally, exploring Christie's novels that involve unique settings—like "Murder in Mesopotamia" or "Evil Under the Sun"—can offer a broader appreciation of her versatility as a writer.

Understanding Agatha Christie's Legacy

Agatha Christie's impact on the crime and mystery genre is monumental. Her ability to weave suspenseful narratives with psychological depth has influenced countless authors and filmmakers. "Death in the Clouds," while perhaps not her most famous work, exemplifies the qualities that make her stories enduringly popular.

Reading this novel provides not only entertainment but also insight into the evolution of detective fiction and the cultural milieu of the early 20th century.

Whether you're settling in for a cozy evening with a classic mystery or seeking to expand your knowledge of detective literature, "Agatha Christie Death in the Clouds" offers a rich and rewarding experience. The blend of an unusual setting, a clever plot, and the ever-charming Hercule Poirot ensures that this novel remains a standout in Christie's impressive catalog.

Frequently Asked Questions

What is the plot of Agatha Christie's 'Death in the Clouds'?

In 'Death in the Clouds', detective Hercule Poirot investigates the murder of a woman on a flight from Paris to London, unraveling a complex mystery among

the passengers.

Who is the victim in 'Death in the Clouds' by Agatha Christie?

The victim is Madame Giselle, a French woman who is poisoned during the flight.

When was 'Death in the Clouds' first published?

'Death in the Clouds' was first published in 1935.

What makes 'Death in the Clouds' unique among Agatha Christie's novels?

The novel is notable for its setting almost entirely on an airplane, which was a relatively novel concept at the time, adding a confined and suspenseful atmosphere to the mystery.

Has 'Death in the Clouds' been adapted into any films or TV shows?

Yes, 'Death in the Clouds' has been adapted into television episodes, including a 1992 episode of the series 'Agatha Christie's Poirot' starring David Suchet.

Agatha Christie Death in the Clouds: A Classic Poirot Mystery Explored

agatha christie death in the clouds stands as one of the quintessential works in the prolific author's extensive catalogue of detective fiction. First published in 1935, this novel showcases Christie's signature style—a locked-room mystery aboard an airplane, featuring the celebrated Belgian detective, Hercule Poirot. As an early example of crime fiction set in an unconventional location, "Death in the Clouds" weaves suspense, intricate plotting, and character-driven intrigue into a compelling narrative that continues to captivate readers and critics alike.

In-depth Analysis of Agatha Christie's Death in the Clouds

"Death in the Clouds" reflects Agatha Christie's masterful ability to blend traditional mystery elements with innovative settings. Departing from the

usual country house or isolated manor, the confined space of an airplane introduces unique challenges and opportunities for storytelling. The novel takes place during a short flight from Paris to Croydon, where a murder unfolds mid-air, forcing Poirot to unravel the crime before the plane lands.

The confined setting intensifies the suspense and complexity of the plot. Christie uses the airplane as a microcosm, limiting suspects to a small group of passengers and crew, each with possible motives and secrets. This creates a closed circle of investigation, a hallmark of classic detective fiction. The airplane setting also introduces logistical challenges—how a murder weapon was smuggled aboard, who had access to the victim, and the feasibility of committing a crime in mid-flight—which Poirot must meticulously analyze.

Character Dynamics and Suspect Profiles

One of the strengths of "Death in the Clouds" lies in its well-drawn characters, each possessing distinctive traits and plausible motives. The victim, Madame Giselle, is a French antiques dealer known for her sharp tongue and abrasive personality, making many enemies. The suspects include a mix of travelers: a poet, a secretary, a taxidermist, and a wealthy socialite, among others. Christie's skill in crafting diverse characters ensures that readers are constantly guessing, as each individual's background and behavior come under scrutiny.

The interplay among characters adds layers to the narrative. Suspicion shifts back and forth, and Poirot's interrogation reveals hidden connections and deceptions. This multifaceted character design is essential in maintaining tension and engagement throughout the investigation.

Plot Structure and Narrative Techniques

Agatha Christie employs a traditional yet effective plot structure in "Death in the Clouds," beginning with the discovery of the crime and progressing through systematic interviews, logical deductions, and a climactic revelation. The narrative is tightly paced, with no extraneous subplots to dilute the central mystery.

Christie's use of red herrings and misdirection is particularly noteworthy. She carefully plants clues and false leads that challenge both Poirot and the reader, fostering an interactive reading experience. The detective's famous "little grey cells" are on full display as he pieces together seemingly unrelated details to expose the murderer.

Additionally, the novel incorporates an analytical approach, with Poirot explaining his reasoning in detail. This methodical unraveling appeals to readers who enjoy intellectual puzzles and emphasizes Christie's reputation as the "Queen of Mystery."

Contextual Significance and Reception

"Death in the Clouds" is situated within the golden age of detective fiction, when authors like Christie, Dorothy L. Sayers, and Margery Allingham dominated the genre. Its publication in the mid-1930s came at a time when air travel was becoming more commonplace but still retained an aura of luxury and novelty. Christie's choice to set the murder on an airplane was innovative, tapping into contemporary fascinations with modern technology and travel.

Critically, the novel received mixed but generally positive reviews. Admirers praised the ingenuity of the murder method and the clever resolution, while some critics noted that the airplane setting, though intriguing, imposed certain limitations on character development and narrative depth. Nonetheless, "Death in the Clouds" remains a favorite among Poirot aficionados and is often included in collections highlighting Christie's most inventive mysteries.

Comparison with Other Poirot Novels

When compared to other Hercule Poirot adventures, such as "The Murder of Roger Ackroyd" or "Murder on the Orient Express," "Death in the Clouds" occupies a unique niche. While it may not possess the same level of groundbreaking narrative twists as "Roger Ackroyd," it shares similarities with "Orient Express" in its enclosed setting and ensemble of suspects.

Unlike some Poirot novels set in sprawling estates or bustling cities, the airplane setting restricts the scope but intensifies the claustrophobic tension. This makes it an interesting study in how location shapes mystery fiction. Additionally, the murder weapon—a poisoned dart—is an unconventional choice, adding an exotic flair to the crime and showcasing Christie's creativity in devising murder methods.

Legacy and Adaptations

Though "Death in the Clouds" has not enjoyed as many adaptations as some of Christie's other works, it has been dramatized in radio plays and featured in Poirot television series anthologies. The novel's airplane setting lends itself well to visual storytelling, offering a confined environment with high stakes.

The book continues to be studied for its narrative structure and Christie's skillful use of misdirection. For readers and scholars interested in the evolution of detective fiction, "Death in the Clouds" represents a noteworthy experiment in setting and plot mechanics within the Christie oeuvre.

Key Features and Elements of Agatha Christie Death in the Clouds

- **Setting:** Mid-1930s airplane flight between Paris and Croydon, providing a unique and confined locale for the murder investigation.
- **Detective:** Hercule Poirot, whose methodical and psychological approach drives the inquiry forward.
- **Plot Device:** Locked-room style mystery with a limited suspect pool and a distinctive murder weapon (a poisoned dart).
- **Characterization:** Diverse passengers with plausible motives, creating a complex web of relationships.
- **Thematic Elements:** Exploration of deception, human nature, and the use of logic over intuition in crime-solving.

Pros and Cons of the Novel's Approach

1. Pros:

- Innovative use of airplane setting elevates suspense.
- Strong, logical deduction sequences that appeal to puzzle enthusiasts.
- Rich character diversity keeps the mystery engaging.

2. Cons:

- Limited character development due to confined setting.
- Some pacing issues in the middle sections where exposition dominates.
- Murder weapon choice may feel gimmicky to some readers.

The continued popularity of "Death in the Clouds" attests to Agatha Christie's enduring ability to craft mysteries that challenge and entertain. Its blend of traditional detective tropes with a novel environment reinforces the timeless appeal of Hercule Poirot's adventures, inviting readers to soar through intrigue and deduction alike.

agatha christie death in the clouds: *Death in the Clouds (Poirot)* Agatha Christie, 2010-10-14 A woman is killed by a poisoned dart in the enclosed confines of a commercial passenger plane...

agatha christie death in the clouds: Death in the Clouds Agatha Christie, 1998 On a routine flight over the English Channel, a woman is murdered with the venom-dipped dart of a South African blow-gun. How bizarre that the killing should go unnoticed by the plane's other passengers. Most ironic of all, though, is that Hercule Poirot, the brilliant detective, was sitting just 15 feet from the victim! Also published as *Death in the Air*.

agatha christie death in the clouds: [Death in the Clouds](#) Agatha Christie, 1964

agatha christie death in the clouds: [Death in the Clouds](#) Agatha Christie, 2024-04-30 In this official authorized edition from the Queen of Mystery, Hercule Poirot must solve a perplexing case of midair murder when he discovers that the woman in seat two of the airborne aeroplane he's traveling on is quite unexpectedly--and unnaturally--deceased. Now with a beautiful new series look. From seat No. 9, Hercule Poirot was ideally placed to observe his fellow air passengers on the short flight from Paris to London. Over to his right sat a pretty young woman, clearly infatuated with the man opposite; ahead, in seat No. 13, sat a countess with a poorly concealed cocaine habit; across the gangway in seat No. 8, a writer of detective fiction was being troubled by an aggressive wasp. Yes, Poirot was almost ideally placed to take it all in, except what he did not yet realize was that behind him, in seat No. 2, sat the slumped, lifeless body of a woman. Murdered, and likely by someone in Poirot's immediate proximity.

agatha christie death in the clouds: The Bedside, Bathtub & Armchair Companion to Agatha Christie Dick Riley, Pam McAllister, Bruce Cassiday, 2001-09-01 Over 400,000 copies sold! If you are a mystery buff, an Agatha Christie fan, an occasional Christie reader or an acquaintance of any of the above, this book is for you and all your fortunate friends *The Bedside, Bathtub & Armchair Companion to Agatha Christie*, on the 25th anniversary of Agatha Christie's death, continues as a grand salute to the queen of mysteries. It is filled with wonderful and surprising things about her books, her characters, the movies and plays based on them, and Dame Agatha herself. Original contributions by some sixty writers celebrate the Christie touch. Take your pick among these intriguing features and speculations: -Surviving an English country weekend - if you had the advice of Hercule Poirot - A guide to the Christie poisons, as well as the cruder methods of genteel mayhem - The other Agatha Christie who wrote romantic novels - A murder victim's (!) first-person account of a Christie Mystery Weekend - The Hercule Poirot Double-Crostic and other puzzles That's a taste. There's much more - and witty plot summaries of all Christie's novels, plays, and many of her short stories. (But no endings, of course!) This treasury is more than entertainment - it is also a personal reference work for Christie fans. And there are scores of movie posters, film stills, illustrations and a Christie mystery map, too.

agatha christie death in the clouds: Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries. Dame Agatha Christie reigns supreme as the "Queen of Crime." Numerous books have been written about the legendary crime writer, focusing on nearly every aspect of her craft. But until now no one has carried out an in-depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue. In the UK and US, Agatha Christie's work was serialized in the most prestigious magazines and newspapers of the day, often under an array of different titles, prior to being published by Collins and Dodd, Mead and Company. Second serial rights could result in a single title being syndicated to over 40 newspapers. Over the decades, numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers, literary agents and others until now. Jared Cade, author of the ground-breaking biography *Agatha Christie and the Eleven Missing Days*, has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before, especially when correlating her publications to the parallels in her life. Illustrated with rare pictures, *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans, librarians, scholars, antiquarian booksellers, broadcasters and others interested in the making of one of the 20th century's most beloved writers. "Jared Cade is an acknowledged authority on Christianna" "Crime Time

agatha christie death in the clouds: Fritz Wölcken: Der literarische Mord. Fritz Wölcken, 2015-03-09 Mit einem Vorwort von Thomas Wörtche. Wölckens Buch ist substantiell, weil es Kriminalliteratur ganz selbstverständlich als Literatur begreift. Deswegen methodisch weit seiner Zeit voraus und angesichts des neuen, sehr schlichten, lediglich marketingmäßig denkenden Verständnis von »Genre« auch heute wieder moderner und aktueller. »Der literarische Mord« war Anfang der 50er Jahre Wölckens Habilitationsschrift, die – man bedenke die Zeit – angesichts des damals noch exzentrischen Themas »Kriminalliteratur« sensationellerweise von der Deutschen Forschungsgemeinschaft bezuschusst wurde. Sein Buch – das in Auszügen bis in die 60er Jahre z. B. vom SPIEGEL nachgedruckt wurde – ist die erste seriöse Arbeit zum Thema in Westdeutschland, weil sie die Kriminalliteratur nicht lesersoziologisch im Sinn der Trivialliteratur betrachtet, sondern sie literaturwissenschaftlich in die entsprechenden weltliterarischen Kontexte setzt. Auch wenn einzelne Urteile und Erkenntnisse von heute aus gesehen diskutabel erscheinen – sie sind auf jeden Fall seriös diskutabel und unterscheiden sich damit positiv von mittlerweile subdiskutablen Positionen zum Genre. »Ein Meilenstein des (frühen) Nachdenkens über Kriminalliteratur.« Thomas Wörtche

agatha christie death in the clouds: *V is for Venom* Kathryn Harkup, 2025-06-19 Fourteen stories. Fourteen more poisons. Just because it's fiction doesn't mean it's all made-up ... Agatha Christie is renowned for her captivating plots and creative ways of killing off ill-fated victims. And what better way to add intrigue to a story than poison? The surreptitious ways they can be administered and the characteristic symptoms they produce make these killer chemicals the ideal method of murder in a 'whodunit'. Christie perfected the use of poisons in her plots; her deft and varied use of toxic substances is one of her great strengths as a writer. But how is it that some compounds prove so fatal, and in such tiny amounts? The follow up to Kathryn Harkup's best-selling *A is for Arsenic*, *V is for Venom* is a compelling exploration of Christie's use of poisons and her

extensive chemical knowledge. Featuring fourteen more poisons from the works of Agatha Christie, this book investigates the science behind the deadly substances, the history of their use in real-life murder cases, and how feasible was it to obtain, administer and detect these poisons in Christie's time and today. Combining Christie's murder mysteries, chemical science and true crime, *V* is for Venom is a celebration of the use of science by the undisputed Queen of Crime.

agatha christie death in the clouds: The Sanctuary of Hermes and Aphrodite at Syme Viannou VII, Vol. 1 Antonis Kotsonas, 2024-02-15 New insights from the archaeology and pottery of the sanctuary of Hermes and Aphrodite at Syme Viannou, Crete The Sanctuary of Hermes and Aphrodite at Syme Viannou VII: The Greek and Roman Pottery presents in two volumes the Greek and Roman pottery recovered from the excavation of the sanctuary of Syme Viannou, one of the most long-lived and important cult sites of ancient Crete and the Aegean. The site, which is known as the Cretan Delphi, was dedicated to Hermes and Aphrodite for much of its history. The present study analyzes and catalogs 865 pieces, dating from across the early first millennium BCE to the mid-first millennium CE. Kotsonas integrates traditional typological and chronological inquiries with contextual considerations, macroscopic and petrographic analyses of ceramic fabrics, and quantitative studies. The resulting work provides detailed documentation of the pottery from Syme Viannou and explores its ritual and other roles within the diachronic panorama of cultic and other activities at the site. It also supports a broader understanding of the role of ceramics in sanctuary contexts by introducing systematically comparative perspectives on the evidence of pottery from other Cretan and Greek sanctuaries. Volume 1 provides an introduction to the site of the sanctuary of Syme Viannou and its history, and contains an analytical catalog of the ceramic remains.

agatha christie death in the clouds: *Isobel's Odyssey* Ann Blair Kloman, 2010-06-07 Isobel, a widow of a certain age and long-time resident of a small fishing village on the coast of Maine, decides she requires additional income to support her desire for first-class travel. She answers an ad for a hired mercenary to an ex-Mafia don, first testing her homicidal capabilities at home and later, with her niece Jo in tow, moving on to assignments in Montana to dispatch a Japanese harvester of children's body parts, in Stockholm to remove a Russian anthrax intermediary, and, in Bermuda to "put paid" to an English high-class pimp. She and Jo, of course, savor the fine accommodations and gastronomic rewards of their efforts, but will they receive their comeuppance? And what of the mysterious gentleman who pops up at each of their assignments?

agatha christie death in the clouds: *Maxwell's Guide to Authority Work* Robert L. Maxwell, 2002-05-22 Unidentified Flying Objects, not UFOs or Flying Saucers Authority work is the linchpin of the library catalog. As the author puts it, Without authority control, the burden is placed on the user to think of all the possible forms a cataloger might have used to give access in the catalog to a given author or subject. If a subject is not sorted by its authorized heading, then the library and its users and staff are left without a system and ultimately the cost of an unsatisfied user. From one of the preeminent experts in the field, this is the step-by-step guide for ensuring that your library and staff are creating and maintaining authority records with the end user in mind. Comprehensive and definitive, Maxwell's Guide to Authority Work is a must-have. In this readable text, authority work is broken down to its most basic components so that you can trace and follow the preparation of a complete authority record. Helpful illustrations identify the key characteristics of good authority records, common acronyms are defined, and cross-references throughout reinforce material. Step-by-step, you'll learn how to: Form and record uniform access points Keep thorough and accurate records Share information in an environment of international databases and cooperative cataloging The authoritative tool for making certain a person, author, corporate body, organization, book, or other media is appropriately classified under its authority name, subject, and form, Maxwell's should be part of any library's toolbox.

agatha christie death in the clouds: *Doctor Who and the Art of Adaptation* Marcus K. Harmes, 2014-05-01 Although it started as a British television show with a small but devoted fan base, Doctor Who has grown in popularity and now appeals to audiences around the world. In the fifty-year history of the program, Doctor Who's producers and scriptwriters have drawn on a

dizzying array of literary sources and inspirations. Elements from Homer, classic literature, gothic horror, swashbucklers, Jacobean revenge tragedies, Orwellian dystopias, Westerns, and the novels of Agatha Christie and Evelyn Waugh have all been woven into the fabric of the series. One famous storyline from the mid-1970s was rooted in the Victoriana of authors like H. Rider Haggard and Arthur Conan Doyle, and another was a virtual remake of Anthony Hope's *The Prisoner of Zenda*—with robots! In *Doctor Who and the Art of Adaptation: Fifty Years of Storytelling*, Marcus Harmes looks at the show's frequent exploration of other sources to create memorable episodes. Harmes observes that adaptation in *Doctor Who* is not just a matter of transferring literary works to the screen, but of bringing a diversity of texts into dialogue with the established mythology of the series as well as with longstanding science fiction tropes. In this process, original stories are not just resituated, but transformed into new works. Harmes considers what this approach reveals about adaptation, television production, the art of storytelling, and the long-term success and cultural resonance enjoyed by *Doctor Who*. *Doctor Who and the Art of Adaptation* will be of interest to students of literature and television alike, and to scholars interested in adaptation studies. It will also appeal to fans of the series interested in tracing the deep cultural roots of television's longest-running and most literate science-fiction adventure.

agatha christie death in the clouds: *Fear and Clothing* Jane Custance Baker, 2023-01-26 Through analyzing dress in detective fiction, *Fear and Clothing* reveals a cultural history of identity affected by the social upheaval caused by war. In-depth analysis of interwar publications by a comprehensive range of writers reveals readers' anxieties and fears about class, gender and race and how these changed over the period. Although read and written by both men and women, detective fiction was deemed at the time to be a masculine and high-status entertainment. However the literature demonstrates an admiration and acceptance of the woman's identity, performed during the Great War and continuing throughout the interwar period, as girl pal and female gentleman. In chapters that explore age, character, class, masculinity, performative womanhood and race, Jane Custance Baker exposes how dress was a status marker to both male and female readers, made anxious by social change brought about by war. Dress in detective fiction reveals a set of signs to be read, digested, and possibly employed to model the individual reader's personal dress choices. *Fear and Clothing* sheds new light on dress of the period, the social and cultural environment as depicted in the popular fiction genre in the early 20th century, and is of interest to researchers and scholars within dress history, literary and historical studies, as well as anyone who enjoys the history of detective fiction.

agatha christie death in the clouds: *Clues: A Journal of Detection*, Vol. 37, No. 2 (Fall 2019) Elizabeth Foxwell, 2020-04-06 For over two decades, *Clues* has included the best scholarship on mystery and detective fiction. With a combination of academic essays and nonfiction book reviews, it covers all aspects of mystery and detective fiction material in print, television and movies. As the only American scholarly journal on mystery fiction, *Clues* is essential reading for literature and film students and researchers; popular culture aficionados; librarians; and mystery authors, fans and critics around the globe.
