

chorus of the hebrew slaves

Chorus of the Hebrew Slaves: A Timeless Opera Masterpiece

chorus of the hebrew slaves is one of the most iconic and emotionally charged pieces in the world of classical music and opera. Known originally as "Va, pensiero," this chorus comes from Giuseppe Verdi's famous opera **Nabucco**, which premiered in 1842. The haunting melody and poignant lyrics have resonated with audiences for nearly two centuries, capturing themes of longing, freedom, and resilience. But what makes the chorus of the Hebrew slaves so compelling, and why does it continue to hold a special place in both musical and cultural history? Let's dive into the background, significance, and musical brilliance of this extraordinary work.

The Origins of the Chorus of the Hebrew Slaves

The chorus of the Hebrew slaves is a pivotal moment in Verdi's opera **Nabucco**, which tells the story of the Babylonian captivity of the Israelites. The opera itself is based on biblical events, focusing on the struggles of the Hebrew people under Nebuchadnezzar's rule. Within this context, the chorus emerges as a collective lament from the enslaved Hebrews, expressing their sorrow and yearning for their homeland.

Historical Context of **Nabucco**

Nabucco was composed during a time of political unrest in Italy. The country was fragmented and under foreign domination, sparking the Italian unification movement known as the Risorgimento. Verdi's opera, and especially the chorus of the Hebrew slaves, quickly became symbolic of the Italian people's own desire for freedom and national identity. This connection between the biblical story and contemporary struggles helped the chorus gain immense popularity beyond the opera house.

Meaning Behind the Lyrics

The original Italian lyrics begin with "Va, pensiero, sull'ali dorate," which translates to "Fly, thought, on golden wings." The words evoke a powerful image of the Hebrew slaves' thoughts and prayers soaring back to their homeland, despite their physical captivity. This theme of spiritual freedom amidst oppression is universal, making the chorus relatable to many who have experienced hardship or displacement.

Musical Characteristics of the Chorus of the Hebrew Slaves

What makes the chorus of the Hebrew slaves stand out musically? Verdi was a master of melody and drama, and this piece showcases his ability to combine simplicity with profound emotional impact.

The Melody and Harmony

The melody of the chorus is gentle yet deeply moving, characterized by a smooth, flowing line that invites reflection. Verdi employs harmonious chords that build subtly, allowing the emotions to swell naturally rather than through dramatic outbursts. This creates a contemplative atmosphere, perfectly suited to the chorus's theme of longing and sorrow.

Choral Arrangement and Vocal Impact

The chorus is performed by a full choir, which adds a richness and communal feeling to the music. The blending of voices symbolizes the unity and shared plight of the Hebrew people. The dynamic range—from soft, almost whispered passages to powerful, resonant climaxes—draws listeners in and evokes empathy.

Cultural Impact and Legacy

The chorus of the Hebrew slaves transcends its operatic origins, having influenced not only music lovers but also political and social movements over the years.

An Anthem for Freedom

In Italy, the chorus became an unofficial anthem for the Risorgimento, inspiring those who sought independence and unification. It was said that audiences would sing along, transforming the opera into a collective expression of hope and resistance. The emotional power of the chorus gave voice to people longing for liberty and justice.

Appearances in Popular Culture

Beyond the opera stage, the chorus has appeared in numerous films,

documentaries, and concerts worldwide. It has been performed at significant historical events and commemorations, further cementing its status as a symbol of resilience. The piece's universal themes allow it to connect with audiences regardless of cultural background.

Understanding the Chorus of the Hebrew Slaves Today

For modern listeners and performers, the chorus remains a profound example of music's ability to convey complex emotions and historical narratives.

Interpreting the Chorus in Contemporary Performances

Today's renditions often emphasize the emotional depth and spiritual longing embedded in the music. Conductors and choirs might focus on the subtle dynamics and phrasing to bring out the chorus's timeless message of hope amid despair. Some performances even incorporate translations or contextual introductions to help audiences appreciate its significance.

Tips for Appreciating the Chorus

If you're new to opera or classical music, the chorus of the Hebrew slaves is a fantastic starting point. Here are a few tips to enhance your listening experience:

- **Learn the story:** Understanding the historical and biblical background adds layers of meaning to the music.
- **Focus on the lyrics:** Even if you don't speak Italian, reading translations can deepen your emotional connection.
- **Listen to different interpretations:** Various conductors and choirs bring unique nuances to the chorus, so exploring multiple versions can be rewarding.
- **Pay attention to the chorus dynamics:** Notice how the music ebbs and flows to reflect the emotions of the Hebrew slaves.

The Role of Verdi's Music in Shaping National Identity

Verdi's *Nabucco*, and the chorus of the Hebrew slaves in particular, played a significant role in shaping Italian cultural and national identity. The opera's success went beyond entertainment—it became a rallying cry.

Verdi as a Symbol of Italian Unity

During the 19th century, Italians saw Verdi's music as an embodiment of their aspirations for unity and independence. The chorus's themes of captivity and hope resonated deeply with those living under foreign rule. In fact, Verdi's name itself became an acronym for "Vittorio Emanuele Re D'Italia," the king who would eventually unify Italy, illustrating how intertwined the composer's legacy is with the nation's history.

Lasting Influence on Opera and Beyond

The chorus of the Hebrew slaves helped establish Verdi as a leading figure in Italian opera, influencing generations of composers and performers. It demonstrated how opera could be a powerful medium for political expression and emotional storytelling, a tradition that continues in contemporary works.

Every time the chorus is performed, it reminds us of the enduring human spirit and the power of music to inspire change and comfort those facing adversity. Whether you are an opera aficionado or a casual listener, the chorus of the Hebrew slaves offers a moving glimpse into history, culture, and the profound beauty of Verdi's artistry.

Chorus of the Hebrew Slaves: An Exploration of Verdi's Iconic Operatic Masterpiece

chorus of the hebrew slaves stands as one of the most recognizable and emotionally charged moments in the operatic repertoire. Originating from Giuseppe Verdi's 1842 opera, "Nabucco," this chorus has transcended its initial theatrical context to become a symbol of longing, freedom, and resilience. An integral part of the opera's narrative, the "Va, pensiero"

chorus offers a poignant glimpse into the collective suffering and hope of the Hebrew people during their Babylonian exile, resonating with audiences far beyond its Italian origins.

Historical and Cultural Context of the Chorus of the Hebrew Slaves

The "Chorus of the Hebrew Slaves" emerges from Verdi's opera "Nabucco," which dramatizes the plight of the Israelites as they endure captivity under the Babylonian king Nebuchadnezzar II. Set against the backdrop of 6th century BCE events, the chorus captures the Hebrew people's yearning for their homeland, evoking themes of displacement and cultural identity. The historical context enriches the emotional depth of the piece, as it reflects not only biblical history but also the 19th-century Italian struggle for national unification and independence—an allegory that did not go unnoticed by contemporary audiences.

This intersection between art and political sentiment amplified the chorus's significance, transforming it into an anthem of hope and resistance. The universal appeal of the "chorus of the hebrew slaves" lies in its ability to voice collective grief and aspiration, which explains its enduring presence in both operatic performances and broader cultural expressions.

Musical Structure and Characteristics

Verdi's composition skillfully balances simplicity with profound emotional impact. The chorus is written for a male chorus accompanied by an orchestral arrangement that underpins the vocal lines with a somber yet lyrical quality. The melody unfolds gently, utilizing a minor key that enhances the melancholic atmosphere while infusing a sense of dignity and solemnity.

Melodic and Harmonic Elements

The melodic line is characterized by its lyrical, flowing phrases that facilitate a communal singing effect, inviting listeners to empathize with the Israelites' plight. Harmonically, Verdi employs subtle modulations and a restrained orchestral texture to maintain focus on the chorus's vocal delivery. The use of repeated motifs reinforces the sense of longing and the enduring hope for liberation.

Vocal and Orchestral Features

The chorus is predominantly sung by a male ensemble, which contributes to the gravity and collective voice essential to the piece's narrative. The orchestration is deliberately understated, featuring strings and woodwinds that complement the choral voices without overpowering them. This interplay creates an immersive soundscape that draws listeners into the emotional core of the Hebrew slaves' experience.

Symbolism and Thematic Significance

The "chorus of the hebrew slaves" is more than an operatic number; it functions as a powerful symbol of exile, loss, and the human spirit's resilience. The text itself, adapted from biblical sources, articulates a deep nostalgia for homeland and freedom that resonates universally.

Reflection of Nationalism and Identity

In mid-19th century Italy, the chorus assumed new layers of meaning, aligning with the Risorgimento movement's aspirations. Italians, fragmented and under foreign domination, found in the Hebrew slaves' lament a mirror of their own struggle for unity and sovereignty. Verdi's chorus thus became a covert anthem of patriotism, demonstrating how music can transcend its original narrative to serve broader sociopolitical functions.

Universal Themes of Oppression and Hope

Beyond its historical and political interpretations, the chorus encapsulates the universal human condition of suffering under oppression and the persistent hope for redemption. This thematic universality accounts for its frequent use in various cultural contexts, from concert halls to political rallies, reinforcing its status as an emblem of freedom and human dignity.

Performance and Reception Over Time

Since its premiere in 1842, the chorus has enjoyed widespread acclaim and frequent inclusion in operatic repertoires worldwide. Its accessibility to both performers and audiences has contributed to its popularity, making it a staple in choral and orchestral programs.

Interpretative Variations

Performances of the "chorus of the hebrew slaves" vary widely, with some

emphasizing its somber, reflective qualities, while others highlight its hopeful, anthem-like character. The flexibility in tempo, dynamics, and vocal emphasis allows conductors and choirs to tailor the piece to different interpretive angles, whether underscoring despair or inspiring resilience.

Modern Usage and Cultural Impact

In contemporary settings, the chorus continues to be a powerful cultural reference. It has been featured in films, documentaries, and public commemorations, often evoking themes of exile, diaspora, and human rights. Notably, its melodies have been adapted and referenced in various musical genres, testifying to its lasting influence beyond classical opera.

Comparative Analysis: Chorus of the Hebrew Slaves and Other Operatic Choruses

When compared to other famous operatic choruses, such as the "Anvil Chorus" from Verdi's "Il Trovatore" or the "Habanera" from Bizet's "Carmen," the "chorus of the hebrew slaves" stands out for its contemplative and mournful tone. Unlike more exuberant or celebratory choruses, it embodies a restrained emotional power that invites introspection.

- **Anvil Chorus (Il Trovatore):** Energetic and rhythmic, celebrating the joys of labor and camaraderie.
- **Habanera (Carmen):** Sensual and rhythmic, expressing themes of love and fate.
- **Chorus of the Hebrew Slaves:** Reflective and somber, emphasizing collective suffering and hope.

This contrast highlights Verdi's versatility as a composer and the unique emotional space occupied by the "chorus of the hebrew slaves" within the operatic canon.

Conclusion: Enduring Legacy and Contemporary Relevance

The "chorus of the hebrew slaves" remains a compelling testament to the power of music to articulate complex human emotions and sociopolitical realities. Its seamless integration of historical narrative, musical expression, and

symbolic meaning ensures its place as a cornerstone of operatic and cultural history. For modern audiences and performers alike, it continues to offer a profound encounter with themes of exile, resilience, and the universal yearning for freedom.

chorus of the hebrew slaves: **Chorus of the Hebrew slaves** Giuseppe Verdi,

chorus of the hebrew slaves: *Mein kleines Solo im großen Orchester - My Little Solo in a Big Orchestra* Jürgen Langhans, 2022-01-07 Das Notenheft ist eine ausgewählte Sammlung klassischer Werke, die ganz speziell für Solo-Cello und einem versteckten Orchester (Playback / Karaoke) bearbeitet wurden. Die Stücke eignen sich für private Aufführungen daheim (Hausmusik) oder für Straßenmusik. Der Autor hat bekannte Werke ausgewählt, deren führendes Thema durch eine besonders schöne Melodie getragen wird. Dadurch kommt der Cellist in den Genuß, schöne, ins Ohr gehende Melodien spielen zu dürfen, Melodien, die im Original sonst von einem Orchester, einem Chor oder einem Sänger, nie jedoch von einem Solo-Cello interpretiert werden. Die Sammlung eignet sich als motivierende, nicht alltägliche Ergänzung bestehenden Lehrmaterials. Das Notenheft enthält die Cello-Stimmen; die Orchesterspuren stehen als mp3-Download zur Verfügung. Der Solist benötigt eine gute Stereoanlage. This music book is a selection of classical works that have been specially arranged for solo violoncello and hidden orchestra (playback / karaoke). These pieces can be used for private performances (Hausmusik) or for busking. The author has chosen well-known works whose leading themes are characterized by particularly beautiful melodies. Thus, cellists are able to enjoy the pleasure of playing beautiful and catchy tunes which - in their original version - would be played by an orchestra, a choir or a solo singer. This collection of music is a highly motivating and perhaps unusual supplement to the available body of teaching material. It includes the cello part; the orchestra tracks are provided in mp3 format for download. To achieve full sound satisfaction, the soloist needs a high-quality stereo sound system.

chorus of the hebrew slaves: **All Things Chorus** Anne Wien Lynn, 2013-01-14 Jin and Medie are beautiful twin sisters. Jin, composer and conductor, special correspondent of classical music programs of CCTV; Medie, a life sciences engineer, Ph.D. They adopted six orphans---a boy and five girls, gave them good education with love. Jin trained five girls become an excellent chorus. Immigrated to North America From China, they started a hard new life. Young pianist Suraj Ram found their talents, and helped them to re-enter the music stage. Suraj fell in love with Jin, but the different religions and cultures were enormous barriers between them. How could Suraj make a choice? In Los Angeles, Jin successfully conducted the world's first symphonic choral concert without sheets music. After that, Jin and Medie took the children back to China for a trip, Suraj decided to go with them. It was a romantic tour of the Chinese cultures.

chorus of the hebrew slaves: **Chorus Function Evolution** Talia Mercer, AI, 2025-05-05 Chorus Function Evolution explores the dynamic journey of the Greek chorus, challenging the notion of it as a static element in dramatic performance. The book traces its evolution from ancient Greece, where the chorus served as a communal voice and moral compass, to its diverse modern reinventions. Intriguingly, the chorus's role wasn't always unified; it was a site of negotiation reflecting cultural values. The study reveals how the chorus, diminished at times, re-emerges in movements like Renaissance drama and even contemporary musicals, demonstrating its adaptability. The book analyzes the chorus's function across different periods, beginning with its foundational role in classical tragedies and progressing through periods of dormancy and reinvention. By

examining theatrical productions and dramatic literature, the author illuminates the chorus's capacity to address current social and political concerns. Ultimately, *Chorus Function Evolution* argues that the chorus remains a potent theatrical tool, challenging conventional views and highlighting its relevance in shaping theatrical expression by providing a historical context within ancient Greek society.

chorus of the hebrew slaves: Recht und Literatur im Zwischenraum / Law and Literature In-Between Christian Hiebaum, Susanne Knaller, Doris Pichler, 2015-05-15 Der Beziehung von Recht und Literatur wird seit einigen Jahrzehnten sowohl in der Literatur- als auch in der Rechtswissenschaft große Aufmerksamkeit zuteil. Vor dem Hintergrund der theoretischen und praktischen Anforderungen von Inter- und Transdisziplinarität bietet dieser Band einen Überblick über den aktuellen Stand des Forschungsfeldes. Rechts- und Literaturwissenschaftler_innen behandeln brisante Fragen wie die Möglichkeit von Methoden- und Begriffstransfers, mediale Darstellungen von Recht und den Zusammenhang zwischen Rechtsempfinden und den Künsten.

chorus of the hebrew slaves: Choral Repertoire Dennis Shrock, 2022 The second edition of *Choral Repertoire* is a comprehensive reference book about choral music in Western culture from Gregorian chant to compositions of the early twenty-first century, now expanded to include dozens of new composers with the aim of further expanding and diversifying the western choral repertoire.

chorus of the hebrew slaves: Siren Songs Mary Ann Smart, 2014-12-25 It has long been argued that opera is all about sex. *Siren Songs* is the first collection of articles devoted to exploring the impact of this sexual obsession, and of the power relations that come with it, on the music, words, and staging of opera. Here a distinguished and diverse group of musicologists, literary critics, and feminist scholars address a wide range of fascinating topics--from Salome's striptease to hysteria to jazz and gender--in Italian, English, German, and French operas from the eighteenth to the twentieth centuries. The authors combine readings of specific scenes with efforts to situate these musical moments within richly and precisely observed historical contexts. Challenging both formalist categories of musical analysis and the rhetoric that traditionally pits a male composer against the female characters he creates, many of the articles work toward inventing a language for the study of gender and opera. The collection opens with Mary Ann Smart's introduction, which provides an engaging reflection on the state of gender topics in operatic criticism and musicology. It then moves on to a foundational essay on the complex relationships between opera and history by the renowned philosopher and novelist Catherine Clément, a pioneer of feminist opera criticism. Other articles examine the evolution of the trouser role as it evolved in the lesbian subculture of fin-de-siècle Paris, the phenomenon of opera seria's absent mother as a manifestation of attitudes to the family under absolutism, the invention of a hystericized voice in Verdi's *Don Carlos*, and a collaborative discussion of the staging problems posed by the gender politics of Mozart's operas. The contributors are Wye Jamison Allanboork, Joseph Auner, Katherine Bergeron, Philip Brett, Peter Brooks, Catherine Clement, Martha Feldman, Heather Hadlock, Mary Hunter, Linda Hutcheon and Michael Hutcheon, M.D., Lawrence Kramer, Roger Parker, Mary Ann Smart, and Gretchen Wheelock.

chorus of the hebrew slaves: Metamorphosis Anna-Teresa Tymieniecka, 2013-06-05 How do we perdure when we and everything around us are caught up in incessant change? But the course of this change does not seem to be haphazard and we may seek the modalities of its Logos in the transformations in which it occurs. The classic term 'Metamorphosis' focuses upon the proportions between the transformed and the retained, the principles of sameness and otherness. Applied to life and its becoming, metamorphosis pinpoints the proportions between the vital and the aesthetic significance of life. Where could this metaphysical in-between territory come better to light than in the Fine Arts? In this collection are investigated the various proportions between the vital significance of the constructivism of life and a specifically human contribution made by the creative imagination to the transformatory search for beauty and aesthetic values. chorus of the hebrew slaves: *The Concise Oxford Dictionary of Opera* John Warrack, Ewan West, 1996-03-07 Derived from the full Oxford Dictionary of Opera, this is the most authoritative and up-to-date dictionary of opera available in paperback. Fully revised for this new edition, with over 3,500 entries, it is designed to be accessible to all those who enjoy opera, whether at the opera-house or on record. * Composers and their works * Singers and their notable performances * Plot summaries and separate entries for well-known roles, arias, and choruses * Leading conductors, producers, and designers * Opera companies and festivals

chorus of the hebrew slaves: *Verdi in the Age of Italian Romanticism* David R. B. Kimbell, 1981-04-23 Professor Kimbell's classic study illuminates the first fifteen years of Verdi's composing career, the era that culminated in his trio of masterpieces, *Rigoletto*, *Il Trovatore* and *La Traviata*. Verdi had become an acknowledged master of the peculiar brand of Romanticism that flourished in Italy in the 1830s and 40s; this background is examined in its political, social and literary light, and his consequent transformation of Italian operatic conventions is analysed. The four parts of Professor Kimbell's book range over biographical, documentary, literary and close-analytical ground. Attention is given to individual operas in order to show how Verdi assimilated and developed the Romantic tradition in his work.

chorus of the hebrew slaves: Arias, Ensembles, & Choruses John Yaffé, David Daniels, 2011-11-17 Conductors John Yaffé and David Daniels have created a one-stop sourcebook for orchestras, opera companies, conductors, and librarians who research and/or prepare programs of vocal excerpts—such as solos, ensembles, and choruses—for concert performance. In this book, readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas, operettas, musicals, and oratorios—more than 1,750 excerpts from 450 parent works. Modeled on Daniels' *Orchestral Music*, *Arias, Ensembles, & Choruses* includes basic historical details about each parent work as well as extract titles, subtitles, voice types, keys, durations, locations in the original work (with page numbers in both full scores and piano-vocal scores), and exact instrumentation. It also lists the publishers that make available the orchestral materials for just the excerpt being programmed, independent of the full parent work. Until now, conductors and orchestra librarians commonly had to first leaf through full scores, searching for one elusive three-minute aria after another, only to then consult multiple publishers' catalogues to compile crucial information on all the excerpts proposed for a concert or recording. This book constitutes a single source for finding that information. In many cases, the individual entries include valuable insider information on common performance practice, including start- and stop-points, transpositions, and conventional cuts. Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts, all categorized by personnel (e.g., duets, trios, quartets, quintets, sextets, choruses) and language (Czech, English, French, German, Italian, Latin, Russian). This book is the ideal tool for the working conductor and orchestral librarian, as well as music program directors at colleges and conservatories, opera companies, and symphony orchestras. As of October 2015, a new printing of this book has occurred to correct errors in the index. A PDF version of the new index is available to previous purchasers of the volume. Please contact Rowman & Littlefield's music editor for assistance.

chorus of the hebrew slaves: The Power of Notes Stilovsky, 2019-12-17 Notes are fundamental to the making of music, but it's not just the notes that fascinate us. We love to learn about the musicians who use them to make great music and entertain us. Felix Schrodinger and Pyotr Stilovsky have compiled in this, the third volume of the series, a compendium of information that will appeal to all who love music and especially to those who seek out knowledge for its own sake.

chorus of the hebrew slaves: The Modern Divine Comedy Book 6: Purgatorio 2 Departure Andrew J. Farrara, 2022-10-13 The Purgatorio is the celestial afterworld where all

people who die on Earth first immediately arrive to be purged and processed in their after-life by the Angels and Wise Prophets. The Journalist Romano as Adam & the ancient Prophet Zarathustra arrive to attend the Annual Lantern Parade in the attached Paradiso but will experience all the aspects of the Purgatorio before moving onto the Paradiso. The Café Graeco-Roman is the largest public café in the Celestial Kingdom where souls gather to discuss their personal, recreational and theological concerns amidst conspiratorial undercurrents led by the diabolical Devil and his tough-talking Three Crown Princes arriving as both undercover comedians and Garçons. The World's main religions of Hinduism, Buddhism, Confucianism, Taoism, Judaism, Shintoism, Zoroastrianism, Jainism, Sikhism, Christianity and Islam and the Primitive Religions as well are explored by both the Young French Professeur and the Extraordinary School Children. The Conspiracy Theorists are introduced while Celestial Tour Announcements about Guided Trips to Earth are permitted to those who qualify are given all day. A Literary Intermezzo is offered to display the literature greats forming their Literary Collective which include souls like Chaucer, Charles Dickens, the Grimm Brothers, Christopher Marlowe, Mary Shelley, Lady Murasaki, Edgar Allan Poe, Robert Louis Stevenson, Shakespeare, the Russian existentialists & others. Theological and Intellectual debates are also offered with the ancient Greek philosophers of Socrates & Plato & Aristotle to the modern thinkers Darwin, Richard Wagner, Friedrich Nietzsche, George Bernard Shaw, Voltaire, Rabelais & others. Ideologies and Faiths are also explored in Chapters with the subjects of the True Authorship of the Christian New Testament & the Higher Criticism of the Bible. GOD also has approved an Interstellar Scientific Project designed to explore the Universe with celestial physicists, mathematicians, bio-chemists, bio-technologists, behavioral scientists, political economists, philosophers, existentialists, theologians etc. all assisted by Albert Einstein among others.

chorus of the hebrew slaves: The 100 Greatest Composers and Their Musical Works Gary A. Smook, 2019-07-25 His fascinating exploration takes you inside the rich music and colorful lives of the world's greatest classical composers. From Bach to Stravinsky and beyond, you will learn how the unique life stories of these gifted composers are reflected in the musical masterpieces that we enjoy to this day. Designed as an introductory book on classical music, this comprehensive collection presents biographical snapshots of the major composers in the context of distinct historical and stylistic periods and in relation to their notable contemporaries. Special attention is given to recognizing their prominent musical works. The book delineates the many forms of instrumental and vocal music; and it explores the "basics" of tonality, musical structure, performance criteria, the orchestra and its instruments, orchestration, chamber music, and the cataloguing of musical works. As well, the newcomer to classical music will find advice on building a musical library. This book is an excellent source of information about classical music in a unique and entertaining format. It will help lay the foundation for a lifelong love of classical music, through the great musical heritage of these fine composers.

chorus of the hebrew slaves: *Phantasmagoria* David T Evans, 2018-11-09 First published in 1999, this original and entertaining sociological study takes a comprehensive and critical view of opera as unique cultural artefact as loss making 'industry', as institution with a 'museum' culture, and as consumed commodity of rare distinction and elaborate ritual. Specific chapters deal with opera within the contexts of musicological analysis, auratic art and fetishized taste: opera as business and as 'museum': singers' opera: producers' opera and audiences' opera. There is also a chapter on 'opera': popular, commercialised fragments of opera outside the opera house, consumed by and through all manner of reproduced means: CD, video, Three Tenors concerts: film and TV soundtracks: advertising jingles etc. Despite the supposed popularisation and successful commercial exploitation of 'opera' during the past decade or so, this study concludes that opera remains an art-form, institution and ritual of relative inaccessibility and exclusiveness. The commercial interest in and profitability of 'opera' do not translate into new 'popular' audiences in the opera house. The increased dependency of opera companies on corporate funding in the face of retreating government subsidies may have brought a new 'elite' audience into the expensive seats, pandered to by the introduction of surtitles etc., but the traditional 'elite' has succeeded in closing down entry to opera

in other select venues where opera continues to confirm and maintain their select identity and prestige of their life-style.

chorus of the hebrew slaves: *Historical Dictionary of Romantic Music* John Michael Cooper, 2024-02-12 Library Journal praises the book as an excellent one-volume ready reference resource for students, researchers, and others interested in music history. *Historical Dictionary of Romantic Music*, Second Edition covers the persons, ideas, practices, and works that made up the worlds of Western music during the long 19th century (ca. 1780–1918). It's the first book to recognize that Romantic music was very nearly a global phenomenon. It includes more women, more Black musicians and other musicians of color, and more exponents of musical Romanticism from Central and South America as well as Central and Eastern Europe than any other single-volume study of Romantic music—thus challenging the conventional hegemony of musical Romanticisms by men and by Western European nations. This book includes entries on topics including anti-Semitism, sexism, and racism that were pervasive and defining to the worlds of musical Romanticism but are rarely addressed in general studies of that subject. It includes Romantic musicians who were not primarily composers, as well as topics such as the Haitian Revolution, spirituals, and ragtime that were more important for music in the long 19th century than is generally acknowledged. The result is an expansive, inclusive, diverse, and more richly textured portrayal of Romantic music than is elsewhere available. *Historical Dictionary of Romantic Music*, Second Edition contains a chronology, an introduction, an extensive bibliography, and a dictionary section with more than 600 cross-referenced entries on traditions, famous pieces, persons, places, technical terms, and institutions of Romantic music. This book is an excellent resource for students, researchers, and anyone wanting to know more about Romantic music.

chorus of the hebrew slaves: *The Oxford Handbook of Opera* Helen M. Greenwald, 2014-10-03 What IS opera? Contributors to *The Oxford Handbook of Opera* respond to this deceptively simple question with a rich and compelling exploration of opera's adaption to changing artistic and political currents. Fifty of the world's most respected scholars cast opera as a fluid entity that continuously reinvents itself in a reflection of its patrons, audience, and creators. The synergy of power, performance, and identity recurs thematically throughout the volume's major topics: Words, Music, and Meaning; Performance and Production; Opera and Society; and Transmission and Reception. Individual essays engage with repertoire from Monteverdi, Mozart, and Meyerbeer to Strauss, Henze, and Adams in studies of composition, national identity, transmission, reception, sources, media, iconography, humanism, the art of collecting, theory, analysis, commerce, singers, directors, criticism, editions, politics, staging, race, and gender. The title of the penultimate section, *Opera on the Edge*, suggests the uncertainty of opera's future: is opera headed toward catastrophe or have social and musical developments of the last hundred years stimulated something new and exciting, and, well, operatic? In an epilogue to the volume, a contemporary opera composer speaks candidly about opera composition today. *The Oxford Handbook of Opera* is an essential companion to scholars, educators, advanced students, performers, and knowledgeable listeners: those who simply love opera.

chorus of the hebrew slaves: *The Politics of Verdi's Cantica* Roberta Montemorra Marvin, 2017-07-05 *The Politics of Verdi's Cantica* treats a singular case study of the use of music to resist oppression, combat evil, and fight injustice. *Cantica*, better known as *Inno delle nazioni* / Hymn of the Nations, commissioned from Italy's foremost composer to represent the newly independent nation at the 1862 London International Exhibition, served as a national voice of pride and of protest for Italy across two centuries and in two very different political situations. The book unpacks, for the first time, the full history of Verdi's composition from its creation, performance, and publication in the 1860s through its appropriation as purposeful social and political commentary and its perception by American broadcast media as a 'weapon of art' in the mid twentieth century. Based on largely untapped primary archival and other documentary sources, journalistic writings, and radio and film scripts, the project discusses the changing meanings of the composition over time. It not only unravels the complex history of the work in the nineteenth century, of greater significance it offers

the first fully documented study of the performances, radio broadcast, and filming of the work by the renowned Italian conductor Arturo Toscanini during World War II. In presenting new evidence about ways in which Verdi's music was appropriated by expatriate Italians and the US government for cross-cultural propaganda in America and Italy, it addresses the intertwining of Italian and American culture with regard to art, politics, and history; and investigates the ways in which the press and broadcast media helped construct a musical weapon that traversed ethnic, aesthetic, and temporal boundaries to make a strong political statement.
