

love you the way you are

Love You the Way You Are: Embracing Authenticity in Relationships and Life

love you the way you are – these simple words carry a powerful message, one that resonates deeply in our hearts and minds. In a world that often pressures us to change, improve, or conform, hearing or expressing unconditional acceptance can be a breath of fresh air. Whether in romantic relationships, friendships, or even how we treat ourselves, embracing someone “just as they are” fosters genuine connection and inner peace. Let’s explore what it truly means to love you the way you are, why it matters, and how cultivating this mindset can transform our interactions and self-perception.

Understanding What It Means to Love You the Way You Are

When someone says “I love you the way you are,” it’s more than just a comforting phrase. It’s a commitment to accept the whole person – their strengths, flaws, quirks, and unique traits – without trying to change or fix them. This kind of love is rooted in respect and understanding, not conditions or expectations.

Unconditional Acceptance vs. Conditional Love

Conditional love often hinges on meeting certain criteria: appearance, behavior, achievements, or other external factors. In contrast, unconditional acceptance means loving someone regardless of these conditions. It’s about valuing the person’s essence, not just their actions or accomplishments.

This distinction is crucial because conditional love can create pressure, insecurity, and a feeling of never being “enough.” On the other hand, genuine acceptance nurtures confidence and allows people to thrive authentically.

Why Loving Someone the Way They Are Matters

In relationships and everyday interactions, the ability to love or accept others as they are fosters emotional safety and belonging. It encourages openness, vulnerability, and mutual respect.

Building Trust and Deeper Connections

When people feel accepted without judgment, they're more likely to share their true thoughts and feelings. This openness builds trust and deepens intimacy, which are foundational for healthy relationships.

Reducing Stress and Enhancing Emotional Well-being

Trying to change or control others often leads to frustration and disappointment. Embracing someone's authentic self reduces conflict and promotes harmony, leading to more satisfying and peaceful connections.

How to Practice Loving You the Way You Are in Relationships

Adopting this mindset isn't always easy, especially if we're used to focusing on what needs improvement. However, with intention and effort, it is possible to cultivate acceptance in our interactions.

1. Cultivate Empathy and Understanding

Put yourself in the other person's shoes. Try to understand their perspectives, feelings, and experiences without rushing to judgment. Empathy is the foundation of unconditional love.

2. Focus on Strengths and Positive Qualities

Everyone has unique strengths and admirable traits. Shifting your attention to these qualities rather than flaws encourages appreciation and gratitude.

3. Communicate Openly and Honestly

Express your feelings and encourage others to do the same. Honest communication helps clarify expectations and reduces misunderstandings.

4. Let Go of the Need to Control

Accept that you cannot change others; only they can change themselves if they

choose to. Release the urge to fix or correct, and instead offer support and encouragement.

5. Practice Self-Acceptance

Loving others as they are starts with loving yourself. Embrace your own imperfections and celebrate your uniqueness. Self-acceptance sets the tone for how you treat others.

The Role of Self-Love in Loving Others the Way They Are

It's impossible to truly love someone else without first cultivating self-love. When we accept ourselves fully, flaws and all, we become more patient and compassionate toward others.

Understanding Self-Worth Beyond External Validation

Many people tie their self-worth to achievements, looks, or approval from others. Learning to value yourself intrinsically helps you love yourself the way you are, which naturally extends to loving others similarly.

Techniques to Foster Self-Love

- **Positive Affirmations:** Regularly remind yourself of your worth and strengths.
- **Mindfulness and Meditation:** Tune into your feelings and cultivate a non-judgmental awareness.
- **Setting Healthy Boundaries:** Protect your well-being by saying no when necessary.
- **Self-Care Practices:** Engage in activities that nourish your body, mind, and soul.

Dealing with Challenges When Loving You the Way You Are

It's natural to struggle with acceptance at times, especially when faced with behaviors or traits that are difficult to understand or tolerate. Here's how to navigate those challenges:

Managing Expectations

Recognize that no one is perfect, including yourself. Adjust your expectations to focus on growth and effort rather than perfection.

Recognizing Healthy vs. Unhealthy Acceptance

Loving someone as they are doesn't mean enabling harmful behaviors or ignoring red flags. It's important to distinguish between acceptance and tolerating toxicity. Boundaries and honesty remain essential.

Seeking Support

Sometimes, professional guidance from therapists or counselors can help navigate complex emotions and improve relationship dynamics.

How "Love You the Way You Are" Inspires Personal Growth

Interestingly, when people feel genuinely accepted, they often feel safer to explore personal growth without fear of rejection. This paradox shows that unconditional love encourages positive change without pressure.

Encouraging Authentic Expression

Being loved for who you are fosters confidence to express your true self, which can lead to discovering new interests, talents, and passions.

Promoting Emotional Resilience

Knowing you are accepted boosts your ability to cope with setbacks and challenges, creating a stable foundation for growth.

Incorporating “Love You the Way You Are” Into Daily Life

Integrating this powerful concept into everyday moments can transform your relationships and overall happiness.

- **Practice Gratitude:** Regularly acknowledge the positive aspects of yourself and others.
- **Celebrate Differences:** Embrace diversity in opinions, backgrounds, and personalities.
- **Offer Genuine Compliments:** Recognize and verbalize what you appreciate about people.
- **Be Patient:** Growth and acceptance take time; allow space for both.

Every small act of acceptance can create ripples of kindness and understanding in your social circles.

The phrase “love you the way you are” is more than just words; it’s a guiding principle that encourages us to embrace authenticity, foster deeper connections, and cultivate compassion. In a world often obsessed with change and perfection, choosing to love without conditions is a revolutionary act that brings freedom and joy to ourselves and those around us.

Frequently Asked Questions

What does the phrase 'love you the way you are' mean?

It means accepting and loving someone without wanting them to change, appreciating their true self.

How can saying 'love you the way you are' impact a relationship?

It fosters acceptance, trust, and emotional security, strengthening the bond between partners.

Is 'love you the way you are' important in self-love?

Yes, embracing and loving yourself as you are promotes confidence and mental well-being.

How can I express 'love you the way you are' to my partner?

You can express it through affirmations, supportive words, and actions that show you appreciate them genuinely.

Can 'love you the way you are' help overcome relationship challenges?

Yes, acceptance reduces pressure to change and encourages open communication, helping to resolve conflicts.

What are some common misconceptions about 'love you the way you are'?

Some believe it means ignoring flaws or refusing growth, but it actually means loving the person while supporting positive change.

How does 'love you the way you are' relate to unconditional love?

It is a form of unconditional love where affection is given without conditions or expectations for change.

Can 'love you the way you are' improve mental health?

Yes, feeling accepted and loved as you are can reduce anxiety and depression and boost self-esteem.

What role does 'love you the way you are' play in parenting?

It helps children develop healthy self-esteem and emotional security by feeling accepted and valued unconditionally.

Love You the Way You Are: Embracing Authenticity in a Perfection-Obsessed World

love you the way you are is a phrase that resonates deeply in contemporary conversations about self-acceptance, mental health, and interpersonal relationships. At its core, this message advocates for embracing one's authentic self, with all the imperfections and unique traits that define individuality. In an era dominated by social media filters, societal pressures, and relentless comparisons, understanding the significance of loving oneself as is becomes more crucial than ever. This article explores the multifaceted dimensions of the phrase, its psychological implications, cultural relevance, and how it shapes personal and social dynamics.

Understanding the Essence of “Love You the Way You Are”

The expression “love you the way you are” transcends mere words; it is a call for unconditional acceptance—both from oneself and from others.

Psychologically, this concept aligns with theories of self-compassion and unconditional positive regard, foundational principles in humanistic psychology introduced by Carl Rogers. Rogers emphasized the importance of accepting clients without judgment, which parallels the broader societal need to accept people's true selves without imposing unrealistic standards.

In practical terms, loving someone “the way they are” suggests valuing their personality, physical appearance, beliefs, and experiences without demanding change. This stance promotes healthier relationships by reducing conflicts rooted in unmet expectations and unrealistic ideals. It also encourages individuals to develop resilience against external criticisms and internal doubts.

The Cultural Shift Toward Self-Acceptance

Historically, many cultures have enforced rigid norms regarding beauty, behavior, and success, often marginalizing those who deviate. However, recent decades have witnessed a growing cultural shift toward inclusivity and diversity. Campaigns advocating body positivity, mental health awareness, and LGBTQ+ acceptance illustrate this transformation.

Social media platforms, while sometimes criticized for fostering comparison, also serve as arenas for sharing authentic stories and diverse representations. Movements using hashtags like #LoveYourself and #SelfAcceptance have empowered millions to celebrate their identities without apology. This cultural evolution underscores the rising acknowledgment that

loving oneself – and others – “the way you are” is a vital element of societal progress.

The Psychological Impact of Self-Love and Acceptance

Research consistently highlights the benefits of self-love and acceptance on mental well-being. A 2019 study published in the *Journal of Clinical Psychology* demonstrated that individuals with higher levels of self-compassion reported lower rates of anxiety and depression. These findings suggest that the mindset of “love you the way you are” plays a protective role against mental health disorders.

Conversely, a lack of self-acceptance often correlates with negative outcomes such as low self-esteem, perfectionism, and increased vulnerability to peer pressure. When individuals feel compelled to conform to external standards, they may experience chronic stress and dissatisfaction. Embracing one’s authentic self fosters emotional stability and improves overall life satisfaction.

Self-Acceptance Versus Self-Improvement: Striking a Balance

While loving oneself as is is essential, it’s important to distinguish this from complacency. Some critics argue that unconditional self-love might discourage personal growth or the pursuit of positive changes. However, psychological experts advocate for a balanced approach where self-acceptance serves as a foundation for genuine self-improvement.

Acknowledging one’s current state without harsh judgment creates a safe mental space to identify areas for growth. Instead of self-criticism, individuals can engage in constructive reflection, setting realistic goals motivated by kindness rather than shame. This balance prevents the pitfalls of both self-neglect and perfectionism.

Social and Relationship Dynamics: The Role of Acceptance

When extended beyond the self, “love you the way you are” influences how people interact in relationships—romantic, familial, or professional. Acceptance fosters trust, reduces conflict, and encourages open communication. Partners who embrace each other’s authentic selves report higher relationship satisfaction and intimacy.

However, unconditional acceptance does not imply tolerating harmful behaviors. Healthy boundaries remain critical. Loving someone as they are involves recognizing their humanity and imperfections while also encouraging accountability and mutual respect.

Challenges in Practicing Unconditional Acceptance

Despite its idealistic appeal, practicing “love you the way you are” can be difficult. Social conditioning, unconscious biases, and personal insecurities often hinder genuine acceptance. Individuals may struggle with internalized negative beliefs or societal stigmas that make self-love elusive.

Moreover, relationships can be strained when expectations are unmet or when personal growth trajectories diverge. Navigating these complexities requires empathy, patience, and ongoing communication.

The Influence of Media and Popular Culture

Popular culture has played a significant role in both challenging and perpetuating standards that affect self-acceptance. Songs, films, and literature often echo the theme of loving oneself authentically. For instance, iconic tracks like Billy Joel’s “Just the Way You Are” emphasize acceptance over transformation.

Simultaneously, advertising and entertainment industries sometimes reinforce unattainable ideals, complicating the acceptance process. The juxtaposition of these forces creates a dynamic landscape where individuals are bombarded with mixed messages about self-worth.

Role Models and Advocates for Authenticity

Public figures who openly promote self-love and authenticity contribute positively to societal attitudes. Celebrities, influencers, and mental health advocates who share personal stories of struggle and acceptance inspire followers to embrace their true selves.

These role models normalize conversations about imperfections, mental health, and identity, helping reduce stigma and encouraging broader cultural acceptance.

Practical Strategies to Embrace “Love You the

Way You Are”

Integrating the philosophy of loving oneself and others as they are requires deliberate practice. The following strategies can facilitate this mindset:

- **Mindfulness and Self-Awareness:** Developing present-moment awareness helps individuals recognize self-critical thoughts and reframe them compassionately.
- **Positive Affirmations:** Repeating affirmations that reinforce worthiness and acceptance can gradually reshape self-perception.
- **Seeking Support:** Engaging with supportive communities or therapy can provide validation and tools to overcome internalized negativity.
- **Limiting Comparisons:** Reducing exposure to unrealistic social media portrayals helps maintain realistic self-expectations.
- **Setting Healthy Boundaries:** Protecting oneself from toxic relationships preserves the ability to accept and love oneself.

These approaches encourage a sustainable and authentic embrace of “love you the way you are,” fostering both personal growth and emotional resilience.

The phrase “love you the way you are” encapsulates a powerful message in today’s complex social environment. It challenges individuals and society to move beyond superficial judgments and celebrate the multifaceted nature of human identity. While obstacles remain in fully realizing this ideal, growing awareness and cultural shifts suggest a promising trajectory toward greater acceptance and compassion. In this journey, the balance between self-love and growth, acceptance and accountability, remains key to nurturing healthier individuals and communities alike.

love you the way you are: Poems From the Heart Jason DeVelvis, 2002-05-30 Poems From the Heart is Jason DeVelvis's interpretation of true love. Jason has compiled much of his best poetry for this book, and the quality of the work here displays his ability to turn his feelings into words. A must have for poetry lovers.

love you the way you are: Rescuing African Marriages in the Diaspora Abraham Kicha, 2012-11 African marriages in the Diaspora are in trouble. The divorce rate among Africans living out of Africa is increasing minute after minute leaving many African families in the pool of blood. The center can't hold any longer, and Africans are wondering how they can face the monster devastating their marriages in the Diaspora. Rescuing African Marriages in the Diaspora walks through the

process of marriage from the time of just wondering whether to ask, Will you marry me? and Should I say yes to him?, to the time you are married and living together. *Rescuing African Marriages in the Diaspora* navigates through the wild cultural wind that blows against African marriages in the Diaspora and anchors safely in the commitment to stay married until death do us part.

love you the way you are: *Gilbert and Max* Janice Owens, 2022-02-01 *Gilbert and Max: The Wedding*, is the next in the series. It tells what John and Patty had to go through to say their vows. For them, it wouldn't be your everyday wedding plans. The wedding wasn't the only thing they had to do in a short period of time. In thirty-three days, they had to finish John's mansion that's where the wedding would be. Moving from two houses. And do it all with no wedding planner and no decoration. John had to take care of John's father estate back in Texas. He would also be bringing a piece of Texas back with him. For the most part, things were not simple. It would take John's family and friends in the neighborhood working together to help them meet the deadline. The holidays weren't helping either. Things would come up and be unexpected like what John came back from Texas with. In the timeline they set, they would learn more about each other. Especially John and his family with one of the neighbors. But on the night before the wedding, one more unexpected thing happens. It was Patty's health.

love you the way you are: The Cavanaugh Sisters (A Calamity Falls Small Town Romance (Books 5-8)) Erika Kelly, 2021-07-08 Welcome to Calamity Falls, where the people are wild at heart! Four sisters who couldn't be more different--a rock star, a chocolatier, a chef, and a wedding planner--grow apart thanks to their wildly different careers and lifestyles--but they all wind up coming back home and forming the bond they'd always longed for when they were young. Book 5: *It Was Always You* A super-hot second chance romance about a bad boy quarterback who finally gets a shot at redemption with the only woman he's ever loved! Book 6: *Can't Help Falling In Love* What happens in Vegas doesn't always stay in Vegas... A surprise baby romance about Coco Cavanaugh, Beckett O'Neill, and a little blue-eyed project they made together that he didn't know anything about. Book 7: *Whole Lotta Love* Sparks fly when opposites are forced to live together in this steamy, small town romance! He's an injured quarterback determined to make his way back to the gridiron, and she's a chef looking to reinvent herself. Their paths never should have crossed, but here they are co-hosting a television cooking show and living together--and realizing they might just be perfect for each other Book 8: *You're Still The One* He's a hot, inked, motorcycle-riding hero, and she's a sexy wedding planner with a whole lot of explaining to do. This is the absolute worst time for Stella to crash back into Griffin's life, but since she's impulsively told the world they're engaged, he's got no choice but to put up with her big personality and even bigger heart.

love you the way you are: A Second Chance Sally Kaye, 2009-06-26 This inspirational story is about Sandy Goodwin, a homemaker from Dix Hills, N.Y., who suddenly finds herself widowed and thrown into the world of singles. Despite her devoted family, it doesn't take her long before she has moved to an adult community in South Carolina, where she makes new friends and becomes familiar with the environment. With the help of her friend Cynthia, Sandy is soon weaving her way through the maze of internet dating and the trials of reentry into the singles scene. Sandy's first encounter with romance is her liaison with a sexually obsessed Southerner, who sweeps her off her feet. She matches his demands for a sexual relationship with standards of her own, but is ultimately forced to end their affair when his excessive drinking becomes too much for her to handle. By a stroke of good luck and encouragement from her son, Sandy meets the man who will become her life mate, and we watch them embark on an adventure of discovery and passion.

love you the way you are: *HENRY JAMES Ultimate Collection: 22 Novels, 112 Short Stories, 12 Plays, 6 Travel Books, 100+ Essays, 3 Autobiographies & 3 Biographies (Illustrated)* Henry James, 2023-11-16 Henry James' 'Ultimate Collection' is a monumental compilation of the author's most notable works, showcasing his mastery of the novel, short story, play, travelogue, essay, autobiography, and biography. This book covers a broad spectrum of the pathways within the spiritual movement.

love you the way you are: Songs from the Heart Catrina De jong Parkinson, 2011-03-03 Songs From The Heart is a book on poetry written in the authors own words. They come from her thoughts, feelings, emotions and experiences. It is her way of making sense of her life lessons and resolving any unresolved issues she may have carried in her heart. They also shed light on her own awakening into the conscious world. You get a sense of her mood and emotions as she writes. It gives you a small window in to her world and her thoughts as well as letting you reflect on your own feelings. You see that she finds great pleasure in writing about her love for her children and her desire to express these feelings for them . But on the other had you also get to feel her frustrations as she travels through her life journey. As you read on you see her growth both in mind and soul as she learns when to let go and let be and when to act. This is a book that will touch the lives of those who let it and change the way you see your world. It allows you to see that life is full of different emotions and it is not necessarily about how it makes us feel but what we can do about those feelings inside. Each feeling is a gift of growth and its up to us to see those gifts.

love you the way you are: Not Even One Delores Chapman Danley, 2019-04-09 Not Even One is the second book of poems and devotionals that Delores Danley has had the honor to write. Hopefully, the contents of this book will bring comfort, laughter, and assurance of God's love to those who read it. The Bible tells us that not even one of us is worthy of God's grace, and that is one thing that makes his grace so precious. It is our duty to let all the world know about that grace.

BANISH NEGATIVE THOUGHTS EAT YOURSELF HAPPY FEEL GOOD WITH FITNESS BOOST YOUR HAPPY CHEMICALS MEDITATE FOR INNER HAPPINESS LOVE YOUR LIFE

love you the way you are: Believe in Your Own Fairytale Kay-Marie Fletcher, 2019-01-15 Believe In Your Own Fairytale narrates a young woman's quest to achieve dreams all thought

impossible. While being raised in a poor, black household on a small island does not make one the perfect candidate for a happily-ever-after, Fletcher shows that fairytales are real for those who find the magic in themselves. It is a journey of self-discovery, relationship with God and overcoming hardships including grief, disappointment, depression, poverty, anxiety and overcoming many psychological barriers to manifest true purpose. If you've ever doubted that your dreams are too big or maybe never believed in fairytales at all, then this is the book for you. It is designed for all the wanderers, dreamers and every person who has felt like their goals were so big it scared them and everyone else around them. It is for those who lack support from others and struggle daily to achieve their lifelong goals. Yuh' see when you're born in 1990 and yuh' grow up as an only child to a poor, black, single-parent mother in the Caribbean, wanting to become a New York Times best-selling author and broadcast journalist living in the big apple seems like a real FAIRYTALE. My childhood dream of becoming the "Caribbean Carrie Bradshaw" was often mocked and turned away by locals who told me, "give up Kay-Marie dem' ting' does only happen in books and movies". Determined to prove everyone wrong and do so by age 25, I set out on the pursuit of happiness as a young, naïve but strong-minded island-girl. However, my journey to achieve these goals was often disrupted by many hardships and this book details how I dealt with them. These include grief, disappointment, depression, and poverty, anxiety, crossing geographical borders and overcoming many psychological barriers. The unexpected death of my grandmother and uncle, which made me struggle to complete university, was just one of many. This caused me great turmoil, since Education had to be my ticket into a better life. After being rejected to do my post-grad studies in the U.S., I was forced to take an ordinary desk job to earn a living. Meanwhile, I hoped that finding true love would be a worthy compromise. Sadly, I looked for it in all the wrong guys. Luckily, I landed my dream job as a journalist at the largest local news station back home. Soon after taking it however, my old dream resurfaced and I was finally given the chance to migrate to the United States. By then, I had to choose between giving up the life I'd always imagined overseas and accepting what seemed to be my new fate in Trinidad. But, what happened next completely overturned my life. After surviving a horrific car accident on my 25th birthday, I woke up to an epiphany that my fairytale was much more than just becoming a big city girl. Taking a leap of faith to go after my dreams, developing a relationship with God, and discovering my true purpose in life became my real happily ever after. This book also gives an entirely new outlook to the traditional concept of what we know a 'fairytale' to be. Unlike others, each chapter unravels a whole new definition of the term 'fairytale' and intends to convince the minds of those who never believed in fairytales at all. When you read this book you will discover that your fairytales are your dreams, your purpose, your truth, your vision, your deepest thoughts, your inner magic, your baby, your goals, your prophetic call, your diamond, your destiny, and your recipe for success, just to name a few. X

love you the way you are: Healing ~ I AM Brenda Zybert, 2014-12-17 The Healing of I AM Presence teaches you to understand the daily connection with the Omni Presence, your Spiritual Team, and your Higher Self. It also teaches how to self-heal with spirit and to understand you are a spiritual being that has a physical experience and that you should never forget you are one with the Omni Presence. You are so powerful, and it is your birthright to know who you are, from where you have come, and to where you will return. This book is written with the Omni Presence, the Cosmos and my Spiritual Team in order to teach humanity what has taken place upon Earth at all spiritual levels—from the darkest to the lightest—to enlighten your soul. This book aims to show you the 12 physical realms of the Universe, the 12 spiritual realms of Heaven, and the energy at each level. There are over 233 pictures of my Spiritual Team to teach you to understand and believe in what you cannot see, to help you open to the Omni Presence and our higher realms, and to return to who you truly are as a spiritual being from the heavenly realms. love you the way you are: Solitary Journey Lee Ann Austin, 2001-01-20 Solitary Journey Hilary Blake, a kindergarten teacher from Branson, Missouri, suffered through a six-year marriage with a man who complained about everything he could think of, including the way she dusted the ivy. She eventually discovered he did not love her when she was six months into her first pregnancy. He denied the baby was his and announced he was gay. His abuse caused Hilary to lose her baby, and Hilary divorced him. She was on the verge of a nervous breakdown when she decided to take a trip through Texas as soon as school was out. She had almost three months vacation time and she started on her journey through the Lone Star State. When she met Josh Timmons, who was supremely handsome, she decided to relax and experience sexual pleasure for a change. Though Josh usually used protection, he neglected to use any with Hilary, and because she had been married so long, she didn't think of it. This resulted in pregnancy. Josh was extremely jealous of Hilary and he was eager to marry her. But he was still in the University of Texas working on his Ph.D. Hilary refused to let him quit school until his education was complete. She journeyed through Texas looking for a teaching job, which seemed to evade her at every stop. She did encounter another man, Ed Wheatly, who seemed perfect. Before it was over, she questioned the wisdom of marrying either man. She decided to have and rear her child alone, if only she could find a job. It didn't turn out that way at all. The trip she took was indeed a Solitary Journey.

love you the way you are: Perception Same Root Different Leaves, Different Leaves Same Root, 2011-09-01

love you the way you are: The Anti Stupidity Book Duane L. Ostler, 2016-04-26 Stupidity. What is it? Is it just something we see our neighbors and members of the opposite political party do? Or is it something more? Why does it seem to be so universal? Are there fundamentals of stupidity that can be recognized? These are the questions discussed in this book. It presents six fundamentals of stupidity that lead to the stupid choices that we see all around us. Included among these are the belief that there are no moral values, that God does not exist, and that it is acceptable to become addicted and to treat others badly and be proud. In the end we see that the only sure way to avoid the fundamentals of stupidity is through the saving power of Jesus Christ.

love you the way you are: Distractions 3312 Ellen Salter Cleary, 2020-09-23 This is a story of many distractions I had throughout my life that kept me from doing what needed to be done. It has so much of my thoughts, dreams, nightmares and experiences, mystery, craziness, magic, life, spirits, how, and why things happened. This is just an introduction of how my life has been and what has happened over time. How I got through what I went through and survived. Did I have a mental breakdown? I don't know, maybe. Some of this could have just been in my head. This is my life experiences and what happened to me. I survived on my own. No drugs, no alcohol...I had no choice but to deal with it... head on. God stayed with me and gave me the strength to do it. Take this story as is or a metaphor of the imagination...It's totally up to you

love you the way you are: Resurrecting Your Life Dr. Jerry Weber, 2018-10-12 Resurrecting Your Life can help you live the life that you have dreamed and God has planned for you. Its purpose is to give hope and inspiration to every person who has died at heart and feels the emptiness of divine discontent. Resurrecting Your Life is based from Jesus's teachings. He was the first holistic-health coach, and his time-proven teachings are as valuable today as they were two thousand years ago. This holistic-health coaching manual can help you have your own personal resurrection. It will teach and motivate you to take back your life through the positive power of God and the words of Jesus Christ.
