The house people had picked me out of my litter to be a mouser. Callie was getting too old for the job. So it was mine. But I didn't plan on getting dive-bombed by a mockingbird building her nest...or adopting the baby who fell out. No joke! I'm a cat, but I do not eat birds. Mice, yes. Birds, no. The first step was protecting Flea -- and me -- from the monster rats in the barn (that's saying a mouthful!) and Bullsnake under the woodpile. Next, Callie and I had to teach Flea to fly. But she'll come back -- after she's seen the world!
