

aj jacobs the year of living biblically

****AJ Jacobs The Year of Living Biblically: A Journey into Faith and Curiosity****

aj jacobs the year of living biblically is not just a phrase—it's the title of a fascinating experiment undertaken by the author AJ Jacobs, who committed himself to living according to the literal instructions of the Bible for an entire year. This remarkable journey blends curiosity, humor, and deep reflection, offering readers insights into religion, culture, and human nature. But what exactly did Jacobs do, and why did it resonate with so many? Let's dive into the story behind AJ Jacobs' adventure, what he discovered, and how his experience continues to inspire conversations around faith and modern life.

Who Is AJ Jacobs and What Motivated His Experiment?

AJ Jacobs is a well-known author and journalist, celebrated for his immersive and often quirky experiments with life. Before "The Year of Living Biblically," he gained attention for projects like reading the entire Encyclopaedia Britannica and trying to live according to the rules of the Bible. His writing style combines humor, sincerity, and deep intellectual curiosity.

The motivation behind "the year of living biblically" was simple yet profound: Jacobs wanted to understand the Bible not just as a religious text but as a practical guide. He wondered what it would mean to take the Bible literally in today's world, where many people interpret scripture symbolically or selectively. By following biblical laws and commandments as closely as possible, Jacobs hoped to gain a unique perspective on faith, spirituality, and the role of religion in everyday life.

The Core of AJ Jacobs The Year of Living Biblically

At its heart, AJ Jacobs' year-long experiment involved adhering to as many biblical rules as possible. This included everything from the well-known Ten Commandments to obscure and sometimes strange laws found in the Old Testament. The book and the subsequent documentary detail his efforts to:

- Avoid work on the Sabbath (Saturday)
- Follow dietary restrictions such as avoiding pork and shellfish
- Attempt to stone adulterers (symbolically, of course)
- Wear traditional biblical clothing
- Pray multiple times a day
- Avoid mixing fabrics, as forbidden in Leviticus

The Challenges and Surprising Discoveries

Living biblically in the 21st century came with unexpected challenges. For instance, avoiding work on the Sabbath was tricky for Jacobs, who had a demanding writing schedule. He also found it difficult to avoid certain foods and social customs that contradicted biblical laws. The act of literally interpreting the Bible brought Jacobs face-to-face with the complexity of ancient texts and the difficulty of applying them to modern circumstances.

One particularly interesting discovery was how some commandments, while seemingly outdated or strange, held valuable lessons about discipline, respect, and community. Jacobs realized that many biblical laws were designed to create structure and meaning in people's lives, regardless of their religious beliefs.

Insights Gained from AJ Jacobs The Year of Living Biblically

AJ Jacobs' journey offers a fresh perspective on religion and spirituality. Here are some key insights from his experience:

The Bible as a Guide for Life

Rather than seeing the Bible purely as a religious book, Jacobs approached it as a manual for living. This mindset helped him find relevance in ancient laws and teachings, even if he didn't personally subscribe to all religious beliefs. His experiment shows that scripture can be a source of wisdom, ethics, and inspiration, transcending religious boundaries.

Respect for Different Faiths

By immersing himself in biblical practices, Jacobs gained a newfound respect for religious believers who adhere to their faith wholeheartedly. His experience highlighted the dedication and challenges involved in religious observance, fostering empathy and understanding.

The Role of Rituals and Community

Jacobs discovered that rituals, such as prayer and Sabbath observance, play an essential role in building community and providing a sense of belonging. Even secular readers can appreciate the importance of rituals in creating routine and meaning in life.

How AJ Jacobs' *The Year of Living Biblically* Has Influenced Readers and Culture

Since its publication, "*The Year of Living Biblically*" has inspired readers around the world to reconsider their relationship with faith, tradition, and morality. Many appreciate Jacobs' honest, humorous approach to religion, which neither mocks nor blindly reveres scripture.

The book has also sparked conversations about the literal versus metaphorical interpretations of religious texts. It encourages critical thinking about how ancient wisdom fits into modern life, prompting readers to explore their beliefs more deeply.

Practical Lessons from Jacobs' Experiment

For those curious about incorporating elements of biblical living—or any spiritual practice—into their daily routine, AJ Jacobs' journey offers practical advice:

- **Start small:** Trying to overhaul your entire life overnight is daunting. Jacobs took incremental steps, which made the process manageable.
- **Be open-minded:** Approach religious texts with curiosity rather than judgment.
- **Embrace rituals:** Whether religious or secular, rituals can provide structure and meaning.
- **Find community:** Engaging with others who share your interests or beliefs enriches the experience.
- **Maintain humor:** Jacobs' lightheartedness helped him navigate challenges without becoming overwhelmed.

Beyond the Book: The Documentary and Broader Impact

AJ Jacobs' year of living biblically was also documented in a film that brought his story to a wider audience. The documentary captures the humor, struggles, and profound moments of the experiment, making the narrative accessible to viewers who may not read the book.

This multimedia approach reinforced the impact of Jacobs' work, encouraging people from various backgrounds to engage with questions about faith, authenticity, and the search for meaning.

The Intersection of Humor and Faith

One of the most distinctive aspects of AJ Jacobs' approach is his use of humor. Rather than treating religious observance as solemn or rigid, he infuses the journey with wit and self-awareness. This makes the topic approachable and reminds us that spirituality can coexist with playfulness and critical thinking.

Why AJ Jacobs' *The Year of Living Biblically* Still Matters Today

In an era where spirituality is often privatized or commercialized, AJ Jacobs' experiment stands out for its honesty and intellectual rigor. It challenges both believers and skeptics to engage with ancient texts thoughtfully and to consider how faith can be integrated into modern life in meaningful ways.

Whether you're religious, spiritual, or simply curious about different worldviews, "The Year of Living Biblically" offers a compelling narrative that invites reflection on ethics, tradition, and what it means to live a purposeful life.

AJ Jacobs' story is a reminder that sometimes, the best way to understand something deeply is to experience it firsthand—even if it means trying to live by a 3,000-year-old rulebook in the 21st century.

Frequently Asked Questions

Who is A.J. Jacobs and what is 'The Year of Living Biblically' about?

A.J. Jacobs is an author and journalist who wrote 'The Year of Living Biblically,' a nonfiction book chronicling his attempt to live according to the rules of the Bible as literally as possible for one year.

What inspired A.J. Jacobs to write 'The Year of Living Biblically'?

A.J. Jacobs was inspired by his curiosity about religion and the Bible, as well as a desire to explore what it would be like to follow biblical laws literally in modern life.

What are some challenges A.J. Jacobs faced during his year of living biblically?

Jacobs faced numerous challenges including adhering to dietary restrictions, observing the Sabbath, avoiding lying and coveting, and dealing with social situations that conflicted with biblical rules.

How does 'The Year of Living Biblically' address the interpretation of religious texts?

The book highlights the complexities and ambiguities in interpreting ancient religious texts, showing how literal adherence can be difficult and sometimes impractical, and emphasizing the importance of context and interpretation.

What themes are explored in 'The Year of Living Biblically'?

The book explores themes such as faith, spirituality, cultural norms, morality, the role of religion in modern life, and the interplay between ancient scripture and contemporary society.

Has 'The Year of Living Biblically' been adapted into other media?

Yes, 'The Year of Living Biblically' was adapted into a television sitcom that aired in 2013, though it was short-lived. The book remains popular as a humorous yet insightful exploration of religion.

Additional Resources

****Exploring AJ Jacobs' "The Year of Living Biblically": A Deep Dive into Faith, Culture, and Experimentation****

aj jacobs the year of living biblically is a fascinating exploration of one man's attempt to live strictly according to the Bible's teachings for an entire year. This unique experiment, undertaken by journalist and author AJ Jacobs, blends a personal quest with cultural commentary, offering readers insight into religion, human behavior, and the modern interpretation of ancient texts. Jacobs' approach is both investigative and experiential, making his book and subsequent documentary a compelling case study in faith, ritual, and societal norms.

Understanding AJ Jacobs and His Experiment

AJ Jacobs is renowned for immersive journalism that involves him adopting unusual lifestyles or behaviors to better understand their cultural or philosophical implications. In "The Year of Living Biblically," Jacobs embarks on a year-long journey to follow the Bible's rules as literally as possible, including commandments, rituals, and moral precepts. His objective is not only to gain insight into religious life but also to challenge his own worldview and the reader's perspective on faith.

The project itself draws attention for its ambitious scope. Jacobs attempts to adhere to more than 600 biblical laws, ranging from the well-known Ten Commandments to obscure and seemingly impractical Old Testament mandates. This includes dietary restrictions, Sabbath observance, tithing, and even stoning

practices, which he interprets metaphorically when necessary. The book, published in 2007, quickly gained traction for its mix of humor, sincerity, and critical reflection.

AJ Jacobs' Methodology and Approach

Unlike traditional religious studies, Jacobs' method is first-person immersion combined with journalistic inquiry. He consults various religious leaders and scholars to interpret the often ambiguous or contradictory biblical texts. In doing so, Jacobs navigates the complexities of applying ancient scripture to contemporary life—a task that reveals both the adaptability and the challenges of religious practice.

His attempt to live biblically involves navigating mainstream Christianity, Judaism, and even some lesser-known sects to understand how different communities interpret the same texts. This comparative approach enriches the narrative, allowing readers to see how faith can be both a unifying and divisive force depending on interpretation.

The Cultural and Social Implications of “The Year of Living Biblically”

AJ Jacobs' year-long experiment is not merely a personal challenge but also a cultural commentary. It highlights the tension between secular modernity and religious tradition in contemporary society. By living biblically, Jacobs brings attention to how religious laws influence ethical behavior, community cohesion, and personal identity.

One of the most striking elements of the book is its ability to make readers question their assumptions about religion. For instance, Jacobs discusses the practical difficulties of adhering to biblical prohibitions in a modern urban environment, such as not working on the Sabbath or following strict dietary laws. These challenges underscore how religion shapes daily routines and social interactions, often in ways that secular readers may not fully appreciate.

Impact and Reception of AJ Jacobs' Work

“The Year of Living Biblically” received widespread critical acclaim for its originality and thought-provoking content. Reviewers praised Jacobs for his honest, often humorous tone, which makes complex theological issues accessible. The book also sparked discussions in religious and secular circles about the role of scripture in guiding moral behavior today.

Some critics pointed out that Jacobs' experiment, while illuminating, is limited by his outsider status and the pragmatic compromises he sometimes made. For example, he occasionally adapted or interpreted certain biblical laws to avoid extreme or harmful outcomes. This pragmatic approach, while understandable,

suggests that a literal biblical lifestyle may be impractical or even impossible for most people today.

AJ Jacobs the Year of Living Biblically: Key Themes and Insights

The Intersection of Faith and Modernity

One of the most compelling aspects of Jacobs' project is the exploration of how ancient religious laws interact with contemporary life. The Bible, written in vastly different historical contexts, contains rules that sometimes clash with modern values and legal systems. Jacobs' experience highlights these tensions and opens a dialogue about the relevance of scripture in a pluralistic society.

The Challenge of Literalism

Jacobs' attempt to follow biblical laws literally exposes the difficulties of biblical literalism. Many laws are culturally specific or symbolic, making literal application challenging or nonsensical. For example, the prohibition against wearing mixed fabrics or the command to stone adulterers are impractical today. Jacobs' nuanced approach—sometimes symbolically interpreting these laws—raises important questions about the boundaries of religious adherence.

Community and Ritual

Another insight from the year-long experiment is the role of community and ritual in religious life. Jacobs finds that rituals such as Sabbath observance or dietary rules serve to create a sense of belonging and discipline. These practices can foster mindfulness and ethical reflection, aspects often lost in secular lifestyles. His engagement with various religious communities also highlights the social dimension of faith, beyond individual belief.

Comparative Religious Practices in Jacobs' Experiment

Throughout his journey, AJ Jacobs interacts with different religious traditions, including Christianity, Judaism, and Islam, each of which has its own interpretation of biblical or scriptural laws. This comparative perspective enriches the narrative and adds depth to the understanding of faith's role in everyday life.

- **Judaism:** Jacobs' interaction with Jewish traditions, especially concerning Sabbath observance and dietary laws, reveals the complexity and rigor of religious practice.
- **Christianity:** The varying Christian interpretations, from evangelical to liberal, show how scripture can be adapted to emphasize morality over literal adherence.
- **Islamic Perspectives:** Though not the primary focus, Jacobs' acknowledgment of Islamic law and its scriptural foundation provides a broader context for scriptural literalism.

The Relevance of “The Year of Living Biblically” in Today’s Context

AJ Jacobs' experiment remains relevant in a world where discussions about faith, secularism, and morality frequently arise. His work encourages readers to reflect on how religious traditions shape ethical norms and personal behavior. Moreover, it serves as a reminder of the challenges involved in bridging ancient texts with modern life.

For those interested in religious studies, sociology, or personal development, “The Year of Living Biblically” offers a rare blend of humor, scholarship, and practical insight. It also underscores the importance of empathy and open-mindedness when exploring faith traditions different from one's own.

In an era marked by religious pluralism and cultural diversity, AJ Jacobs' journey stands as an engaging exploration of how ancient wisdom can be reexamined, contested, and sometimes celebrated in the 21st century.

aj jacobs the year of living biblically: The Year of Living Biblically A. J. Jacobs, 2007-10-09
 Now a TV series Living Biblically streaming on CBS All Access! From the New York Times bestselling author of The Know-It-All comes a fascinating and timely exploration of religion and the Bible. A.J. Jacobs chronicles his hilarious and thoughtful year spent obeying—as literally as possible—the tenets of the Bible. Raised in a secular family but increasingly interested in the relevance of faith in our modern world, A.J. Jacobs decides to dive in headfirst and attempt to obey the Bible as literally as possible for one full year. He vows to follow the Ten Commandments. To be fruitful and multiply. To love his neighbor. But also to obey the hundreds of less publicized rules: to avoid wearing clothes made of mixed fibers; to play a ten-string harp; to stone adulterers. The resulting spiritual journey is at once funny and profound, reverent and irreverent, personal and universal and will make you see history's most influential book with new eyes. Jacobs's quest transforms his life even more radically than the year spent reading the entire Encyclopedia Britannica for The Know-It-All. His beard grows so unruly that he is regularly mistaken for a member of ZZ Top. He immerses himself in prayer, tends sheep in the Israeli desert, battles idolatry, and tells

the absolute truth in all situations—much to his wife’s chagrin. Throughout the book, Jacobs also embeds himself in a cross-section of communities that take the Bible literally. He tours a Kentucky-based creationist museum and sings hymns with Pennsylvania Amish. He dances with Hasidic Jews in Brooklyn and does Scripture study with Jehovah’s Witnesses. He discovers ancient biblical wisdom of startling relevance. And he wrestles with seemingly archaic rules that baffle the twenty-first-century brain. Jacobs’s extraordinary undertaking yields unexpected epiphanies and challenges. A book that will charm readers both secular and religious, *The Year of Living Biblically* is part Cliff Notes to the Bible, part memoir, and part look into worlds unimaginable. Thou shalt not be able to put it down.

aj jacobson the year of living biblically: *The ^AOxford Handbook of the Bible and American Popular Culture* Dan W. Clanton, Jr., Terry R. Clark, 2020-11-24 The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades. *The Oxford Handbook of the Bible and American Popular Culture* assesses the current state of the field, offers examples of work in that field, and suggests future directions for further study.

aj jacobson the year of living biblically: *How to Read the Bible in Changing Times* Mark L. Strauss, 2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty-first-century life in the Western world. How do we read God's unchanging Word in a world that is increasingly defined by change? *How to Read the Bible in Changing Times* shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture. Rather than seeing the Bible as a magic answer book, a list of commands to obey, or a series of promises to claim, this insightful book allows the Bible to retain its identity as a complex, inspired document while showing that the truth it contains is relevant and life-changing. It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God, his will, and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God's will on the many modern issues that the Bible does not directly address.

aj jacobson the year of living biblically: *ThirdWay* , 2008-05 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

aj jacobson the year of living biblically: *Life Narratives and Youth Culture* Kate Douglas, Anna Poletti, 2016-12-26 This book considers the largely under-recognised contribution that young writers have made to life writing genres such as memoir, letter writing and diaries, as well as their innovative use of independent and social media. The authors argue that these contributions have been historically silenced, subsumed within other literary genres, culturally marginalised or co-opted for political ends. Furthermore, the book considers how life narrative is an important means for youth agency and cultural participation. By engaging in private and public modes of self-representation, young people have contested public discourses around the representation of youth, including media, health and welfare, and legal discourses, and found means for re-engaging and re-appropriating self-images and representations. Locating their research within broader theoretical debates from childhood and youth studies: youth creative practice and associated cultural implications; youth citizenship and autonomy; the rights of the child; generations and power

relationships, Poletti and Douglas also position their inquiry within life narrative scholarship and wider discussions of self-representation from the margins, representations of conflict and trauma, and theories of ethical scholarship.

aj jacob's the year of living biblically: Through the Eye of a Needle John-Paul Flintoff, 2009
Through the Eye of a Needle is a brilliant account of his journey--illuminating, enchanting, and often extremely funny--arguing that the way we look at clothing influences the way we look at the environment, the economy, and life itself. Few books written in our soulless times have such potential to transform people's minds so completely--while also making them laugh. His encounters are by turns humorous and enlightening. He meets BBC TV's Jeremy Clarkson, Hollywood superstars Richard Gere and Daryl Hannah, spiritual teachers, politicians, call-center and sweatshop workers, artists, Transition Town leader Rob Hopkins, Prince Charles's own Savile Row tailor, and many others.

aj jacob's the year of living biblically: Reasonable and Holy Tobias Stanislas Haller, 2009-03
Reasonable and Holy addresses the conflict over homosexuality within the Anglican tradition, demonstrating that the church is able to provide for and support faithful and loving relationships between persons of the same sex, not as a departure from that tradition, but as a reasonable extension of it. It offers a carefully argued, but accessible means of engagement with Scripture, the Jewish and Christian traditions, and the use of reason in dealing with the experience and lives of fellow-Christians. Unlike most reflections on the topic of homosexuality, Reasonable and Holy examines same-sex relationships through the lens of the traditional teaching on the "ends" or "goods" of marriage: procreation, union, the upbuilding of society, the symbolic representation of Christ and the Church, and the now often unmentioned "remedy for fornication." Throughout, it responds to objections based on reason, tradition and Scripture. Based on a series of popular blog posts, it includes a number of independent, but related resources in the form of side-bars and single-page expansions of particular themes, suitable for reproduction as handouts.

aj jacob's the year of living biblically: More Beautiful Than Before Steve Leder, 2017-11-07
Every one of us sooner or later walks through hell. The hell of being hurt. The hell of hurting another. The hell of cancer, the hell of divorce, the hell of chronic pain. The hell of anxiety, depression, Alzheimer's, a kid in trouble. The hell of a reluctant, thumping shovelful of earth upon the casket of someone we deeply loved. The point is not to come out of hell empty-handed. There is real and profound power in the pain we endure if we transform our suffering into a more authentic, meaningful life. As the Senior Rabbi of Wilshire Boulevard Temple in Los Angeles, one of America's largest and most important congregations, Steve Leder witnesses a lot of pain: "It's my phone that rings when people's bodies or lives fall apart." In this deeply inspiring book, written in the spirit of such classics as *When Bad Things Happen to Good People*, Rabbi Leder guides us through pain's stages of surviving, healing, and finally growing. Drawing on his experience as a spiritual leader, the wisdom of ancient traditions, modern science, and stories from his own life and others', he shows us that when we must endure, we can, and that there is a path for each of us that leads from pain to wisdom. This powerful book can inspire in us all a life worthy of our suffering; a life gentler, wiser, and more beautiful than before. "So often I hear people quote Ernest Hemingway, who said, 'The world breaks everyone, and afterward many are strong at the broken places.' That has always sounded more like Hemingway bravado than the truth to me. . . . I know that a broken marriage, a broken heart, a ruined reputation—none of those things grow stronger. But we can heal enough, we can somehow find our true selves again—or for the first time—and what we find really is often gentler and wiser and more beautiful than before. A second love. A second chance. Another way to walk forward."

aj jacob's the year of living biblically: *Four Views on Moving Beyond the Bible to Theology* Gary T. Meadors, 2009
Four Views on Moving Beyond the Bible to Theology evaluates interpretive models of applying biblical texts and provides perspectives on questions of moving from Scripture to theology.

aj jacob's the year of living biblically: The Nowhere Bible Frauke Uhlenbruch, 2015-03-10

The Bible contains passages that allow both scholars and believers to project their hopes and fears onto ever-changing empirical realities. By reading specific biblical passages as utopia and dystopia, this volume raises questions about reconstructing the past, the impact of wishful imagination on reality, and the hermeneutic implications of dealing with utopia – “good place” yet “no place” – as a method and a concept in biblical studies. A believer like William Bradford might approach a biblical passage as utopia by reading it as instructions for bringing about a significantly changed society in reality, even at the cost of becoming an oppressor. A contemporary biblical scholar might approach the same passage with the ambition of locating the historical reality behind it – finding the places it describes on a map, or arriving at a conclusion about the social reality experienced by a historical community of redactors. These utopian goals are projected onto a utopian text. This volume advocates an honest hermeneutical approach to the question of how reliably a past reality can be reconstructed from a biblical passage, and it aims to provide an example of disclosing – not obscuring – pre-suppositions brought to the text.

aj jacob's the year of living biblically: A Christian Survival Guide Ed Cyzewski, 2014 No one ever plans to fail in their faith. We all think we'll be the kind of Christian who follows the straight and narrow, ending our days with the relief of knowing we were ultimately a good and faithful servant. So why do so many leave that road? What enables some to survive as Christians when so many others have faltered? With *A Christian Survival Guide*, Ed Cyzewski steps up to be your trail guide and provide some possible answers. He addresses some of the biggest, toughest questions in Christianity, including: - Disturbing Bible stories - Hell and what it means - Does the Bible have to be true? - The question of evil- Money and the church- Evangelizing when no one wants to listen Candid and wry, Cyzewski deals with the tension of hard questions without resorting to empty answers, clichés, relativism, or the smug certainty that can so often drive seekers and strugglers further away. This popular blogger also has a knack of making long-ago biblical figures absolutely recognizable in today's issues. This survival guide is not meant to be a one size fits all handbook. It is a first step to confronting the big issues and challenges of a life of faith--even the ones that Christians fear most. Cyzewski writes for those who both care and question deeply, and offers survival tips to help readers move from living on the edge to a place of health and life.

aj jacob's the year of living biblically: The Year of Living like Jesus Edward G. Dobson, 2009-11-10 “It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard.”—Rob Bell, *Jesus Wants To Save Christians* “Inspiring, insightful, sometimes infuriating, often funny, a little weird (like its author) and a must read for anyone wanting to become a serious follower of Jesus Christ” —Cal Thomas “Highly, highly recommended” —Brian McLaren Evangelical pastor Ed Dobson had a radical idea... “Live one year as Jesus lived. Eat as Jesus ate. Pray as Jesus prayed. Observe the sabbath as Jesus observed. Attend the Jewish festivals as Jesus attended. Read the Gospels every week. Dobson's transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers, and deepens his understanding of suffering. Living like Jesus is quite different from what we imagine. “It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard.”—Rob Bell, *Jesus Wants To Save Christians*

aj jacs the year of living biblically: *Reckoning Methodism* Darryl W. Stephens, 2024-03-29 *Reckoning Methodism* addresses the brokenness of The United Methodist Church (UMC) in the United States. Homosexuality is but one of several fault lines with decades-long histories in this predominantly White denomination. Demographic shifts, racism, and imperialism are heavily implicated in the current state of division. What, then, is the true nature and mission of this church? The UMC is the public church divided. Distinct missional theologies arise from competing commitments and priorities. When Methodist programmatic initiatives--such as vital congregations, environmental witness, and volunteers in mission--fail to account for these differences, denominational unity is weakened. Constructively, this book seeks historical clarity, collective repentance, charismatic learning, and institutional courage as United Methodists reckon with inherited animosities and divisions. This book provides no answers or programmatic fixes. Rather, it provides possibilities for repairing past harms as United Methodists seek ways to continue living out their Wesleyan faith. Reckoning with the public church divided, we glimpse the nature and mission of the church--not only as it has been but also as it could be.

aj jacs the year of living biblically: *The Novel: An Alternative History, 1600-1800* Steven Moore, 2013-08-29 Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society Having excavated the world's earliest novels in his previous book, literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800--from Don Quixote to America's first big novel, an homage to Cervantes entitled *Modern Chivalry*. This is the period of such classic novels as *Tom Jones*, *Candide*, and *Dangerous Liaisons*, but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then, known only to specialists: Spanish picaresques, French heroic romances, massive Chinese novels, Japanese graphic novels, eccentric English novels, and the

earliest American novels. These minor novels are not only interesting in their own right, but also provide the context needed to appreciate why the major novels were major breakthroughs. The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres: epistolary novels, romances, Gothic thrillers, novels in verse, parodies, science fiction, episodic road trips, and family sagas, along with quirky, unclassifiable experiments in fiction that resemble contemporary, avant-garde works. As in his previous volume, Moore privileges the innovators and outriders, those who kept the novel novel. In the most comprehensive history of this period ever written, Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative. Though written for a general audience, *The Novel, An Alternative History* also provides the scholarly apparatus required by the serious student of the period. This sequel, like its predecessor, is a zestfully encyclopedic, avidly opinionated, and dazzlingly fresh history of the most 'elastic' of literary forms†? (Booklist).

aj jacobson the year of living biblically: Drivel Julia Scott, 2014-09-02 The writing in this book is so bad, it deserves its own taxonomy of suckitude. Gillian Flynn, Mary Roach, Dave Eggers, Rick Moody, Chuck Palahniuk, Amy Tan, A.J. Jacobs, Daniel Clowes, Jeff Greenwald, Po Bronson...the list goes on. They all sucked once, and they all have the guts to share some of their crappiest early work in *Drivel*: an uplifting bit of voyeurism, based on the sold-out "Regreturature" stage shows in San Francisco, and brought to you by Litquake and the San Francisco Writers' Grotto. Within these pages you'll find abstruse and esoteric poetry (bad); incoherent and illogical short stories (worse); bumfuzzling proto-journalism (shameful); and pretentious, overwrought journal entries (we'll not speak of this again). Thanks to these courageous but foolhardy writers, the world now knows the real meaning of a work-in-progress.

aj jacobson the year of living biblically: A Christian's View of the Torah Matt P. Simmons, 2012-03-22 A Christian's View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art, such as symbolism, parallelism, reflections, and repeated themes. This book presents the Bible (or at least the Torah) as a unified whole with consistent underlying themes rather than a collection of disjointed stories. And it shows, from the Christian point of view, how the Torah points toward Christ and His church. Most biblical study guides fall into two extremes. At one end of the spectrum, they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow. At the other extreme, they are so academic that a doctorate in divinity is required to get anything out of them. A few strive to touch the middle ground, which allows the average Christian to grow and to add to his faith. A Christian's View of the Torah is an attempt to strike the middle ground. This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories. It is intended for those who have a working knowledge of the Bible, particularly the Torah, the Historical Books, the Gospels, Acts, and the Epistles in short, Genesis through Second Chronicles and Matthew through Jude. This is a single Christian's point of view.

aj jacobson the year of living biblically: This Risen Existence Paula Gooder, 2015-03-01 Following the pattern of her Advent book, *The Meaning Is in the Waiting*, Paula Gooder leads us on a biblical exploration of the resurrection accounts in each of the Gospels and in Paul's writings, as well as the account of the Ascension and coming of the Spirit at Pentecost in Acts. Arranged for daily reading through the seven weeks of Eastertide, *This Risen Existence* opens with an extended reflection on ancient and contemporary understandings of resurrection.
